## Preliminary

### To the purchaser:

The purpose of a statement under section 7 of the *Land and Business (Sale and Conveyancing) Act 1994* is to put you on notice of certain particulars concerning the land to be acquired.

If you intend to carry out building work on the land, change the use of the land or divide the land, you should make further inquiries to determine whether this will be permitted. For example, building work may not be permitted on land not connected to a sewerage system or common drainage scheme if the land is near a watercourse, dam, bore or the River Murray and Lakes.

The *Aboriginal Heritage Act 1988* protects any Aboriginal site or object on the land. Details of any such site or object may be sought from the "traditional owners" as defined in that Act.

If you desire additional information, it is up to you to make further inquiries as appropriate.

### Instructions to the vendor for completing this statement:

☐

means the Part, Division, particulars or item may not be applicable.

If it is applicable, ensure the box is ticked and complete the Part, Division, particulars or item.

If it is not applicable, ensure the box is empty or strike out the Part, Division, particulars or item. Alternatively, the Part, Division, particulars or item may be omitted, but not in the case of an item or heading in the table of particulars in Division 1 of the Schedule that is required by the instructions at the head of that table to be retained as part of this statement.

All questions must be answered with a YES or NO (inserted in the place indicated by a rectangle or square brackets below or to the side of the question).

If there is insufficient space to provide any particulars required, continue on attachments.

To the purchaser:

### Right to cool-off (section 5)

#### 1 - Right to cool-off and restrictions on that right

You may notify the vendor of your intention not to be bound by the contract for the sale of the land UNLESS -

- (a) you purchased by auction; or
- (b) you purchased on the same day as you, or some person on your behalf, bid at the auction of the land; or
- (c) you have, before signing the contract, received independent advice from a legal practitioner and the legal practitioner has signed a certificate in the prescribed form as to the giving of that advice; or
- (d) you are a body corporate and the land is not residential land; or
- (e) the contract is made by the exercise of an option to purchase not less than 5 clear business days after the grant of the option and not less than 2 clear business days after service of this form; or
- (f) the sale is by tender and the contract is made not less than 5 clear business days after the day fixed for the closing of tenders and not less than 2 clear business days after service of this form; or
- (g) the contract also provides for the sale of a business that is not a small business.

#### 2 - Time for service

The cooling-off notice must be served -

- (a) if this form is served on you before the making of the contract - before the end of the second clear business day after the day on which the contract was made; or
- (b) if this form is served on you after the making of the contract - before the end of the second clear business day from the day on which this form is served.

However, if this form is not served on you at least 2 clear business days before the time at which settlement takes place, the cooling-off notice may be served at any time before settlement.

#### 3 - Form of cooling-off notice

The cooling-off notice must be in writing and must be signed by you.

#### 4 - Methods of service

The cooling-off notice must be -

- (a) given to the vendor personally; or
- (b) posted by registered post to the vendor at the following address:  

74 Brighton Road, Glenelg East SA 5045

  
(being the vendor's last known address); or
- (c) transmitted by fax or email to the following fax number or email address:

josh@magain.com.au

(being a number or address provided to you by the vendor for the purpose of service of the notice); or

- (d) left for the vendor's agent (with a person apparently responsible to the agent) at, or posted by registered post to the agent at, the following address:

74 Brighton Road Glenelg East SA 5045

being ☒ the agent's address for service under the *Land Agents Act 1994*

☐ an address nominated by the agent to you for the purpose of service of the notice

**Note -** Section 5(3) of the *Land and Business (Sale and Conveyancing) Act 1994* places the onus of proving the giving of the cooling-off notice on the purchaser. It is therefore strongly recommended that -

- (a) if you intend to serve the notice by leaving it for the vendor's agent at the agent's address for service or an address nominated by the agent, you obtain an acknowledgment of service of the notice in writing;
- (b) if you intend to serve the notice by fax or email, you obtain a record of the transmission of the fax or email.

#### 5 - Effect of service

If you serve such cooling-off notice on the vendor, the contract will be taken to have been rescinded at the time when the notice was served. You are then entitled to the return of any money you paid under the contract other than -

- (a) the amount of any deposit paid if the deposit did not exceed \$100; or
- (b) an amount paid for an option to purchase the land.

