Due diligence checklist

What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](http://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

Urban living

Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

Growth areas

Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

Flood and fire risk

Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

Rural properties

Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?

Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

Soil and groundwater contamination

Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

(04/10/2016)

Land boundaries

Do you know the exact boundary of the property?

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

Planning controls

Can you change how the property is used, or the buildings on it?

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

Are there any proposed or granted planning permits?

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

Safety

Is the building safe to live in?

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

Building permits

Have any buildings or retaining walls on the property been altered, or do you plan to alter them?

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

Are any recent building or renovation works covered by insurance?

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

Utilities and essential services

Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

Buyers' rights

Do you know your rights when buying a property?

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.

Notes to Certificate - Land Tax

Certificate No: 79211882

Power to issue Certificate

1. Pursuant to section 95AA of the *Taxation Administration Act 1997*, the Commissioner of State Revenue must issue a Property Clearance Certificate (Certificate) to an owner, mortgagee or bona fide purchaser of land who makes an application specifying the land for which the Certificate is sought and pays the application fee.

Amount shown on Certificate

2. The Certificate shows any land tax (including Vacant Residential Land Tax, interest and penalty tax) that is due and unpaid on the land described in the Certificate at the date of issue. In addition, it may show:
- Land tax that has been assessed but is not yet due,
 - Land tax for the current tax year that has not yet been assessed, and
 - Any other information that the Commissioner sees fit to include, such as the amount of land tax applicable to the land on a single holding basis and other debts with respect to the property payable to the Commissioner.

Land tax is a first charge on land

3. Unpaid land tax (including Vacant Residential Land Tax, interest and penalty tax) is a first charge on the land to which it relates. This means it has priority over any other encumbrances on the land, such as a mortgage, and will continue as a charge even if ownership of the land is transferred. Therefore, a purchaser may become liable for any such unpaid land tax.

Information for the purchaser

4. Pursuant to section 96 of the *Land Tax Act 2005*, if a purchaser of the land described in the Certificate has applied for and obtained a certificate, the amount recoverable from the purchaser by the Commissioner cannot exceed the amount set out in the certificate, described as the "Current Land Tax Charge" overleaf. A purchaser cannot rely on a Certificate obtained by the vendor.

Information for the vendor

5. Despite the issue of a Certificate, the Commissioner may recover a land tax liability from a vendor, including any amount identified on this Certificate.

Apportioning or passing on land tax to a purchaser

6. A vendor is prohibited from apportioning or passing on land tax to a purchaser under a contract of sale of land entered into on or after 1 January 2024, where the purchase price is less than \$10 million (to be indexed annually from 1 January 2025, as set out on the website for Consumer Affairs Victoria).

General information

7. A Certificate showing no liability for the land does not mean that the land is exempt from land tax. It means that there is nothing to pay at the date of the Certificate.
8. An updated Certificate may be requested free of charge via our website, if:
- The request is within 90 days of the original Certificate's issue date, and
 - There is no change to the parties involved in the transaction for which the Certificate was originally requested.

Notes to Certificate - Commercial and Industrial Property Tax

Certificate No: 79211882

Power to issue Certificate

1. Pursuant to section 95AA of the *Taxation Administration Act 1997*, the Commissioner of State Revenue must issue a Property Clearance Certificate (Certificate) to an owner, mortgagee or bona fide purchaser of land who makes an application specifying the land for which the Certificate is sought and pays the application fee.

Amount shown on Certificate

2. The Certificate shows any commercial and industrial property tax (including interest and penalty tax) that is due and unpaid on the land described in the Certificate at the date of issue.

Australian Valuation Property Classification Code (AVPCC)

3. The Certificate may show one or more AVPCC in respect of land described in the Certificate. The AVPCC shown on the Certificate is the AVPCC allocated to the land in the most recent of the following valuation(s) of the land under the *Valuation of Land Act 1960*:
 - a general valuation of the land;
 - a supplementary valuation of the land returned after the general valuation.
4. The AVPCC(s) shown in respect of land described on the Certificate can be relevant to determine if the land has a qualifying use, within the meaning given by section 4 of the *Commercial and Industrial Property Tax Reform Act 2024* (CIPT Act). Section 4 of the CIPT Act Land provides that land will have a qualifying use if:
 - the land has been allocated one, or more than one, AVPCC in the latest valuation, all of which are in the range 200-499 and/or 600-699 in the Valuation Best Practice Specifications Guidelines (the requisite range);
 - the land has been allocated more than one AVPCC in the latest valuation, one or more of which are inside the requisite range and one or more of which are outside the requisite range, and the land is used solely or primarily for a use described in an AVPCC in the requisite range; or
 - the land is used solely or primarily as eligible student accommodation, within the meaning of section 3 of the CIPT Act.

