NOTES

This form is appropriate to a change of by-laws pursuant to sections 58 (2), 58 (11) or clause 15 of Schedule 4 of the Strata Titles Act, 1974.

1. *A change of by-law pursuant to section 58 (2) of the Act is one which does not create rights of exclusive use and enjoyment of, or special privileges in respect of, common property.*
2. *A change of by-law pursuant to section 58 (11) of the Act is one which changes the terms of an order of a Strata Titles Board having the effect of a by-law.*
3. *A change of by-law pursuant to clause 15 of Schedule 4 of the Act is one which confirms rights of exclusive use and enjoyment of, or special privileges in respect of, common property where such rights were in existence (either pursuant to a resolution of the body corporate or a former by-law) prior to 1st July, 1974. The new by-law must indicate how it may be amended, added to or repealed.*
4. *The Registrar General does not require the lodgment of a plan for the purpose of the allocation of rights of exclusive use and enjoyment of, or special privileges in respect of, common property unless it is referred to as an annexure in the by-law; in which case the plan must comply with regulation 37 (2) (d), (e) and (f) of the Real Property Act Regulations, 1970.*
5. *In cases referred to in note 3 the Registrar General will provide (on payment of a service charge) a copy of any plan which accompanied a notification of change of by-law registered under the Conveyancing (Strata Titles) Act, 1961 for identification as an annexure to this instrument.*

8. *Amendment of a by-law should be effected by fully repealing the existing by-law, and by then substituting a new by-law in the terms required. For example, in order to implement a special resolution by a body corporate that a notice-board should not be affixed in accordance with by-law 3 but should be maintained in the secretary's office, and should be available for inspection between 9 a.m. and 5 p.m., the following would be appropriate:*

Additional Information:

- a. Certain development may require further consideration under section 79BA or section 91 of the Environmental Planning and Assessment Act 1979, and section 100B of the Rural Fires Act, 1997 with respect to bushfire matters. Contact NSW Rural Fire Service.
- b. Many Aboriginal objects are found within the Local Government Area of Warringah. It is prudent for the purchaser of land within such area to make enquiry of the Director-General of National Parks and Wildlife whether he/she is aware of any Aboriginal objects on the subject land or whether the land has been declared as an Aboriginal place under the National Parks and Wildlife Act 1974 (NSW). Such Director-General has wide powers to prevent the carrying out of work on land which is likely to significantly affect an Aboriginal object or Aboriginal place.
- c. Information available to Council indicates properties within the catchments of Dee Why CBD, Manly Lagoon and Middle Creek may be flood affected. This includes the suburbs of Narraweena, Dee Why, Cromer, Ingleside, Brookvale and Oxford Falls. Council's Natural Environment Unit can be contacted for further information.
- d. Information available to Council indicates coastal erosion may affect a greater number of properties and may present an increased risk to properties than that shown on published hazard maps of the Warringah coastline. Council's Natural Environment Unit can be contacted for further information.

The advice above is provided in good faith and the Council shall not incur any liability in respect of any such advice.

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the Environmental Planning and Assessment Act 1979. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

- 3.3 The vendor's *solicitor* will use the vendor duty cheque for the sole purpose of payment of the *vendor duty* relating to this transaction.

- 10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;
- 10.1.2 a *service* for the *property* being a joint *service* or passing through another *property*, or any *service* for another *property* passing through the *property* ('*service*' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water *service*);
- 10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;
- 10.1.4 any change in the *property* due to fair wear and tear before completion;
- 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
- 10.1.6 a condition, exception, reservation or restriction in a Crown grant;
- 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
- 10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
- 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage or writ).
- 10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.
- 10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant -
- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for -
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

- 13.1 In this clause, enterprise, input tax credit, margin scheme, supply of a going concern, tax invoice and taxable supply have the same meanings as in the *GST Act*.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment, pay an expense of another party or pay an amount payable by or to a third party (for example, under clauses 14 or 20.7) -
- 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the amount; but
- 13.3.2 if this contract says this sale is a taxable supply, and payment would entitle the *party* to an input tax credit, the adjustment or payment is to be worked out by deducting any input tax credit to which the party receiving the adjustment is or was entitled and adding the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern -
- 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
- 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
- 13.4.3 if the purchaser is not registered by the completion date, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows:
- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the parties agree that the margin scheme is to apply to the sale of the property.
- 13.7 If this contract says the sale is not a taxable supply -
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of -
- a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if -
- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent -
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

14 Adjustments

- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must adjust land tax for the year current at the *adjustment date* -
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year -
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so -
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Completion date

The *parties* must complete by the completion date and, if they do not, a *party* can serve a notice to complete if that *party* is otherwise entitled to do so.