If you wish to proceed with the purchase -

### Matters to be considered in purchasing a community lot or strata unit

The property you are buying is on strata or community title. There are **special obligations and restrictions** that go with this kind of title. Make sure you understand these. If unsure, seek legal advice before signing a contract. For example:

#### Governance

You will automatically become a member of the **body corporate**, which includes all owners and has the job of maintaining the common property and enforcing the rules. Decisions, such as the amount you must pay in levies, will be made by vote of the body corporate. You will need to take part in meetings if you wish to have a say. If outvoted, you will have to live with decisions that you might not agree with.

If you are buying into a mixed use development (one that includes commercial as well as residential lots), owners of some types of lots may be in a position to outvote owners of other types of lots. Make sure you fully understand your voting rights, see later.

#### Use of your property

You, and anyone who visits or occupies your property, will be bound by rules in the form of **articles or by-laws**. These can restrict the use of the property, for example, they can deal with keeping pets, car parking, noise, rubbish disposal, short-term letting, upkeep of buildings and so on. Make sure that you have read the articles or by-laws before you decide whether this property will suit you.

Depending on the rules, you might not be permitted to make changes to the exterior of your unit, such as installing a television aerial or an air-conditioner, building a pergola, attaching external blinds etc without the permission of the body corporate. A meeting may be needed before permission can be granted. Permission may be refused.

Note that the articles or by-laws **could change** between now and when you become the owner: the body corporate might vote to change them. Also, if you are buying before the community plan is registered, then any by-laws you have been shown are just a draft.

#### Are you buying a debt?

If there are unpaid contributions owing on this property, you can be made to pay them. You are **entitled to know the financial state of the body corporate** and you should make sure you see its records before deciding whether to buy. As a prospective owner, you can write to the body corporate requiring to see the records, including minutes of meetings, details of assets and liabilities, contributions payable, outstanding or planned expenses and insurance policies. There is a fee. To make a request, write to the secretary or management committee of the body corporate.

#### Expenses

The body corporate can **require you to maintain your property**, even if you do not agree, or can carry out maintenance and bill you for it.

The body corporate can **require you to contribute** to the cost of upkeep of the common property, even if you do not agree. Consider what future maintenance or repairs might be needed on the property in the long term.

#### Guarantee

As an owner, you are a **guarantor** of the liabilities of the body corporate. If it does not pay its debts, you can be called on to do so. Make sure you know what the liabilities are before you decide to buy. Ask the body corporate for copies of the financial records.

#### Contracts

The body corporate can make **contracts**. For example, it may engage a body corporate manager to do some or all of its work. It may contract with traders for maintenance work. It might engage a caretaker to look after the property. It might make any other kind of contract to buy services or products for the body corporate. Find out **what contracts the body corporate is committed to and the cost**.

The body corporate will have to raise funds from the owners to pay the money due under these contracts. As a guarantor, you could be liable if the body corporate owes money under a contract.

#### Buying off the plan

If you are buying a property that has not been built yet, then you **cannot be certain** what the end product of the development process will be. If you are buying before a community plan has been deposited, then any proposed development contract, scheme description or by-laws you have been shown could change.

#### Mixed use developments—voting rights

You may be buying into a group that is run by several different community corporations. This is common in mixed use developments, for example, where a group of apartments is combined with a hotel or a group of shops. If there is more than one corporation, then you should not expect that all lot owners in the group will have equal voting rights. The corporations may be structured so that, even though there are more apartments than shops in the group, the shop-owners can outvote the apartment owners on some matters. Make enquiries so that you understand how many corporations there are and what voting rights you will have.

## Buyers information notice

### Prescribed notice to be given to purchaser

Before you buy a home there are a number of things that you should investigate and consider. Though it may not be obvious at the time, there could be matters that may affect your enjoyment of the property, the safety of people on the property or the value of the property.

The following questions may help you to identify if a property is appropriate to purchase. In many cases the questions relate to a variety of laws and standards. These laws and standards change over time, so it is important to seek the most up to date information. Various government agencies can provide up to date and relevant information on many of these questions. To find out more, Consumer and Business Services recommends that you check the website: [www.cbs.sa.gov.au](http://www.cbs.sa.gov.au).