Commercial and industrial property tax information

5. If the Commissioner has identified that land described in the Certificate is tax reform scheme land within the meaning given by section 3 of the CIPT Act, the Certificate may show in respect of the land:
 - the date on which the land became tax reform scheme land;
 - whether the entry interest (within the meaning given by section 3 of the Duties Act 2000) in relation to the tax reform scheme land was a 100% interest (a whole interest) or an interest of less than 100% (a partial interest); and
 - the date on which the land will become subject to the commercial and industrial property tax.
6. A Certificate that does not show any of the above information in respect of land described in the Certificate does not mean that the land is not tax reform scheme land. It means that the Commissioner has not identified that the land is tax reform scheme land at the date of issue of the Certificate. The Commissioner may identify that the land is tax reform scheme land after the date of issue of the Certificate.

Change of use of tax reform scheme land

7. Pursuant to section 34 of the CIPT Act, an owner of tax reform scheme land must notify the Commissioner of certain changes of use of tax reform scheme land (or part of the land) including if the actual use of the land changes to a use not described in any AVPCC in the range 200-499 and/or 600-699. The notification

must be given to the Commissioner within 30 days of the change of use.

Commercial and industrial property tax is a first charge on land

8. Commercial and industrial property tax (including any interest and penalty tax) is a first charge on the land to which the commercial and industrial property tax is payable. This means it has priority over any other encumbrances on the land, such as a mortgage, and will continue as a charge even if ownership of the land is transferred. Therefore, a purchaser may become liable for any unpaid commercial and industrial property tax.

Information for the purchaser

9. Pursuant to section 27 of the CIPT Act, if a bona fide purchaser for value of the land described in the Certificate applies for and obtains a Certificate in respect of the land, the maximum amount recoverable from the purchaser is the amount set out in the Certificate. A purchaser cannot rely on a Certificate obtained by the vendor.

Information for the vendor

10. Despite the issue of a Certificate, the Commissioner may recover a commercial and industrial property tax liability from a vendor, including any amount identified on this Certificate.

Passing on commercial and industrial property tax to a purchaser

11. A vendor is prohibited from apportioning or passing on commercial and industrial property tax to a purchaser under a contract of sale of land entered into on or after 1 July 2024 where the purchase price is less than \$10 million (to be indexed annually from 1 January 2025, as set out on the website for Consumer Affairs Victoria).

General information

12. Land enters the tax reform scheme if there is an entry transaction, entry consolidation or entry subdivision in respect of the land (within the meaning given to those terms in the CIPT Act). Land generally enters the reform on the date on which an entry transaction occurs in respect of the land (or the first date on which land from which the subject land was derived (by consolidation or subdivision) entered the reform).
13. The Duties Act includes exemptions from duty, in certain circumstances, for an eligible transaction (such as a transfer) of tax reform scheme land that has a qualifying use on the date of the transaction. The exemptions apply differently based on whether the entry interest in relation to the land was a whole interest or a partial interest. For more information, please refer to www.sro.vic.gov.au/CIPT.
14. A Certificate showing no liability for the land does not mean that the land is exempt from commercial and industrial property tax. It means that there is nothing to pay at the date of the Certificate.
15. An updated Certificate may be requested free of charge via our website, if:
 - the request is within 90 days of the original Certificate's issue date, and
 - there is no change to the parties involved in the transaction for which the Certificate was originally requested.

- must seek the rental provider's consent before installing any other fixtures or additions; and
- may apply to VCAT if they believe that the rental provider has unreasonably refused consent for a modification mentioned in the Act; and
- at the end of the agreement, must restore the premises to the condition it was in before they moved in (excluding fair wear and tear). This includes removing all modifications, unless the parties agree they do not need to be removed.

The rental provider must not unreasonably refuse consent for certain modifications.

A list of the modifications that the rental provider cannot unreasonably refuse consent for is available on the Consumer Affairs Victoria website consumer.vic.gov.au/renting.

23. LOCKS

The rental provider must ensure the premises—

- has locks to secure all windows capable of having a lock; and
- has deadlocks (a deadlock is a deadlatch with at least one cylinder) for external doors that are able to be secured with a functioning deadlock; and

Residential Rental Agreement[®]

- meets the rental minimum standards for locks and window locks.

External doors which are not able to be secured with a functioning deadlock must at least be fitted with a locking device that—

- is operated by a key from the outside; and
- may be unlocked from the inside with or without a key.

