IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

(a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and

(b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.

2. EXCEPT in the circumstances listed in paragraph 3, the purchaser may rescind the contract at any time before 5 pm on—
   (a) the tenth business day after the day on which the contract was made—in the case of an off the plan contract, or
   (b) the fifth business day after the day on which the contract was made—in any other case.

3. There is NO COOLING OFF PERIOD:
   (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
   (b) if the property is sold by public auction, or
   (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or

12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.

13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.

13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.

13.4 If this contract says this sale is the supply of a going concern –
13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
- if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and

13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.

13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.

13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.

13.7 If this contract says the sale is not a taxable supply –
13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
- something else known to the purchaser but not the vendor.

13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

69751592

13.8.1 this sale is not a taxable supply in full; or
13.8.2 the margin scheme applies to the *property* (or any part of the *property*).

13.9 If this contract says this sale is a taxable supply to an extent –
13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.

13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.

13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.

13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
13.13.1 at least 5 days before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
13.13.2 produce on completion a *settlement cheque* for the *GSTRW payment* payable to the Deputy Commissioner of Taxation;
13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
13.13.4 *serve* evidence of receipt of payment of the *GSTRW payment* and a copy of the settlement date confirmation form submitted to the Australian Taxation Office.

14 Adjustments

14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.

14.2 The *parties* must make any necessary adjustment on completion.

14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.

14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
- the land was not subject to a special trust or owned by a non-concessional company; and
- if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.

14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.

14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
14.6.1 the amount is to be treated as if it were paid; and
14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).

14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date.*

14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The *parties* must complete by the date for completion and, if they do not, a *party* can *serve* a notice to complete if that *party* is otherwise entitled to do so.

16 Completion

• Vendor

16.1 On completion the vendor must give the purchaser any *document of title* that relates only to the *property*.

16.2 If on completion the vendor has possession or control of a *document of title* that relates also to other property, the vendor must produce it as and where necessary.

16.3 *Normally*, on completion the vendor must cause the legal title to the *property* (being an estate in fee simple) to pass to the purchaser free of any mortgage or other interest, subject to any necessary registration.

16.4 The legal title to the *property* does not pass before completion.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

16.5 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser.

16.6 If a *party serves* a land tax certificate showing a charge on any of the land, by completion the vendor must do all things and pay all money required so that the charge is no longer effective against the land.

• Purchaser

16.7 On completion the purchaser must pay to the vendor, by cash (up to $2,000) or *settlement cheque* –

16.7.1 the price less any:
- deposit paid;
- *FRCGW remittance* payable;
- *GSTRW payment*; and
- amount payable by the vendor to the purchaser under this contract; and

16.7.2 any other amount payable by the purchaser under this contract.

16.8 If the vendor requires more than 5 *settlement cheques*, the vendor must pay $10 for each extra *cheque*.

16.9 If any of the deposit is not covered by a bond or guarantee, on completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit.

16.10 On completion the deposit belongs to the vendor.

• Place for completion

16.11 *Normally*, the *parties* must complete at the completion address, which is –

16.11.1 if a special completion address is stated in this contract - that address; or

16.11.2 if none is stated, but a first mortgagee is disclosed in this contract and the mortgagee would usually discharge the mortgage at a particular place - that place; or

16.11.3 in any other case - the vendor's *solicitor's* address stated in this contract.

16.12 The vendor by reasonable notice can require completion at another place, if it is in NSW, but the vendor must pay the purchaser's additional expenses, including any agency or mortgagee fee.

16.13 If the purchaser requests completion at a place that is not the completion address, and the vendor agrees, the purchaser must pay the vendor's additional expenses, including any agency or mortgagee fee.

17 Possession

17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.

17.2 The vendor does not have to give vacant possession if –

17.2.1 this contract says that the sale is subject to existing tenancies; and

17.2.2 the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).

17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Schedule 2, Part 7 of the Residential Tenancies Act 2010).

18 Possession before completion

18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.