- Does the property have any **termite** or other pest infestations? Is there a current preventive termite treatment program in place? Was the property treated at some stage with persistent organochlorins (now banned) or other **toxic** termiticides?
- Has fill been used on the site? Is the soil contaminated by **chemical residues** or waste?
- Does the property use **cooling towers** or manufactured warm water systems? If so, what are the maintenance requirements?

## Notices

Notices are printed under arrangement with organisations having some potential interest in the subject land. You should contact the identified party for further details.

### **Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)**

#### Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:

- a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
- b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
- c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

#### Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (<https://1100.com.au>) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

#### ***Land Tax Act 1936 and Regulations thereunder***

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

#### ***Animal and Plant Control (Agriculture Protection and other purposes) Act 1986 and Regulations***

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

- The vendor about the known presence of proclaimed plants or animals on the property including details which the vendor can obtain from records held by the local animal and plant control board
- The local animal and plant control board or the Animal and Plant Control Commission on the policies and priorities relating to the control of any serious proclaimed plants or animals in the area where the property is located.

#### ***Landscape South Australia 2019***

Application No: 361/993/2018/CT  
Description: LAND DIVISION - COMMUNITY TITLE  
(CREATION OF 19 ALLOTMENTS AND COMMON PROPERTY FROM 1  
EXISTING ALLOTMENT)  
Decision Date: 03-Aug-2018  
Decision: Approved  
Conditions: 10

Council Requirements

1. All existing buildings and structures shall be demolished and removed from the site.
2. A Scheme Description shall be endorsed by Council pursuant to Section 30 of the *Community Titles Act 1996*.
3. The boundaries of the 'common boundary' as it relates to the interface with 'Danehill Drive' shall meet flush with the 'Danehill Drive' boundary in the final plan of division, so as to ensure that 'Danehill Drive' and the 'common property' are aligned.

Commissioner of Highways

4. The strip of land 6.1 metres in width along the Kings Road frontage of the site that has been identified as 'road widening' shall be clearly and explicitly dedicated to road in the final plan of division.
5. The existing Kings Road crossover(s) shall be closed and fenced off to Council's satisfaction.

SCAP Requirements

6. The following SA Water requirements shall be met:
  - a) The financial requirements of SA Water shall be met for the provision of water supply and sewerage services;
  - b) The alteration of internal drains to the satisfaction of SA Water.

Note: For SA Water to assess this application, the developer must advise SA Water of the preferred servicing option. Information can be found at:

For queries, call SAW Land Developments on 7424 1119.

7. An investigation will be carried out to determine if connections to the development will be standard or non-standard.
8. The developer must inform potential purchasers of the community lots of the servicing arrangements and seek written agreement prior to settlement, as future alterations would be at full cost to the owners/applicant.
9. Payment of \$129,770 into the Planning and Development Fund (19 allotments @ \$6,830/allotment). Payment may be made by credit card via the internet at [www.edala.sa.gov.au](http://www.edala.sa.gov.au) or by phone (7109 7018), by cheque payable to the State Planning Commission marked "Not Negotiable" and sent to GPO Box 1815, Adelaide SA 5001 or in person, by cheque or credit card, at Level 5, 50 Flinders Street, Adelaide.

Application No: 361/2005/2000/LD  
Description: LAND DIVISION -BOUNDARY RE-ALIGNMENTBETWEEN TWO ALLOTMENTS  
Decision Date: 11-Feb-2003  
Decision: Approved  
Conditions: 6

1. The financial, easement and internal drain requirements for water and sewerage services of the SA Water Corporation, if any, being met.
2. Two copies of a certified survey plan being lodged with the Development Assessment Commission for Certificate purposes.
3. Transport SA has no objection to the creation of Allotments 200 and 201.
4. However, careful consideration has been given to the proposed future land division of Allotment 200, and as Transport SA has power of direction under the Development Act regarding junctions on arterial roads, this agency would not approve the creation of a new road junction onto Kings Road at this vicinity for the following reasons:
  - It is this Agency's policy that the number of road junctions on arterial roads be kept to a minimum to ensure the safe and free flow of traffic along arterial roads.
  - The proposal does not promote orderly development in the area.