The renter must obtain consent from the rental provider to change a lock in the master key system.

The rental provider must not give a key to a person excluded from the premises under—

- a personal safety intervention order.

24. REPAIRS

Only a suitably qualified person may do repairs—both urgent and non-urgent.

25. URGENT REPAIRS

Section 3(1) of the Act defines *urgent repairs*. Refer to the Consumer Affairs Victoria website for the full list of urgent repairs and for more information, visit consumer.vic.gov.au/urgentrepairs.

Urgent repairs include failure or breakdown of any essential service or appliance provided for hot water, cooking, heating or laundering supplied by the rental provider.

The rental provider must carry out urgent repairs after being notified. A renter may arrange for urgent repairs to be done if the renter has taken reasonable steps to arrange for the rental provider to immediately do the repairs and the rental provider has not carried out the repairs.

If the renter has arranged for urgent repairs, the renter may be reimbursed directly by the rental provider for the reasonable cost of repairs up to \$2500.

The renter may apply to VCAT for an order requiring the rental provider to carry out urgent repairs if—

- (a) the renter cannot meet the cost of the repairs; or
- (b) the cost of repairs is more than \$2500; or
- (c) the rental provider refuses to pay the cost of repairs if it is carried out by the renter.

26. NON-URGENT REPAIRS

The renter must notify the rental provider, in writing, as soon as practicable of—

- damage to the premises; and
- a breakdown of facilities, fixtures, furniture or equipment supplied by the rental provider.

The rental provider must carry out non-urgent repairs in a reasonable time.

The renter may apply to VCAT for an order requiring the rental provider to do the repairs if the rental provider has not carried out the repairs within 14 days of receiving notice of the need for repair.

Residential Rental Agreement®

**27. ASSIGNMENT OR SUB-LETTING**

The renter must not assign (transfer to another person) or sub-let the whole or any part of the premises without the written consent of the rental provider. The rental provider may give the renter notice to vacate if the renter assigns or sub-lets the premises without consent.

The rental provider—

- cannot unreasonably withhold consent to assign or sub-let the premises; and
- must not demand or receive a fee or payment for consent, other than any reasonable expenses incurred by the assignment.

28. RENT

The rental provider must give the renter at least 60 days written notice of a proposed rent increase.

The rent cannot be increased more than once every 12 months.

The rental provider must not increase the rent under a fixed term agreement unless the agreement provides for an increase by specifying the amount of increase or the method of calculating the rent increase.

29. ACCESS AND ENTRY

The rental provider may enter the premises—

- at any time, if the renter has agreed within the last 7 days; and
- to do an inspection, but not more than once every 6 months; and
- to comply with the rental provider's duties under the Act; and
- to show the premises or conduct an open inspection to sell, rent or value the premises; and
- to take images or video for advertising a property that is for sale or rent; and
- if they believe the renter has failed to follow their duties under the Act; and
- to do a pre-termination inspection where the renter has applied to have the agreement terminated because of family violence or personal violence.

The renter must allow entry to the premises where the rental provider has followed proper procedure.

The renter is entitled to a set amount of compensation for each sales inspection.

30. PETS

The renter must seek consent from the rental provider before keeping a pet on the premises.

The rental provider must not unreasonably refuse a request to keep a pet.

If you can give me a notice or other document by electronic service also check to see if you need to use email instead of an SMS message. If I have not given, or have withdrawn, my consent to receive notices or other documents by electronic means, you will need to use the post or delivery by hand to serve me with notices or other documents.
- 31.2 Other use of the rented premises**

- 31.4 My insurance on the premises**
- 31.4.1** If I provide you with a copy of my insurance policy for the rented premises you will not do anything that may invalidate it or result in my insurance premium or excess being increased, unless you are entitled to do so by the Residential Tenancies Act 1997 or some other legislation.
- 31.4.2** If it is found you are liable to compensate or reimburse me for damage to any part of the premises, and I recover part or all of the loss I have suffered by making a successful claim on my insurance, you will only be liable to reimburse me for that part of your liability which is not covered by the amount I recover from my insurance.
- 31.4.3** My insurance policy does not cover your goods and personal belongings against theft, loss, or damage. If you wish to insure your goods and personal belongings against theft, loss, or damage it is your responsibility to do so.

- 31.5.4** You may change locks at the rented premises but only if you install replacement locks that will not be capable of being operated by the keys already provided and will instead be operated by new keys. Any

Residential Rental Agreement®

change of locks must not breach the minimum standards for locks contained in the Residential Tenancies Act and Regulations.

