IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. **EXCEPT** in the circumstances listed in paragraph 3, the purchaser may rescind the contract at any time before 5 pm on—
 - (a) the tenth business day after the day on which the contract was made—in the case of an off the plan contract, or
 - (b) the fifth business day after the day on which the contract was made—in any other case.
3. There is **NO COOLING OFF PERIOD**:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

APA Group Australian Taxation Office Council County Council Department of Planning, Industry and Environment Department of Primary Industries Electricity and gas Land & Housing Corporation Local Land Services	NSW Department of Education NSW Fair Trading Owner of adjoining land Privacy Public Works Advisory Subsidence Advisory NSW Telecommunications Transport for NSW Water, sewerage or drainage authority
--	---

If you think that any of these matters affects the property, tell your solicitor.
2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
6. The purchaser will usually have to pay transfer duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.
7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
8. The purchaser should arrange insurance as appropriate.
9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

- 7.2.2 the amount held is to be invested in accordance with clause 2.9;
- 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);

- 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

- 8.1 The vendor can *rescind* if –
- 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;
- 8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and

- 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).
- 10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.
- 10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).
- 11 Compliance with work orders**
- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.
- 12 Certificates and inspections**
- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –
- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for –
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.
- 13 Goods and services tax (GST)**
- 13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
- 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
- 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
- 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
- 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
- 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
- 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.

- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –
- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, serve evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
- 13.13.2 produce on completion a *settlement cheque* for the *GSTRW payment* payable to the Deputy Commissioner of Taxation;
- 13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
- 13.13.4 serve evidence of receipt of payment of the *GSTRW payment* and a copy of the settlement date confirmation form submitted to the Australian Taxation Office.
- 14 Adjustments**
- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.

- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

 16.3 *Normally*, on completion the vendor must cause the legal title to the *property* (being an estate in fee simple) to pass to the purchaser free of any mortgage or other interest, subject to any necessary registration.
 16.4 The legal title to the *property* does not pass before completion.
 16.5 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser.
 16.6 If a *party* serves a land tax certificate showing a charge on any of the land, by completion the vendor must do all things and pay all money required so that the charge is no longer effective against the land.

 16.7.2 any other amount payable by the purchaser under this contract.
 16.8 If the vendor requires more than 5 *settlement cheques*, the vendor must pay \$10 for each extra *cheque*.

 16.10 On completion the deposit belongs to the vendor.
 • **Place for completion**
 16.11 *Normally*, the *parties* must complete at the completion address, which is –
 16.11.1 if a special completion address is stated in this contract - that address; or

- 18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.

- 47.9 The Guarantors waive any right they have of first requiring the Vendor to proceed against or enforce any other right against the Purchaser or any other person including another of the Guarantors, before making any claim against the Guarantors under this Guarantee and Indemnity.
- 47.10 The liabilities of the Guarantors under this Guarantee and Indemnity of the Guarantors whether as guarantors or as principles are not affected by anything which might otherwise affect them at law or in equity including, without limitation, one or more of the following:
- 47.10.1 The Vendor or other person granting time or other indulgence to, compounding or compromising with or releasing the Purchaser; or

47.10.2 Acquiescence, delay, acts, omissions or mistakes on the part of the Vendor; or

47.10.3 Any variation or novation of a right of the Vendor, or alteration of this Contract or document, in respect of the Purchaser.

47.11 As long as any monies payable under this Guarantee and Indemnity remain unpaid the Guarantors may not, without the consent of the Vendor:

47.11.1 Make claim or enforce a right against the Purchaser or its property; or

47.11.2 Prove in competition with the Vendor in any bankruptcy or liquidation of the Purchaser.

47.12 The Guarantors represent and warrant that:

47.12.1 Their obligations under the Guarantee and Indemnity are valid and binding;

47.12.2 They do not enter into this Guarantee and Indemnity in the capacity of a trustee of any trust or settlement;

47.12.3 They are natural persons over the age of 18 years; and

47.12.4 They are directors of or substantial shareholders of the Purchaser.

47.13 This Clause is an essential term of this Contract.

48. Limitation of Trustee's Liability

The Purchaser agrees and acknowledges that the Vendors have entered into this Contract as Executors of the Estate of the late Salvatrice Elizabeth Miceli ("the Executors") and in no other capacity, and do so on the following basis:-

48.1 The Purchaser acknowledges that the obligations are incurred by the Executors solely in their capacity as Executors and that the Executors will cease to have any obligation under this Contract if the Executors cease for any reason to be Executors.

48.2 The Executors will not be liable to pay or satisfy any obligations except out of the assets from which they are entitled to be indemnified in respect of any liability incurred by them as Executors.

