IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. The purchaser may rescind the contract at any time before 5 p.m. on the fifth business day after the day on which the contract was made, **EXCEPT** in the circumstances listed in paragraph 3.
3. There is **NO COOLING OFF PERIOD**:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

6. **The purchaser will usually have to pay stamp duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.**

12. **Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor.**

- 2.4 The purchaser can pay any of the deposit by giving cash (up to \$2,000) or by unconditionally giving a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder*.

- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

- The purchaser can make a claim (including a claim under clause 6) before completion only by *servicing* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

- 7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and
- 7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed –
- 7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;
- 7.2.2 the amount held is to be invested in accordance with clause 2.9;
- 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
- 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
- 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and
- 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

- 8.1 The vendor can *rescind* if –
- 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;
- 8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and

- 12.2 to apply (if necessary in the name of the vendor) for –
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.
- 13 Goods and services tax (GST)**
- 13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
- 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
- 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
- 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
- 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
- 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
- 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and

- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –
- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make an *RW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, *serve* evidence of submission of an *RW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
- 13.13.2 produce on completion a *settlement cheque* for the *RW payment* payable to the Deputy Commissioner of Taxation;
- 13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
- 13.13.4 *serve* evidence of receipt of payment of the *RW payment*.

14 Adjustments

- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The *parties* must complete by the date for completion and, if they do not, a *party* can *serve* a notice to complete if that *party* is otherwise entitled to do so.

- 16.1 On completion the vendor must give the purchaser any *document of title* that relates only to the *property*.
- 16.2 If on completion the vendor has possession or control of a *document of title* that relates also to other property, the vendor must produce it as and where necessary.
- 16.3 *Normally*, on completion the vendor must cause the legal title to the *property* (being an estate in fee simple) to pass to the purchaser free of any mortgage or other interest, subject to any necessary registration.
- 16.4 The legal title to the *property* does not pass before completion.
- 16.5 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgement fee to the purchaser, plus another 20% of that fee.
- 16.6 If a *party serves* a land tax certificate showing a charge on any of the land, on completion the vendor must give the purchaser a land tax certificate showing the charge is no longer effective against the land.

- deposit paid;
 - *remittance amount* payable;
 - *RW payment*; and
 - amount payable by the vendor to the purchaser under this contract; and
- 16.7.2 any other amount payable by the purchaser under this contract.
- 16.8 If the vendor requires more than 5 *settlement cheques*, the vendor must pay \$10 for each extra *cheque*.
- 16.9 If any of the deposit is not covered by a bond or guarantee, on completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit.
- 16.10 On completion the deposit belongs to the vendor.

• Place for completion

- 16.11 *Normally*, the *parties* must complete at the completion address, which is –
- 16.11.1 if a special completion address is stated in this contract - that address; or
- 16.11.2 if none is stated, but a first mortgagee is disclosed in this contract and the mortgagee would usually discharge the mortgage at a particular place - that place; or
- 16.11.3 in any other case - the vendor's *solicitor's* address stated in this contract.
- 16.12 The vendor by reasonable notice can require completion at another place, if it is in NSW, but the vendor must pay the purchaser's additional expenses, including any agency or mortgagee fee.

- 17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.
- 17.2 The vendor does not have to give vacant possession if –

- 17.2.2 the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).
- 17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Part 2, 3, 4 or 5 Landlord and Tenant (Amendment) Act 1948).

- 18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.
- 18.2 The purchaser must not before completion –
- 18.2.1 let or part with possession of any of the *property*;
- 18.2.2 make any change or structural alteration or addition to the *property*; or

- 18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and
- 18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.
- 18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
- 18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –
- 18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and

18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.

18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.

18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

19 Rescission of contract

19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right –

19.1.1 only by *servicing* a notice before completion; and

Important information

Who is protected by a clearance certificate?

A clearance certificate states whether there is any land tax (including surcharge land tax) owing on a property.

The clearance certificate protects a purchaser from any outstanding land tax liability by a previous owner. It does not provide any protection to the owner of the land.

Why is the certificate clear from land tax?

The certificate may be issued as 'clear' if:

- the land is not liable or is exempt from land tax
- the tax has been paid
- the Chief Commissioner is satisfied payment of the tax is not at risk, or
- the owner of the land failed to lodge a land tax return when it was due and the liability had not been detected when the certificate was issued.

Note: A clear certificate does not mean that land tax was not payable or that there is no land tax adjustment to be made on settlement, if the contract for sale allows for it.

Why is the certificate not clear from land tax?

Under section 47 of the *Land Tax Management Act 1956*, land tax is a charge on land owned in NSW at midnight on 31 December of each year. The charge applies from the taxing date and does not depend on the issue of a land tax assessment notice. Land tax is an annual tax so a new charge may occur on the taxing date each year.

How do I clear a certificate?

To remove a charge from a clearance certificate the outstanding tax must be paid. To do this the owner should follow the steps shown on the certificate or contact Revenue NSW if no instructions are shown.

You should allow 10 working days to process a request.

How do I get an updated certificate?

A certificate can be updated by using our online clearance certificate update service at www.revenue.nsw.gov.au/taxes/land/clearance or reprocess the certificate through your Client Service Provider (CSP).

Please ensure you have allowed sufficient time for any payment to be processed prior to requesting a new version of the clearance certificate.

Land value, tax rates and threshold

The taxable land value shown on the clearance certificate is the value that is used by Revenue NSW when assessing land tax.

Details on land tax threshold and rates, as well as the land tax calculator and examples are available at www.revenue.nsw.gov.au/taxes/land