5. To foster orderly development, it is recommended that discussions be held with the owners of the land abutting the south-western boundary of the subject land (lot 19 FP 114733 and lot 2 FP 106896) with a view to obtaining access through their property to either Melvina Road or Walpole Road.
6. It is also pointed out that the Metropolitan Adelaide Road Widening Plan shows a possible requirement for a strip of land of up to 6.1 metres in width from the Kings Road frontage of this site for future road widening purposes. The consent of the Commissioner of Highways is required under the Metropolitan Adelaide Road Widening Act for all building works on or within 12.1 metres of the existing Kings Road frontage.

Application No: 361/1092/2001/LD  
Description: LAND DIVISION  
Decision Date: 13-Nov-2002  
Decision: Approved  
Conditions: 26

1. As the Development has road frontage to Melvina Road, the Developer is required to provide and construct the portion of Melville Road to service the Development and constructed to meet Council standards
2. All irrigation pipes, building material, rubbish and deleterious material are to be removed from the site.
3. Any existing bores and wells previously used for irrigation are to be identified, abandoned, plugged and backfilled in accordance with the Water Resources Act 1997 to prevent contamination, degradation and wastage of groundwater. A copy of the well construction permit, the geophysical log and the completion certificate from the Water Resources Group, Department of Environment Heritage and Aboriginal Affairs (DEHAA) for the particular bore or well are to be forwarded to Council.
4. Because the site slopes towards Melvina Road to the south, the internal road layout should be designed to grade out to Melvina Road via Road A thus providing an overland flowpath within the road reserves to accommodate the peak flow rate for the major storm events (ARI = 100yrs)

Please note that some local flooding occurring in the unmade section of Melvina Road, may be increased with the extra surface runoff from the proposed development and some drainage works in this area may be required to alleviate the problem.

5. Surface stormwater runoff from the development should not be discharge onto the adjacent property to the south. The stormwater runoff from the southern end of Road D is to be collected in side entry pits and connected to the internal piped drainage system via a rear of allotment drain through lots 38,40,41 and the reserve to the proposed drainage system in Road A. Some allotment filling may be required to satisfy this requirement.
6. The stormwater drainage system for the roads is to be designed to cater for minor storms (ARI = 5yrs) with connection to Council's existing downstream drainage system in Walpole Road. An outfall pipe drain from the development is to be constructed along Melvina Road to connect to the large trunk drain in Walpole Road
7. To provide all-weather access to the development, the unmade section of Melvina Road fronting lots 47, 46 & 45 and extending 10.0metres past the intersection with Road A is to be re-constructed with kerb and gutter and hotmix bitumen-sealed.
8. The road reserve width of Road A to Road B, Road B to Road D and Road D fronting lots 35,36 & 37 is to be 15.0metre wide to provide for a minor collector road with 7.4 metre wide carriageway. Distinctive block paving is to be provided at the intersections to differentiate between the minor-collector and the local access roads.
9. A concrete block footpath 1.50m wide is to be provided on one side of all internal roads.
10. "Colorbond" fencing 1.8m high is to be provided on all allotment boundaries common with reserves.
11. Detailed designs and specifications for all civil engineering works, including roads, footpaths, culverts, bridges and cycle paths are to be provided to Council. No work on such works is to commence prior to the written approval by Council.

## SALES NOTICE

The City of Salisbury has within it two significant airports. Parafield Airport is a general aviation airport that also provides for aviation training facilities which includes repeated landing and take-off flight circuit training, and the RAAF Base Edinburgh which is a significant military airfield that includes jet fighters and long range surveillance aircraft within its operations. Both airports are controlled by Federal legislation and administered by Federal Government Agencies, not Council.

The property for sale may be subject to overflight and aircraft noise from these airports, and there may also be overflights as a result of Adelaide Airport flights. Intending residents or business proprietors are advised that living or working in the vicinity of an airport may result in noise from the airport operations and flights and that individual sensitivity can vary from person to person. Intending purchasers should consider their situation and sensitivities to airplane noise.