- 48.3 The Purchaser may enforce its rights against the Executors in respect of the obligations only to the extent of the Executors' right of indemnity out of the assets of the Estate.
- 48.4 If the Purchaser does not receive all money owing to it arising in respect of the obligations it may not seek to recover the shortfall by bringing proceedings against the Executors in their personal capacity.
- 48.5 The Purchaser acknowledges that the whole of this Contract is subject to this clause 48 and the Executors shall in no circumstances be required to satisfy any liability of the Vendors arising under, or for breach of any obligation under or in respect of, this Contract out of any funds, property or assets other than the assets of the Estate under the Executors' control and in their possession, as and when they are available to the Vendors to be applied in exoneration from such liability PROVIDED THAT if the liability of the Executors is not fully satisfied out of the assets of the Estate as referred to in this clause the Executors will be liable to pay out of their own funds, property and assets the unsatisfied amount of that liability but only to the extent of the total amount, if any, by which the assets of the Estate have been reduced by reason of fraud, negligence or breach of trust by the Executors in the performance of the Executors' duties as Executors of the Estate.
- 48.6 In this clause the "obligations" means all obligations and liabilities of whatever kind undertaken or incurred by, or devolving upon, the Executors under or in respect of this Contract and "assets" include all assets, property and rights, real or personal of any value whatsoever.

49. Distribution of Estate

The Purchaser acknowledges that the Vendors as Executors of the Estate of the late Salvatrice Elizabeth Miceli, intend to distribute the proceeds of the sale to the beneficiaries of the Estate as soon as possible after completion, and that in order to do so, the Vendors wish to be satisfied that there are no claims or potential claims against the corpus of the Estate directly or indirectly arising out of this Contract or concerning the Property. The Purchaser shall, by notice in writing, advise the Vendors of any claim or potential claim at law or in equity, directly or indirectly arising out of or relating to this Contract (whether pursuant to its terms or by reason of any breach, or non-performance) or concerning the Property not later than 24 hours prior to settlement. The Purchaser acknowledges this is reasonable, in view of the due diligence process undertaken by it. If the Purchaser fails to notify the Vendors of any claim or potential claim as above, the Purchaser shall be deemed to have released the Vendors from any such claim or potential claim that may have existed, alternatively shall be deemed to have represented to the Vendors that there is not such claim or potential claim, and the Vendors may rely upon this clause following completion in making a distribution of the proceeds of sale to the beneficiaries of the Estate.

50 As is, where is Sale of Property

- 50.1 Notwithstanding anything else contained in this contract, the Property is sold and will be accepted by the Purchaser in an "as is, where is" condition (with all faults and/or defects and condition) as at completion and on the Completion Date. No warranty is given as to the condition of the Property as at completion or on the Completion Date.

51. Disclosure

51. Notwithstanding the provisions of this Contract and the Vendor disclosure and warranty statutory provisions, the Purchaser acknowledges and agrees with the Vendors that the Vendors disclose that:-

- 51.1 Part of the improvements built on the land consists of:-

- 51.1.1 a fourth bedroom and utility room which have been built in what was originally the garage.

- 51.2 The Vendors do not know whether or not the improvements as described above and the use thereof have been approved by Northern Beaches Council.

- 51.3 The Purchaser agrees that he shall not raise any requisition, objection, claim for compensation or attempt to delay completion or withhold any purchase monies or rescind or terminate this Contract as a result of any matter referred to, in or arising out of this Additional Clause 51.

52. Inclusions

- 52.1 The parties acknowledge and agree that the list of inclusions in or on any improvements on the property is as stated or described in this contract, collectively defined as inclusions. The inclusions are included in the purchase price on the front page of this contract.

- 52.2 The purchaser acknowledges and agrees that it has inspected all the inclusions prior to the date of this contract and purchases the inclusions in their current state and condition and repair and subject to all defects both latent and patent.

- 52.3 The vendors give no warranty as to the state of repair or condition of the inclusions and no such warranty shall be delivered or implied from any maps, plans, advertisements, brochures, information or representations made or furnished by the vendors or its agent or any other person other than as set out in this contract.

- 52.4 The vendors shall not be responsible for any mechanical breakdown of any plant or equipment listed in the inclusions passing with the purchase of the property

and the purchaser shall accept any such plant and equipment in its condition at the completion date, provided that the vendor shall not permit any of the items of plant and equipment to deteriorate or fall into a state of disrepair other than as a consequence of reasonable wear and tear and provided further that the vendors shall not be required to replace any of the items so listed between the date of this contract and the completion date.

- 52.5 The purchaser is not entitled to make any objection, requisitions, or claim for compensation, nor will the purchaser be entitled to rescind or terminate or refuse to complete this contract or to delay completion of this contract as a result of anything contained in this Additional Clause 52.