18.2 The purchaser must not before completion –

18.2.1 let or part with possession of any of the *property*;

18.2.2 make any change or structural alteration or addition to the *property;* or

18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.

18.3 The purchaser must until completion –

18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and

18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.

18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.

18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –

18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and

18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.

18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.

18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

19 Rescission of contract

19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right –

19.1.1 only by *serving* a notice before completion; and

19.1.2 in spite of any making of a claim or *requisition*, any attempt to satisfy a claim or *requisition*, any arbitration, litigation, mediation or negotiation or any giving or taking of possession.

19.2 *Normally*, if a *party* exercises a right to *rescind* expressly given by this contract or any *legislation* –

19.2.1 the deposit and any other money paid by the purchaser under this contract must be refunded;

19.2.2 a *party* can claim for a reasonable adjustment if the purchaser has been in possession;

21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.

• Definitions and modifications

23.1 This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).

23.9 However, the purchaser can *rescind* if –

23.9.1 the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;

23.9.2 in the case of the lot or a relevant lot or former lot in a higher scheme, a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion;

SPECIAL CONDITIONS

These are the Special Conditions to the Agreement

BETWEEN: BERNARD EDWARD HAYWARD AS EXECUTOR OF THE ESTATE OF THE LATE AGELIKI TSALAMATA

AND:

For the purchase of the property known as: 14 Great Buckingham Street, Redfern 2016 ('the Property') Title reference 118/A/1199

The terms of the printed Agreement to which these special conditions are annexed shall be read subject to the following Special Conditions. If there is a conflict these Special Conditions shall prevail. In the interpretation of this document, words importing the singular number or plural number shall include the plural number and singular number respectively and words importing any gender shall include any other gender. The parties agree that should any provision be held to be contrary to law, void or unenforceable then such provision shall be severed from this agreement and such remaining provisions shall remain in full force and effect.

Condition of premises

33 The Purchaser acknowledges that he is purchasing the Property:

33.1 in its present condition and state of repair;
33.2 subject to all defects latent and patent;
33.3 subject to any infestations and dilapidation;
33.4 subject to all existing services (if any); and
33.5 as a result of his own enquiries and inspections.

Amendment to printed form of contract

34 The Vendor and Purchaser agree that the provisions of the printed form of Contract for the sale and purchase of Land 2019 Edition shall be amended as follows:

34.1 Clause 16.5 delete the words 'plus another 20% of that fee';
34.2 Clause 23.13 is deleted if the property is a 2 lot strata plan or there is no regular periodic strata levies or payments.

No warranty or representation

35 The Purchaser acknowledges that he does not rely upon any warranty or representation made by the Vendor or any person on behalf of the Vendor except such as are expressly provided in this Agreement.

Real Estate Agent

36 The Purchaser warrants to the Vendor that he was not introduced to the property by any person who may have a right to claim payment from the Vendor for such introduction

other than the agent named on page 1 of the printed conditions nor was any other person or agent the effective cause of the sale herein provided for. In the event that the Purchaser is in breach of this warranty the Purchaser hereby agrees to indemnify and keep indemnified the Vendor against any claim for commission by any agent (other than the agent referred to on page 1) arising out of this sale. The indemnity shall extend to the legal costs of defending any such claim on an indemnity basis. This condition shall not merge on completion of this agreement.

37 Deleted

Notice to Complete

38 The notice referred to in clause 15 shall require completion on a date not less than 14 days from the date of service of such notice. The effect of such notice is to make time of the essence of this agreement. Both parties acknowledge that the period of 14 days is a sufficient and reasonable time for a Notice to Complete having regard to all the circumstances of this agreement and the subject property.

Delayed Completion and the Expenses

39 If the purchase price, or any part of the purchase price is not paid by the Purchaser to the Vendor on the Completion Date, then (in addition to all other remedies available to the Vendor) that part of the price not paid is to carry interest calculated at the rate of Ten per cent (10%) per annum (calculated on daily rests) from the Completion Date until the actual date of payment of the purchase price to the Vendor (inclusive of the first date, but exclusive of the latter date). This amount is agreed by the parties to be a reasonable estimation of the vendor's loss for delay and loss of potential investment.