### Basis of Preparation

The Body Corporate agent has prepared the financial statements on the basis that the Body Corporate is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared to meet the information needs of members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the Body Corporate agent has determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the prior period unless otherwise stated.

### Basis of Accounting

The financial statements have been prepared on a cash basis where income is recorded when received and expenditure is recorded when paid and are based on historical costs.

### Cash and cash equivalents

Cash and cash equivalents comprise deposits held on call with banks and other short-term highly liquid investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

### Goods and Services Tax

Income, expenditure and assets of the Corporation are recognised net of the amount of Goods and Services Tax (GST), except where the GST incurred is not recoverable from the Australian Taxation Office (ATO).

The net amount of GST payable to, or recoverable from, the ATO represents the unpaid portion of the aggregate of GST on income received and expenditure paid and is presented as the GST Control Account on the Statement of Assets and Liabilities.

### Income Tax

Income tax is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, during the financial year.

Only the non-member income of the Corporation is assessable for income tax purposes, as member income is excluded under the principle of mutuality.

The income tax expense recorded in the Statement of Income and Expenditure represent amounts that have been paid to, or recovered from, the ATO.

- b. the actual or alleged use or presence of asbestos;
- c. ionising radiation from, or contamination by radio-activity from, any nuclear fuel or nuclear waste from the combustion of nuclear fuel.

## Conditions

You must meet certain conditions for Your insurance cover to apply. If You do not comply with the conditions We may refuse to pay a claim in whole or in part. For full details of all the conditions of cover that apply, please read the Policy in full. The following are examples only:

1. Payment of any Excess shown in this Policy or in the Schedule for each claim made may be requested from You when the claim is lodged, or may be deducted from Our payment if Your claim is accepted.
2. When Your Insured Property is a total loss and We have paid out the total Sum Insured, this insurance ceases. If You rebuild or replace Your Insured Property, this requires a new insurance contract commencing at that time with an applicable Premium.
3. When You first purchase and when You renew Your insurance if You do not pay the amount by the due date, Your Policy may be cancelled and We will write to let You know when this will happen.
4. When renewing Your insurance with Us, You have a duty to take reasonable care not to make a misrepresentation. This means giving Us true, complete and accurate answers to Our questions, including where You provide information on someone else's behalf. We use Your answers to decide whether to insure You and on what terms. You must advise Us of any changes to Your claims or insurance history that a reasonable person in the circumstances would tell Us. CHU will notify You in writing of any effect a change may have on Your insurance renewal.

## The cost of this insurance

The amount that We charge You for this insurance when You first acquire the Policy and when You renew the Policy is called the

Premium. In order to calculate Your Premium, We take various factors into consideration, including, but not limited to:

- the Sum(s) Insured;
- the address of Your Insured Property;
- Your insurance history.

The total cost of the Policy is shown in the Schedule and is made up of Your Premium plus government taxes, fees, duties and charges such as Stamp Duty, GST and any Emergency Services Levy (where applicable).

When You apply for this insurance, You will be advised of the Premium. If You choose to effect cover, the amount will be set out in the Schedule.

## Paying Your Premium

Various options are available for paying Your Premium including annual payment by credit card, BPAY, EFT and direct deposit.

## Annual Premium

We will let You know how much Premium You need to pay Us, how to pay it and when. If You pay Your Premium annually, You need to pay Your Premium on time to ensure You are covered. If You don't pay the Premium Your Policy may be cancelled and We'll write to You to let You know when this will happen.

## Instalment payments

Customers who acquire a Policy directly through CHU have an option to pay for the Policy by way of instalments.

If You pay Your Premium by instalment, Your Schedule will show the date and frequency of Your instalments. If Your direct debit details change You must tell Us no later than seven days before Your next instalment is due to allow Us to process the change in time.

## What happens if You miss an instalment

If You miss an instalment We'll contact You to ask You to pay it or arrange to collect it from You. If You don't pay the missed instalment Your Policy may be cancelled and We'll write to You to let You know when this will happen.

If You don't pay the missed instalment and a claim arises, then We will deduct the missed instalment from Your claim.