- 31.5.5** If the lock is keyed alike with other locks in the premises and you make a change to the keying of any of those locks, you must change all the keyed alike locks so that they can continue to be operated by one key.
- 31.5.6** If you change the locks, you must purchase the same number of keys as were supplied to you at the commencement of the tenancy and supply them to me or my managing agent at the end of the tenancy. In addition, you must give to me or my managing agent duplicates of the new key/s as soon as practicable and preferable within one business day of changing the locks.
- 31.5.7** You may change the code of an alarm at the rented premises.
- 31.5.8** If you change the code or install an alarm system you must tell me or my managing agent in *writing of the code as soon as practicable and preferable within one business day of the change or installation. You cannot use an SMS message to tell me of the new code.

- 31.6.1** When you become aware of a defect at the rented premises that may injure someone or cause damage you must, in addition to telling me or my managing agent as soon as possible, take reasonable action to avoid risk of injury to yourself or anybody else and to prevent further damage.
- 31.7** **Light globes, fluorescent tubes, and LED lights**
- 31.7.1** At the commencement of the rental agreement light globes, fluorescent tubes and LED lights will be in working order. If on taking possession of the rental premises you find this to not be the case, you must notify me or my managing agent as soon as possible so that the problem may be rectified at my expense.
- 31.7.2** During the rental agreement you must replace any light globes, fluorescent tubes, starters, and LED lights that cease to function, unless it has ceased to function due to actions taken by me, my managing agent, or my contractor. The requirement for you to replace LED lights does not extend to instances where the light fitting needs to be replaced, because as with other faulty light fittings, their replacement is my responsibility.
- 31.7.3** If for whatever reason you cannot personally fulfil your obligations, you may at your expense engage a suitable contractor to complete the tasks.
- 31.8** **Sewers and septic systems**
- 31.8.1** Things that may cause a blockage must not be placed into the sewerage or septic system, in addition to the toilet/s this includes drainage from the kitchen, laundry and bathroom/s. These are examples of things that may cause a blockage: cotton waste, disposable nappies, excessive amounts of toilet paper, paper towel, tampons, sanitary pads, continence pads, wipes, cooking fats and oils, and food waste. This is not a complete list and has been provided as a guide only.
- 31.8.2** When you become aware of a blockage or defect in the sewerage or septic system you must tell me or my managing agent as soon as possible, preferably within 24 hours, even if you, or anyone you have allowed to come on to the rented premises, including me or my managing agent or my contractor, caused it.
- 31.8.3** If you, or anyone you have allowed to come on to the rented premises negligently or intentionally causes a blockage or defect in the sewerage or septic system you must pay to me the reasonable expenses I incur in having it rectified. You do not have to do so if I, or my managing agent or my contractor caused the blockage or defect.

If for whatever reason you cannot personally fulfil this obligation you may at your expense engage a suitable contractor to complete the tasks.
- 31.9.2** If the proper functioning of the gutters, downpipes or stormwater drains is impeded due to a fault or need for repair, you must notify me or my managing agent as soon as possible. If the need for repair or replacement

Residential Rental Agreement®

is the result of you, other occupants of the rented premises or your visitors intentionally or negligently causing damage to the rented premises or common areas I will arrange for the necessary repair or replacement, however you will be required to reimburse me for the expense.

31.10 Gardens and land

31.10.1 If under this rental agreement you are provided with, in addition to the built structures, gardens or land as part of the premises, you must unless otherwise agreed in writing, maintain them in a reasonably clean condition and free from damage apart from fair wear and tear.

31.10.2 These are examples of things you may need to do to care for the garden and land: mow grass; water subject to water restrictions, as and when required; remove weeds; rake up and remove lawn cuttings and fallen flowers and leaves; maintain trees, shrubs flowers and other plants; and as far as reasonably possible keep the garden free of pests and vermin. In bushfire prone areas you must take reasonable action to minimise the fuel load on the land during the fire season. This is not a complete list of things you may need to do. I have provided the examples as a guide only. If for whatever reason you cannot personally fulfil this obligation you may at your expense engage a suitable contractor to complete the tasks.

31.10.3 You must make a request in *writing for my permission if you wish to remove any plants apart from weeds, or if you wish to change the layout of garden beds, grassed areas, paved areas and so on. The request must not be made by SMS message.

31.10.4 You must make a request in *writing for my permission if you wish to plant any trees, shrubs, or vines, apart from those that form part of a vegetable or herb garden. The request must not be made by SMS message.