39.1 The Purchaser does not have to pay interest during any period that completion does not occur only because the Vendor is unable or unwilling to complete;

39.2 The Purchaser can not require the Vendor to complete this Contract unless interest payable pursuant to this contract is paid to the Vendor on completion;

39.3 The parties agree that the above interest is a bona fide attempt to pre-estimate damages and not a penalty;

39.4 If the Vendor serves a Notice to Complete on the Purchaser then in addition to interest pursuant to these conditions, Purchaser shall also pay to the Vendor the sum of $330.00 (inclusive of GST) to reimburse the Vendor for the legal expenses of having to issue such Notice to Complete. The parties agree this is a genuine pre-estimate of those additional expenses and not a penalty and is to be allowed by the Purchaser to the Vendor on completion without prejudice to any other rights of the Vendor. This is an essential term of this Contract.

39.5 If the Purchaser does not complete this Contract on the completion date then the Purchaser must pay in addition to any other interest and expenses referred to in this clause the Vendor's cost for advice on rights and rescheduling completion agreed at $330.00 (inclusive of GST) and the same amount for each further reschedule for

completion. The parties agree this is a genuine pre-estimate of those additional expenses and is to be allowed by the Purchaser to the Vendor on completion.

40 Deleted

Claim for compensation

41 The provisions of Clause 7 of the printed form of Agreement are deleted. Any claim for compensation shall be deemed to be an objection or requisition for the purposes of Clause 8 of the printed form of Agreement.

Party dying, becoming mentally ill or bankrupt.

42 Should the Vendor or the Purchaser (or if there be more than one, if any of them) die or become mentally ill before completion of this Agreement, then either party may rescind this Agreement by notice in writing forwarded to the solicitor or conveyancer for the other party named on the front page of this agreement. This Agreement shall then be rescinded and the provisions of Clause 19 of the printed conditions shall apply. The right to rescind under this clause must be exercised within 14 days (time being of the essence) of the party exercising the right receiving notice of the happening of an event giving rise to the right.

Acceptance of condition, defects, breach of legislation etc.

43 The Purchaser acknowledges that he has inspected the property and any and all structures on the property and accepts them in their present position, condition and state of repair with all defects latent and patent. The Purchaser agrees that he does not rely on any warranties by the Vendor or by any person on the Vendor's behalf as to the position, condition or state of repair of the land and structures or as to the use to be made of the land and structures. The Purchaser will make no objection requisition, claim for compensation or delay settlement in relation to the position, condition or state of repair of, or legislation relating to the services to the subject property (if any) or in respect of the land or structures. The Purchaser shall not require the carrying out of any work or expenditure of any money by the Vendor on or in respect of the property or structures.

Contractual Capacity

44 The Purchaser and any person executing this document, hereby warrant to the Vendor that the Purchaser is under no legal disability or lack of authority that would render this agreement void or voidable.

Severability

45 In the event that any one or more terms, conditions or other provisions of this Agreement be found or held to be unlawful or unenforceable at law, it or they shall be deemed to be void and severed from this Agreement but all other terms, conditions and provisions of this Agreement shall remain on foot with full force and effect.

Partial Deposit

46 If the vendor accepts and the purchaser pays a deposit which is less than 10% of the purchase price stated on the front page of this contract, regardless of what amount is shown as the deposit payable on the front page of this contract, it is agreed between the vendor and the purchaser that the deposit payable by the purchaser is 10% of the purchase price. Any amount paid by the purchaser which is less than 10% of the purchase price is agreed by the parties as the first instalment of the deposit payable by the purchaser and the remaining instalment is to be paid by the purchaser on completion of this contract or on the date due for completion of this contract whichever is the earlier.

Electronic Transactions

47 The parties agree that this Contract may be signed in any number of counterparts with the same effect as if the signatures to each counterpart were on the same instrument.

