Guide Price £1,400,000 Freehold

A luxury life-style character village home accommodating multi-generational family living with income potential nestled in the heart of the village of Lodgers

SITUATION: This trio of period properties with extensive range of outdoor facilities is nestled into the heart of Loders village with gated driveway, shutting it away from the main village lane. What lies behind this formal entrance is completely private and secluded enjoying total tranquillity. It backs onto pasture land leading to the River Asker. This is a Conservation Area and an Area of Outstanding Natural Beauty.

Loders is a vibrant community village supporting an Ofsted Rated Good primary school, a modern village hall (a popular venue for wide variety of classes, clubs and celebrations and with stage facility), Parish Church, recreational field with play area, allotment gardens, pub/restaurant with skittle alley, community orchard and nature reserve. There are established groups for monitoring and protecting river and country habitats, a network of scenic pathways and bridleways and there is a prolific local history group. There is also an annual Fete, Carol singing, Scarecrow Festival and Boxing Day Hockey Match.

The historic and cultural town of Bridport lies some 2.7 miles away renowned for its vintage and artists' quadrant and twice-weekly street market, Electric Palace cinema/theatre, Art Centre and Leisure Centre and the central "Bucky Doo Square" which hosts bands, festivities and events all year round.

The coastal village/resort of West Bay lies some 4 miles to the south with its fishing and boating harbour, golf course, range of marine and leisure pursuits and is the gateway to the Jurassic Coastline and South West Coastal Paths. The fossil fame of the Jurassic Coastline is also celebrated here and particularly at Lyme Regis some 13 miles away.

THE PROPERTY is completely unique in that it has grown from a family "good life/work from home farmhouse" with 2 holiday lets with swimming pool and extensive gardens producing a wealth of flowers, fruits, herbs and vegetables developed to a multi-generational complex with triple garages/workshops, sauna, substantial modern outdoor leisure cabin (ideal as a wellness/counselling venue or gym) with attached outdoor kitchen/dining area, hot tub, chicken pen, fenced pond and children's play corner. The whole site offers superb versatility for those with a particular bent towards learning/teaching/specific interests and particularly for children to grow and learn.

The huge main reception room in the farmhouse together with the adjoining dining room offers an amazing venue for hosting as it can accommodate some 35 people to a sit-down meal which the kitchen facilities are well able to provide for!
