IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. **EXCEPT** in the circumstances listed in paragraph 3, the purchaser may rescind the contract at any time before 5 pm on—
 - (a) the tenth business day after the day on which the contract was made—in the case of an off the plan contract, or
 - (b) the fifth business day after the day on which the contract was made—in any other case.
3. There is **NO COOLING OFF PERIOD**:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

APA Group Australian Taxation Office Council County Council Department of Planning, Industry and Environment Department of Primary Industries Electricity and gas Land & Housing Corporation Local Land Services	NSW Department of Education NSW Fair Trading Owner of adjoining land Privacy Public Works Advisory Subsidence Advisory NSW Telecommunications Transport for NSW Water, sewerage or drainage authority
---	--

If you think that any of these matters affects the property, tell your solicitor.
2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
6. The purchaser will usually have to pay transfer duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.
7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
8. The purchaser should arrange insurance as appropriate.
9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

 - 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
 - 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
 - 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and
 - 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

11 Compliance with work orders

- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –
- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for –
 - 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
 - 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

- 13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
 - 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
 - 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
 - 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
 - 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
 - 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
 - 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
 - if *within* 3 months of completion the purchaser serves a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not serve that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
 - 13.4.4 if the vendor, despite clause 13.4.1, serves a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
 - 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
 - 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
 - a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
- 13.13.2 produce on completion a *settlement cheque* for the *GSTRW payment* payable to the Deputy Commissioner of Taxation;
- 13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
- 13.13.4 *serve* evidence of receipt of payment of the *GSTRW payment* and a copy of the settlement date confirmation form submitted to the Australian Taxation Office.

14 Adjustments

- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

- 18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.
- 18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.
- 19 Rescission of contract**

Important information

Who is protected by a clearance certificate?

A clearance certificate states whether there is any land tax (including surcharge land tax) owing on a property. The certificate protects a purchaser from outstanding land tax liability by a previous owner, however it does not provide protection to the owner of the land.

When is a certificate clear from land tax?

A certificate may be issued as 'clear' if:

- the land is not liable or is exempt from land tax
- the land tax has been paid
- Revenue NSW is satisfied payment of the tax is not at risk, or
- the owner of the land failed to lodge a land tax return when it was due, and the liability was not detected at the time the certificate was issued.

Note: A clear certificate does not mean that land tax was not payable, or that there is no land tax adjustment to be made on settlement if the contract for sale allows for it.

When is a certificate not clear from land tax?

Under section 47 of the *Land Tax Management Act 1956*, land tax is a charge on land owned in NSW at midnight on 31 December of each year. The charge applies from the taxing date and does not depend on the issue of a land tax assessment notice. Land tax is an annual tax so a new charge may occur on the taxing date each year.

How do I clear a certificate?

A charge is removed for this property when the outstanding land tax amount is processed and paid in full. Payment can be made during settlement via an accepted Electronic Lodgement Network or at an approved settlement room.

To determine the land tax amount payable, you must use one of the following approved supporting documents:

- Current year land tax assessment notice. This can only be used if the settlement date is no later than the first instalment date listed on the notice. If payment is made after this date interest may apply.
- Clearance quote or settlement letter which shows the amount to clear.

The charge on the land will be considered removed upon payment of the amount shown on these documents

How do I get an updated certificate?

A certificate can be updated by re-processing the certificate through your Client Service Provider (CSP), or online at www.revenue.nsw.gov.au.

Please allow sufficient time for any payment to be processed prior to requesting a new version of the clearance certificate.

Land value, tax rates and thresholds

The taxable land value shown on the clearance certificate is the value used by Revenue NSW when assessing land tax. Details on land tax rates and thresholds are available at www.revenue.nsw.gov.au.