16 Completion**• Vendor**

- 16.1 On completion the vendor must give the purchaser any *document of title* that relates only to the *property*.
- 16.2 If on completion the vendor has possession or control of a *document of title* that relates also to other property, the vendor must produce it as and where necessary.
- 16.3 *Normally*, on completion the vendor must cause the legal title to the *property* (being an estate in fee simple) to pass to the purchaser free of any mortgage or other interest, subject to any necessary registration.
- 16.4 The legal title to the *property* does not pass before completion.
- 16.5 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser, plus another 20% of that fee.
- 16.6 If the purchaser *serves* a land tax certificate showing a charge on any of the land, on completion the vendor must give the purchaser a land tax certificate showing the charge is no longer effective against the land.

• Purchaser

- 16.7 On completion the purchaser must pay to the vendor, by cash (up to \$2,000) or *settlement cheque*, the price (less any deposit paid) and any other amount payable by the purchaser under this contract (less any amount payable by the vendor to the purchaser under this contract).
- 16.8 If the vendor requires more than 5 *settlement cheques*, the vendor must pay \$10 for each extra *cheque*.
- 16.9 If any of the deposit is not covered by a bond or guarantee, on completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit.
- 16.10 On completion the deposit belongs to the vendor.

• Place for completion

- 16.11 *Normally*, the *parties* must complete at the completion address, which is -
- 16.11.1 if a special completion address is stated in this contract - that address; or
- 16.11.2 if none is stated, but a first mortgagee is disclosed in this contract and the mortgagee would usually discharge the mortgage at a particular place - that place; or
- 16.11.3 in any other case - the vendor's *solicitor's* address stated in this contract.
- 16.12 The vendor by reasonable notice can require completion at another place, if it is in NSW, but the vendor must pay the purchaser's additional expenses, including any agency or mortgagee fee.
- 16.13 If the purchaser requests completion at a place that is not the completion address, and the vendor agrees, the purchaser must pay the vendor's additional expenses, including any agency or mortgagee fee.

17 Possession

- 17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.
- 17.2 The vendor does not have to give vacant possession if -