## At renewal

If You pay by instalments, and You renew Your Policy, We'll continue to deduct instalments for Your renewed Policy at the new Premium level according to the same instalment pattern, unless You tell Us to stop Your direct debit.

If You don't want to renew, You must tell Us at least seven days before Your Policy's end date so that We can arrange for the direct debit to stop in time.

## A claim on Your Policy may affect Your renewal Premium

If You have a claim, contact Us as soon as You can after the incident - see Claims Conditions - What You must do. To avoid Your claim being delayed, reduced or refused You must not unnecessarily delay notifying Us of the incident - see Claims Conditions - What You must not do. If You were in difficult circumstances that prevented You from telling Us about the claim, let Us know.

If We send You a renewal invitation and the Premium doesn't take into account a claim on Your Policy, You agree to pay Us any additional Premium We would have charged if We had known about that claim.

If You tell Us about the claim before Your renewal takes effect and We agree to continue to insure You, We may apply specific conditions to Your Policy (including an imposed Excess) and/or recalculate Your renewal Premium and send You an updated renewal invitation.

If Your Policy has already renewed and We agree to continue to insure You, We may ask You for an additional Premium. If You're paying in instalments, any remaining instalments will be adjusted to reflect the additional Premium. If You've already paid Your renewal Premium in full, You'll need to pay Us any additional Premium to ensure Your cover is not affected. If You don't pay the additional Premium by the due date then We may:

- deduct the outstanding Premium amount from a claim payment; or
- cancel Your Policy - see General Conditions.

If it was reasonable in the circumstances for You to be unaware that You had a claim until after we issued Your renewal invitation, We will not ask You to pay the additional Premium for that renewal period however the claim may affect Your future renewal Premiums and/or future Policy conditions (including the application of any imposed Excess).

Please note We may have other rights under this Policy or as permitted by law, depending on the circumstances.

#### **If Your payment details change**

#### **How to make a claim**

Please contact CHU to make a claim, the contact details are shown on the back cover of this document. They also have an after hours Emergency Claims Hotline that You can contact on 1800 022 444.

These are only some of the things that You must do if making a claim.

#### **Cooling off period**

If You change Your mind about Your Policy and haven't made a claim, You can cancel it within 21 days of the start or renewal date and We'll give You a full refund. If You cancel Your Policy in these circumstances, You will have no cover under the Policy.

To cancel Your Policy within the cooling off period, contact Us in writing or by email.

This cooling off right does not apply if You have made or are entitled to make a claim.

We will not deny liability for a claim, or reduce the amount thereof, if Our right of denial or reduction is solely caused by an act, error or omission of Your Body Corporate Manager/Agent while acting on Your behalf.

#### 2. Tell Us when these things change

You must tell Us as soon as reasonably possible if any of the information noted below has changed:

- You are carrying out construction works, alterations or additions that exceed \$500,000; or
- You have cranes, hoists or similar attached to the Insured Property or at the Situation; or
- there is a change in the percentage of floor space used for commercial purposes; or
- Your building becomes subject to a Building Rectification Order, Fire Order or any other Order issued by a statutory body.

If You don't tell Us, We may reduce or refuse to pay a claim.

When You tell Us about something that has changed or request a change to Your Policy, We will assess the change to the risk in accordance with Our underwriting rules and processes.

#### Changes to Your cover

If You request any change to cover (e.g. You choose to add a Policy or You increase the Sum(s) Insured) then, if We agree to the change, We will issue a new Schedule and ask You for any additional Premium. If an additional Premium is required, the change will only be effective when:

- if You're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional Premium;

or

- You have paid the additional Premium by the due date We give to You.

If You don't pay the additional Premium by the due date then We will make reasonable efforts to contact You using the latest contact details You provided Us. If We don't receive payment of the additional Premium owed, the change will not be effective and We will confirm this by issuing a replacement Schedule.

If You request any change to cover and We don't agree to the change, then We will let You know and the Policy will continue unchanged.

### Changes to Your circumstances

Contact Us to discuss potential changes in circumstances when You know the details of the timing and nature of the changes before they happen, to find out in advance whether We will be able to continue to insure You.

