Introducing Georgette, Kew Schofields' newest release

One of Sydney's newest suburbs, Schofields provides residents with an unrivalled offering: a balance between the privacy you deserve and endless opportunities to feel connected.

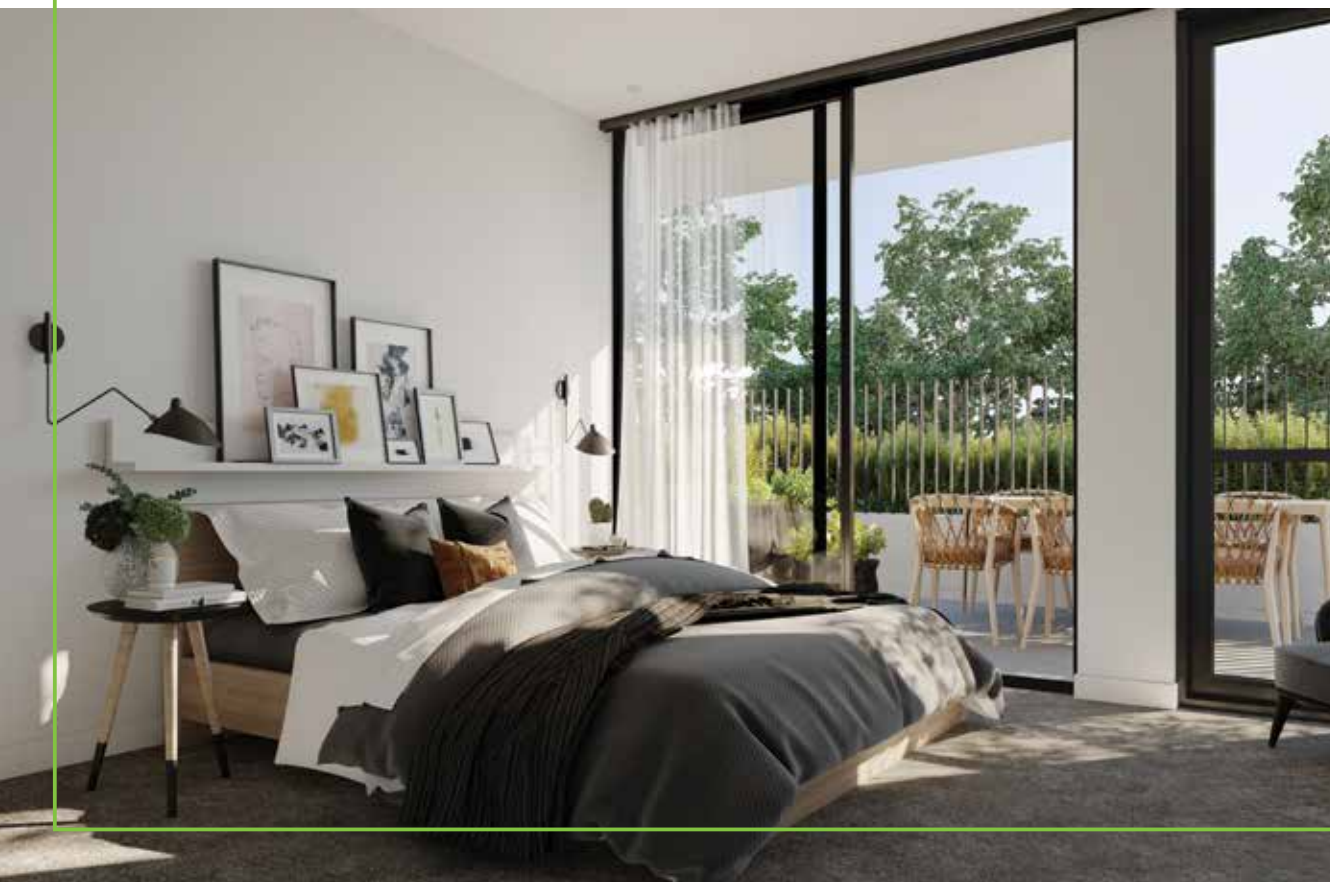

As a priority precinct, Schofields is experiencing incredible growth. The Sydney Metro Northwest project to be completed in 2019 will bring over 15 trains per hour to and from the city to Sydney's North West as well as 4000 commuter car spaces. The line will be the first fully automated metro rail system in Australia, a testament to the vision for the development of this area.

Discover spacious living.

Georgette offers an effortless floor plan that maximises both space and utility. The use of floorboards throughout living spaces creates a sense of harmony from the moment you enter. Be immediately enticed by abundant light offered through large windows, that too remind you of your natural surroundings. Quality, contemporary finishes and modern shapes and lines compliment this natural outlook. Plush carpet underfoot in the bedrooms offers a piece of both luxury and comfort.

Generous 1,2 and 3 bedroom apartments offer you the space to suit your lifestyle. Choose a ground floor apartment and enjoy private access to a courtyard that flows on through large sliding doors or a rooftop apartment that offers the luxury of a north facing view.

Discover a blend of indoor and outdoor.

Each architecturally designed space sets a new benchmark for contemporary living. Arranged to offer unparalleled practicality and comfort, a focus has been made on creating spaces that inspire movement and conversation. Neatly flowing through large sliding doors, enjoy a seamless transition between your indoor and outdoor space.

Community is encouraged and prioritised through the design and integration of outdoor communal spaces. These shared open spaces feature BBQ facilities and play equipment, which inspire being active and enjoying the outdoors. Alternatively, take a moment away from entertaining friends and family to enjoy the peace of your natural surroundings on your own.

Discover a growing community.

Perfectly positioned between Rouse Hill Town centre and future Schofields town centre enjoy the nearby cafés restaurants, shopping and golf courses that this location has to offer. With two primary schools around the corner as well as a choice of nearby public and private TAFE colleges Kew Schofields offers many opportunities to offer support as your family grows. Two nearby train lines, Schofields and Tullawong connect you with services in nearby suburbs including Rouse Hill and Marsden Park.
