PERMANENT RENTAL APPRAISAL

10 Peter Avenue, Anglesea 3230

To whom it may concern,

In my professional opinion as a Property Manager, I believe you would achieve a weekly rent of \$675-\$725 per week.

This appraisal may vary depending on the supply and demand of renters and properties at the time of renting. It is important for you as a property investor to understand that rents can fluctuate during the year and are predominantly determined by the market, i.e. the renter.

When appraising the property, we take into consideration the following:

- Comparison with similar properties
- Features or benefits of the property (i.e. Ensuite, fenced yard, double garage, views, proximity to shops, décor, accessibility, modern convenience; including – dishwasher, dryer, microwave, vacuum maid, etc)
- Condition and presentation of the property
- Overall condition of the rental market (i.e. vacancy rates, supply and demand)

Yours sincerely,