If You tell Us about any of the following changes then We will cancel Your Policy and refund any unused portion of the Premium:

- You are carrying out construction works, alterations or additions that exceed \$500,000 that are unacceptable under Our underwriting rules and processes; or
- You have cranes, hoists or similar attached to the Insured Property or at the Situation.

If there is a change in the percentage of floor space used for commercial purposes, We may need to cancel Your Policy and replace it with another policy.

If You tell Us about any other change, We will consider it under Our underwriting rules and processes at the time.

### 3. Cancellation - how Your Policy may be cancelled

#### Cancellation by You

You may cancel this Policy at any time by telling Us in writing. We will retain a portion of Premium which relates to the period for which You have been insured together with any non-refundable government taxes or charges, or CHU administration fees.

#### Cancellation by Us

We may cancel this Policy at any time as allowed by law by notifying You in writing of the date from which cancellation is to take effect. Notification will be delivered to the address last notified to Us and cancellation will take effect no earlier than 4.00pm on the date set out in the cancellation notice unless the Policy was in force by virtue of Section 58 of the Insurance Contracts Act 1984 (Cth), whereby the cancellation will take effect from the fourteenth business day after the day on which notice was given to You.

### 4. Goods and Services Tax – how it affects any payments We make

The amount of Premium payable by You for this Policy includes an amount on account of the Goods and Services Tax (GST) on the Premium.

When We pay a claim, Your GST status will determine the amount We pay. When You are:

- a. not registered for GST We will pay up to the Sum Insured, Limit of Liability or other Policy limit including GST.

- b. registered for GST:

- i. and We settle direct with the builder, repairer or supplier We will pay up to the Sum Insured, Limit of Liability or other Policy limit including GST; or
- ii. when We settle direct with You We will pay up to the Sum Insured, Limit of Liability or other Policy limit and
- iii. where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim We will pay for the GST amount but We will reduce the GST amount We pay by the amount of any Input Tax Credits to which You are or would be entitled.

In these circumstances, the Input Tax Credit may be claimable through Your Business Activity Statement (BAS).

You must advise Us of Your correct Australian Business Number & Taxable Percentage. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the Sum Insured or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 (Cth) and related legislation as amended from time to time. Taxable Percentage is Your entitlement to an Input Tax Credit on Your Premium as a percentage of the total GST on that Premium.

There may be other taxation implications affecting You, depending upon Your own circumstances. We recommend that You seek professional advice.

### 5. Joint insureds

When there is more than one insured on Your Policy, We may treat each as a separate and distinct party. The words You, Your, Yours may apply to each party in the same manner as if a separate Policy had been issued to each party, provided Our liability for any Sum Insured, Limit of Liability or other Policy limit for any one Event or Occurrence is not thereby increased. We may treat what any one insured says or does in relation to Your Policy or any claim under it, as said or done by each of the insureds. We may rely on a request from one insured to change or cancel Your Policy or tell Us where a claim payment should be paid. Any act, breach or non-compliance with the terms and conditions of this Policy committed by any one such party shall not be prejudicial to the rights and entitlements of the other insured party(ies), provided that the other insured party(ies) upon becoming aware of any such act, breach or non-compliance which increases the risk of loss, Damage or liability give Us written notice within a reasonable time.

### 6. Excess

You must pay or contribute the amount of any Excess shown in the Policy or in the Schedule for each claim made. Payment of any Excess shown in this Policy or in the Schedule for each claim made may be requested from You when the claim is lodged, or may be deducted from Our payment.

Should more than one Excess be payable for any claim arising from the one Event, such Excesses will not be aggregated and the highest single level of Excess only will apply.

For earthquake or seismological disturbance, where loss or Damage occurs during any one period of 72 consecutive hours, the Excess is \$500, or the Excess amount shown in the Policy Schedule, whichever is greater.

## 7. Reinstatement of Sum Insured

If You have suffered loss that was not covered by the Policy as a result of the incident, We may offer to attempt to recover this. You may also specifically ask Us to recover this for You.

You will need to give Us documents supporting Your loss. Before We include any uninsured loss in the recovery action We will also ask You to agree to the basis on which We will handle Your recovery action.