- 17.2.1 this contract says that the sale is subject to existing tenancies; and
 17.2.2 the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).
- 17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Part 2, 3, 4 or 5 Landlord and Tenant (Amendment) Act 1948).
- 18 Possession before completion**
- 18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.
- 18.2 The purchaser must not before completion -
 18.2.1 let or part with possession of any of the *property*;
 18.2.2 make any change or structural alteration or addition to the *property*; or
 18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.
- 18.3 The purchaser must until completion -
 18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and
 18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.
- 18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
- 18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor -
 18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and
 18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate mentioned in Schedule J of the Supreme Court Rules 1970.
- 18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.
- 18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.
- 19 Rescission of contract**
- 19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right -
 19.1.1 only by *servicing* a notice before completion; and
 19.1.2 in spite of any making of a claim or *requisition*, any attempt to satisfy a claim or *requisition*, any arbitration, litigation, mediation or negotiation or any giving or taking of possession.
- 19.2 *Normally*, if a *party* exercises a right to *rescind* expressly given by this contract or any *legislation* -
 19.2.1 the deposit and any other money paid by the purchaser under this contract must be refunded;
 19.2.2 a *party* can claim for a reasonable adjustment if the purchaser has been in possession;
 19.2.3 a *party* can claim for damages, costs or expenses arising out of a breach of this contract; and
 19.2.4 a *party* will not otherwise be liable to pay the other *party* any damages, costs or expenses.
- 20 Miscellaneous**
- 20.1 The *parties* acknowledge that anything stated in this contract to be attached was attached to this contract by the vendor before the purchaser signed it and is part of this contract.
- 20.2 Anything attached to this contract is part of this contract.
- 20.3 An area, bearing or dimension in this contract is only approximate.
- 20.4 If a *party* consists of 2 or more persons, this contract benefits and binds them separately and together.
- 20.5 A *party's solicitor* can receive any amount payable to the *party* under this contract or direct in writing that it is to be paid to another person.
- 20.6 A document under or relating to this contract is -
 20.6.1 signed by a *party* if it is signed by the *party* or the *party's solicitor* (apart from a direction under clause 4.3);
 20.6.2 served if it is served by the *party* or the *party's solicitor*;
 20.6.3 served if it is served on the *party's solicitor*, even if the *party* has died or any of them has died;
 20.6.4 served if it is served in any manner provided in s170 of the Conveyancing Act 1919;
 20.6.5 served if it is sent by fax to the *party's solicitor*, unless it is not received;
 20.6.6 served on a person if it (or a copy of it) comes into the possession of the person; and
 20.6.7 served at the earliest time it is served, if it is served more than once.
- 20.7 An obligation to pay an expense of another *party* of doing something is an obligation to pay -
 20.7.1 if the *party* does the thing personally - the reasonable cost of getting someone else to do it; or
 20.7.2 if the *party* pays someone else to do the thing - the amount paid, to the extent it is reasonable.
- 20.8 Rights under clauses 11, 13, 14, and 17 continue after completion, whether or not other rights continue.
- 20.9 The vendor does not promise, represent or state that the purchaser has any cooling off rights.
- 20.10 The vendor does not promise, represent or state that any attached survey report is accurate or current.
- 20.11 A reference to any *legislation* includes a reference to any corresponding later *legislation*.
- 20.12 Each *party* must do whatever is necessary after completion to carry out the *party's* obligations under this contract.
- 20.13 Neither taking possession nor *servicing* a transfer of itself implies acceptance of the *property* or the title.
- 20.14 The details and information provided in this contract (for example, on page 1) are, to the extent of each *party's* knowledge, true, and are part of this contract.
- 20.15 Where this contract provides for choices, a choice in BLOCK CAPITALS applies unless a different choice is marked.
- 21 Time limits in these provisions**
- 21.1 If the time for something to be done or to happen is not stated in these provisions, it is a reasonable time.
- 21.2 If there are conflicting times for something to be done or to happen, the latest of those times applies.