31.10.5 You must not dispose of any polluting or toxic substance on the land.

31.11 Mould

31.11.1 You should take all reasonable steps to prevent the development of mould (fungi) in the rented premises. These steps include but are not limited to; ventilating the premises by use of exhaust fans and openable windows provided, particularly if you need to dry washing inside the premises; using an appropriate household cleaner to regularly clean surfaces on which condensation forms; and preventing window furnishings, furniture and clothes being in contact with surfaces on which condensation forms.

31.11.2 If you see signs of mould in the premises you must notify me or my managing agent as soon as possible.

31.11.3 If the mould has developed due to a fault, such as a leak in the premises, or is related to the building structure I will arrange for it to be rectified and the mould treated. In the meantime, you should take all reasonable steps to avoid exposure to the mould.

31.12 You cannot use your bond to pay rent

31.12.1 You acknowledge the Residential Tenancies Act 1997 provides you may not refuse to pay rent for the premises on the ground you intend to regard the bond as rent paid and it allows VCAT to impose a penalty if satisfied a breach of the bond requirements has occurred.

31.13 'To Let', 'Auction', 'For Sale' etc signs at the rented premises

31.13.1 You will allow me, or my managing agent, to put up a sign on the rented premises during the final month of the rental agreement indicating the premises will be available for renting. The sign will be positioned so as not to interfere with your use of the rented premises.

31.13.2 You will allow me or my estate agent to put up a sign on the premises at any time indicating that it is available to be purchased. The sign will be positioned so as not to interfere with your use of the rented premises.

31.14 Assigning, subletting, or abandoning the rented premises (see clause 27)

31.14.1 If during the period of the rental agreement the people in occupation of the rented premises are to change you must notify or my managing agent as soon as possible after you become aware the change is to happen, or has happened, preferably within 24 hours and ask me or my managing agent in *writing for permission to assign your rental agreement or sub-let the rental premises. Neither I nor my managing agent will unreasonably withhold permission. You cannot use an SMS message to ask me or my managing agent for permission.

Residential Rental Agreement®

- 31.14.2** If the rental agreement is assigned to a new renter or combination of renters, even if some are continuing, I may require you to reimburse me for my reasonable expenses incurred due to the assignment. These expenses will be calculated according to the following formula:

Permission for a sub-let renter has NOT been provided.

If someone sub-lets without permission, the rental provider can end the rental agreement. They can ask any of the people living at the property to leave within 14 days.

If a rental provider realises their property is being sub-let without their permission, they could give the sub-renter notice to vacate. If the sub-renter does not move out, the rental provider could also give the head renter notice to vacate.

- 31.14.3** If you assign or sublet the rental premises without obtaining written permission beforehand and I terminate your rental agreement, or if you abandon the rental premises, I may ask you to reimburse me for expenses I incur in reletting. If I do this the expenses will be calculated according to the following formula:

\$66.00 Change in Renter Fee.

- 31.14.4** My managing agent cannot require payment from you, however they can on my behalf require you to reimburse me for expenses I incur.

31.15 Leaving the premises at the end of the fixed term (see clause 5)

- 31.15.3** You must return all the keys and any key cards and remote controls to me or my managing agent when you leave the rented premises.
- 31.15.4** You must continue to pay rent to me or my managing agent until the end of the fixed term; or to and including the day on which you return all the keys, key cards and remote controls to me or my managing agent if it is after the end of the fixed term. If, with your agreement, the premises are relet from a date before the end of fixed term and you return the keys etc before that date you will only be required to pay rent to and including the day before the new rental agreement commences.
- 31.16 Leaving the premises after the fixed term ends**
- 31.16.1** If you remain in occupation of the rental premises after the fixed term of this agreement ends and you do not enter into a new fixed term agreement with me, you must tell me or my managing agent of your intention to leave specifying a date not less than 28 days after the date you tell me or my managing agent, or 14 days if you fall within one of the categories set out in section 91ZB of the Residential Tenancies Act 1997.

In the event you and I (or my managing agent acting on my behalf) have agreed that you will rent the rented premises on the terms set out in this document or we have conducted ourselves in such a way as to imply that this was the case, the terms of this rental agreement will be binding even if, through an oversight, a party has neglected to sign it. The Residential Tenancies Act 1997 provides the following definition of a residential rental agreement in section 5:

"residential rental agreement means an agreement, whether or not in writing and whether express or implied, under which a person lets premises as a residence (but does not include an SDA residency agreement) and includes a fixed term residential rental agreement and a periodic residential rental agreement;"