48 Execution by either (or both) parties to this Contract of a facsimile or email copy of this Contract and transmission by facsimile or email of a copy of the Contract executed by that party or their conveyancer / solicitor to the other party or the other party's conveyancer / solicitor shall constitute a valid and binding execution of this contract by such parties.

49 For the purposes of the Electronic Transactions Act, 1999 (Cth) and Electronic Transactions Act, 2000 (NSW) each of the parties consent to receiving and sending the Contract electronically.

Christmas Break 2020/2021

50 If the completion date of this contract falls between Monday 21st December 2020 and Monday 18 January 2021 inclusive then the completion date is deemed to be Friday 22 January 2021.

51 Deleted

Goods and Services Tax

52 If the Vendor is liable to pay an amount of Goods and Services Tax (GST) in respect of the sale of the subject property, the Purchaser agrees to pay to the Vendor the amount of such GST in addition to the purchase price. If such amount is determined prior to settlement, such amount shall be paid at the same time as the payment of the purchase price. In such case, the vendor shall not be obliged to settle this transaction unless the amount of such GST is tendered at settlement. If such amount cannot be determined by the Vendor prior to settlement, such amount shall be payable within 1 month of the Vendor notifying the Purchaser of such amount. Such amount shall be a charge on the subject property. This condition shall not merge upon completion of this agreement.

Corporate Purchaser

53 If the Purchaser is a Corporation (other than a corporation listed on any Australia Stock Exchange) the Purchaser must procure that two natural persons over the age of 18 years

who are directors and/or substantial shareholders of the Purchaser will unconditionally guarantee the due performance of the Purchaser's obligations under this Contract and the due punctual payment by the Purchaser of the price and all other money's payable by the Purchaser to the Vendor under this contract. Such guarantee shall be in the form annexed hereto. A duly executed form of agreement shall be delivered to the vendor on exchange. Failure by the Purchaser to comply with this clause shall constitute a breach entitling the Vendor to terminate the Contract.

54 If the Purchaser resolves to go into liquidation or has an application for its winding up filed in any court of competent jurisdiction or enters into any scheme or arrangement with its creditors pursuant to the Corporation Law, or if a receiver or official manager is appointed to the Purchaser, then the Purchaser will be deemed to be in default under this Agreement.

Vendor the executor and not yet the registered proprietor

55 The vendor is the executor of the estate of the late registered proprietor. Completion of this contract shall take place on the later of 42 days from the date hereof or 14 days after written notice to the purchaser that the vendor is registered as proprietor. In the event that the vendor has not become the registered proprietor of the property within four months of the date of this contract then either party may rescind this contract in accordance with the provisions hereof.

STATE PLANNING INSTRUMENTS

Full copies of State Environmental Planning Policies are available online at www.planning.nsw.gov.au.

State Environmental Planning Policy No. 19 – Bushland in Urban Areas
This is a policy to protect and preserve bushland within certain urban areas, as part of the natural heritage or for recreational, educational and scientific purposes. This policy is designed to protect bushland in public open space zones and reservations, and to ensure that

bush preservation is given a high priority when local environmental plans for urban development are prepared.

State Environmental Planning Policy No. 33 – Hazardous and Offensive Development
This policy aims to amend the definitions of hazardous and offensive industries; to render ineffective any environmental planning instruments not defining hazardous or offensive as per this policy; to control development of hazardous and offensive industries.

State Environmental Planning Policy No. 55 – Remediation of Land
This policy provides planning controls for the remediation of contaminated land. The policy states that land must not be developed if it is unsuitable for a proposed use because it is contaminated. If the land is unsuitable, remediation must take place before the land is developed. The policy makes remediation permissible across the State, defines when consent is required, requires all remediation to comply with standards, ensures land is investigated if contamination is suspected, and requires councils to be notified of all remediation proposals. To assist councils and developers, the Department, in conjunction with the Environment Protection Authority, has prepared Managing Land Contamination: Planning Guidelines.

State Environmental Planning Policy No. 64 – Advertising and Signage
This policy aims to ensure that signage (including advertising):
Is compatible with the desired amenity and visual character of an area, and
Provides effective communications in suitable locations, and
Is of a high quality design and finish.