- 21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.
- 21.4 If the time for something to be done or to happen is the 29th, 30th or 31st day of a month, and the day does not exist, the time is instead the last day of the month.
- 21.5 If the time for something to be done or to happen is a day that is not a *business day*, the time is extended to the next *business day*, except in the case of clause 2 (deposit).
- 21.6 *Normally*, the time by which something must be done is fixed but not essential.
- 22 Foreign Acquisitions and Takeovers Act 1975**
- 22.1 The purchaser promises that the Commonwealth Treasurer cannot prohibit and has not prohibited the transfer under the Foreign Acquisitions and Takeovers Act 1975.
- 22.2 This promise is essential and a breach of it entitles the vendor to *terminate*.
- 23 Strata or community title**
- 23.1 This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).
- 23.2 In this contract -
 'change', in relation to a scheme, means -
- a registered or registrable change from by-laws set out in this contract or set out in *legislation* and specified in this contract;
 - a change from a development or management contract or statement set out in this contract; or
 - a change in the boundaries of common property;
- 'common property' includes association property for the scheme or any higher scheme;
 'contribution' includes an amount payable under a by-law;
 'normal expenses', in relation to an owners corporation for a scheme, means normal operating expenses usually payable from the administrative fund of an owners corporation for a scheme of the same kind;
 'owners corporation' means the owners corporation or the association for the scheme or any higher scheme;
 'the *property*' includes any interest in common property for the scheme associated with the lot;
 'special expenses', in relation to an owners corporation, means its actual, contingent or expected expenses, except to the extent they are normal expenses, due to fair wear and tear, disclosed in this contract or covered by moneys held in the sinking fund.
- 23.3 Clauses 11, 14.8 and 18.4 do not apply to an obligation of the owners corporation, or to property insurable by it.
- 23.4 Clauses 14.4.2 and 14.5 apply but on a unit entitlement basis instead of an area basis.
- 23.5 The *parties* must adjust under clause 14.1 -
- 23.5.1 a regular periodic contribution;
- 23.5.2 a contribution which is not a regular periodic contribution but is disclosed in this contract; and
- 23.5.3 on a unit entitlement basis, any amount paid by the vendor for a normal expense of the owners corporation to the extent the owners corporation has not paid the amount to the vendor.
- 23.6 If a contribution is not a regular periodic contribution and is not disclosed in this contract -
- 23.6.1 the vendor is liable for it if it was levied before the contract date (unless it relates to work not started by that date), even if it is payable by instalments;
- 23.6.2 the vendor is also liable for it to the extent it relates to work started by the owners corporation before the contract date; and
- 23.6.3 the purchaser is liable for all other contributions levied after the *contract date*.
- 23.7 The vendor must pay or allow to the purchaser on completion the amount of any unpaid contributions for which the vendor is liable under clause 23.6.
- 23.8 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of -
- 23.8.1 an existing or future actual, contingent or expected expense of the owners corporation;
- 23.8.2 a proportional unit entitlement of the lot or a relevant lot or former lot, apart from a claim under clause 6; or
- 23.8.3 a past or future change in the scheme or a higher scheme.
- 23.9 However, the purchaser can *rescind* if -
- 23.9.1 the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;
- 23.9.2 in the case of the lot or a relevant lot or former lot in a higher scheme -
- a proportional unit entitlement for the lot is not disclosed in this contract; or
 - a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion; or
- 23.9.3 a change before the contract date or before completion in the scheme or a higher scheme substantially disadvantages the purchaser and is not disclosed in this contract.
- 23.10 The purchaser must give the vendor 2 copies of a proper form of notice of the transfer of the lot addressed to the owners corporation and signed by the purchaser.
- 23.11 The vendor must complete and sign 1 copy of the notice and give it to the purchaser on completion.
- 23.12 Each *party* can sign and give the notice as agent for the other.
- 23.13 The vendor must *serve* a certificate under section 109 Strata Schemes Management Act 1996 or section 26 Community Land Management Act 1989 in relation to the lot, the scheme or any higher scheme at least 7 days before the completion date.

- 23.14 The purchaser does not have to complete earlier than 7 days after *service* of the certificate and clause 21.3 does not apply to this provision.
- 23.15 On completion the purchaser must pay the vendor the prescribed fee for the certificate.
- 23.16 The vendor authorises the purchaser to apply for the purchaser's own certificate.
- 23.17 The vendor authorises the purchaser to apply for and make an inspection of any record or other document in the custody or control of the owners corporation or relating to the scheme or any higher scheme.
- 23.18 If a general meeting of the owners corporation is convened before completion -
- 23.18.1 if the vendor receives notice of it, the vendor must immediately notify the purchaser of it; and
- 23.18.2 the purchaser can require the vendor to appoint the purchaser (or the purchaser's nominee) to exercise any voting rights of the vendor in respect of the lot at the meeting.

24 Tenancies

- 24.1 If a tenant has not made a payment for a period preceding or current at the *adjustment date* -
- 24.1.1 for the purposes of clause 14.2, the amount is to be treated as if it were paid; and
- 24.1.2 the purchaser assigns the debt to the vendor on completion and will if required give a further assignment at the vendor's expense.
- 24.2 If a tenant has paid in advance of the *adjustment date* any periodic payment in addition to rent, it must be adjusted as if it were rent for the period to which it relates.
- 24.3 If the *property* is to be subject to a tenancy on completion or is subject to a tenancy on completion -
- 24.3.1 the vendor authorises the purchaser to have any accounting records relating to the tenancy inspected and audited and to have any other document relating to the tenancy inspected;
- 24.3.2 the vendor must *serve* any information about the tenancy reasonably requested by the purchaser before or after completion; and
- 24.3.3 *normally*, the purchaser can claim compensation (before or after completion) if -
- any of Parts 2 to 7 of the Retail Leases Act 1994 applies to the tenancy, unless this contract discloses that the tenancy commenced on or after 1 August 1994;
 - a disclosure statement required by the Act was not given when required;
 - such a statement contained information that was materially false or misleading;
 - a provision of the lease is not enforceable because of a non-disclosure in such a statement; or
 - the lease was entered into in contravention of the Act.
- 24.4 If the *property* is subject to a tenancy on completion -
- 24.4.1 the vendor must allow or transfer -
- any remaining bond money or any other security against the tenant's default (to the extent the security is transferable);
 - any money in a fund established under the lease for a purpose and compensation for any money in the fund or interest earned by the fund that has been applied for any other purpose;
 - any money paid by the tenant for a purpose that has not been applied for that purpose and compensation for any of the money that has been applied for any other purpose; and
- 24.4.2 if the security is not transferable, each *party* must do everything reasonable to cause a replacement security to issue for the benefit of the purchaser and the vendor must hold the original security on trust for the benefit of the purchaser until the replacement security issues;
- 24.4.3 the vendor must give to the purchaser -
- a proper notice of the transfer addressed to the tenant;
 - any certificate given under the Retail Leases Act 1994 in relation to the tenancy;
 - a copy of any disclosure statement given to the tenant under the Retail Leases Act 1994;
 - a copy of any document served on the tenant under the lease and written details of its service, if the document concerns the rights of the landlord or the tenant after completion; and
 - any document served by the tenant under the lease and written details of its service, if the document concerns the rights of the landlord or the tenant after completion;
- 24.4.4 the vendor must comply with any obligation to the tenant under the lease, to the extent it is to be complied with by completion; and
- 24.4.5 the purchaser must comply with any obligation to the tenant under the lease, to the extent that the obligation is disclosed in this contract and is to be complied with after completion.
- 24.5 Rights under this clause continue after completion, whether or not other rights continue.

25 Qualified title, limited title and old system title

- 25.1 This clause applies only if the land (or part of it) -
 25.1.1 is under qualified, limited or old system title; or
 25.1.2 on completion is to be under one of those titles.
- 25.2 The vendor must *serve* a proper abstract of title *within 7 days after the contract date*.
- 25.3 If an abstract of title or part of an abstract of title is attached to this contract or has been lent by the vendor to the purchaser before the contract date, the abstract or part is *served* on the contract date.
- 25.4 An abstract of title can be or include a list of documents, events and facts arranged (apart from a will or codicil) in date order, if the list in respect of each document -
 25.4.1 shows its date, general nature, names of parties and any registration number; and
 25.4.2 has attached a legible photocopy of it or of an official or registration copy of it.
- 25.5 An abstract of title -
 25.5.1 must start with a good root of title (if the good root of title must be at least 30 years old, this means 30 years old at the contract date);
 25.5.2 in the case of a leasehold interest, must include an abstract of the lease and any higher lease;
 25.5.3 *normally*, need not include a Crown grant; and
 25.5.4 need not include anything evidenced by the Register kept under the Real Property Act 1900.
- 25.6 In the case of land under old system title -
 25.6.1 in this contract 'transfer' means conveyance;
 25.6.2 the purchaser does not have to *serve* the form of transfer until after the vendor has *served* a proper abstract of title; and
 25.6.3 each vendor must give proper covenants for title as regards that vendor's interest.
- 25.7 In the case of land under limited title but not under qualified title -
 25.7.1 *normally*, the abstract of title need not include any document which does not show the location, area or dimensions of the land (for example, by including a metes and bounds description or a plan of the land);
 25.7.2 clause 25.7.1 does not apply to a document which is the good root of title; and
 25.7.3 the vendor does not have to provide an abstract if this contract contains a delimitation plan (whether in registrable form or not).
- 25.8 The vendor must give a proper covenant to produce where relevant.
- 25.9 The vendor does not have to produce or covenant to produce a document that is not in the possession of the vendor or a mortgagee.
- 25.10 If the vendor is unable to produce an original document in the chain of title, the purchaser will accept a photocopy from the Registrar General of the registration copy of that document.

26 Crown purchase money

- 26.1 This clause applies only if purchase money is payable to the Crown, whether or not due for payment.
- 26.2 The vendor is liable for the money, except to the extent this contract says the purchaser is liable for it.
- 26.3 To the extent the vendor is liable for it, the vendor is liable for any interest until completion.
- 26.4 To the extent the purchaser is liable for it, the *parties* must adjust any interest under clause 14.1.

27 Consent to transfer