To this end the policy regulates signage (but not content) under Part 4 of the Act and provides limited time consents for the display of certain advertisements. The policy does not apply to signage that is exempt development under an environmental planning instrument. It does apply to all signage that can be displayed with or without consent and is visible from any public place or reserve, except as provided by the policy.

This policy should be read in conjunction with the Sydney Local Environmental Plan 2005, the City of Sydney Signage and Advertising Structures Development Control Plan 2003 and State Environmental Planning Policy No. 60 where these apply.

State Environmental Planning Policy No. 65 – Design Quality of Residential Apartment Development
This policy aims to improve the design quality of flats of three or more storeys with four or more self contained dwellings. The policy sets out a series of design principles for local councils to consider when assessing development proposals for residential flat development. The policy also creates a role for an independent design review panel and requires the involvement of a qualified designer in the design and approval process.

State Environmental Planning Policy No.70 – Affordable Housing (Revised Schemes) (Gazetted 31.05.02)
The policy identifies that there is a need for affordable housing in the City of Sydney, describes the kinds of households for which affordable housing may be provided and makes a requirement with respect to the imposition of conditions relating to the provision of affordable housing (provided other requirements under the Act are met).

State Environmental Planning Policy (Housing for Seniors or People with a Disability) 2004
This Policy does not apply to land described in Schedule 1 (Environmentally sensitive land), or land that is zoned for industrial purposes, or land to which an interim heritage order made under the *Heritage Act 1997* by the Minister administering that Act applies, or land to which a listing on the State Heritage Register kept under the *Heritage Act 1997* applies.

The Policy aims to encourage the provision of housing (including residential care facilities) that will increase the supply and diversity of residences that meet the needs of seniors or people with a disability, and make efficient use of existing infrastructure and services, and be of good design.

State Environmental Planning Policy (Building Sustainability Index: BASIX) 2004
Aims to ensure consistency in the implementation of the BASIX scheme throughout the State. This Policy achieves its aim by overriding provisions of other environmental planning instruments and development control plans that would otherwise add to, subtract from or modify any obligations arising under the BASIX scheme.

State Environmental Planning Policy (State Significant Precincts) 2005
This Policy aims to identify development of economic, social or environmental significance to the State or regions of the State so as to provide a consistent and comprehensive assessment and decision making process for that development.
NB: This SEPP also contains exempt & complying provisions

This Policy aims to provide for the proper management and development of mineral, petroleum and extractive material resources for the social and economic welfare of the State.

State Environmental Planning Policy (Miscellaneous Consent Provisions) 2007
This Policy aims to ensure that suitable provision is made for ensuring the safety of persons using temporary structures or places of public entertainment.

State Environmental Planning Policy (Infrastructure) 2007
This Policy aims to facilitate the effective delivery of infrastructure across the state.
NB: This SEPP also contains exempt & complying provisions

State Environmental Planning Policy (Exempt and Complying Development Codes) 2008
This Policy Streamlines assessment processes for development that complies with specified development standards. The policy provides exempt and complying development codes that have State-wide application, identifying, in the General Exempt Development Code, types of development that are of minimal environmental impact that may be carried out without the need for development consent; and, in the General Housing Code, types of complying

development that may be carried out in accordance with a complying development certificate as defined in the Environmental Planning and Assessment Act 1979.

State Environmental Planning Policy (Affordable Rental Housing) 2009
Establishes a consistent planning regime for the provision of affordable rental housing. The policy provides incentives for new affordable rental housing, facilitates the retention of existing affordable rentals, and expands the role of not-for-profit providers. It also aims to support local centres by providing housing for workers close to places of work, and facilitate development of housing for the homeless and other disadvantaged people. NOTE: Does not apply to land at Green Square or at Ultimo Pyrmont, or on southern employment land.

(a) to protect the biodiversity values of trees and other vegetation in non-rural areas of the State, and
(b) to preserve the amenity of non-rural areas of the State through the preservation of trees and other vegetation.

State Environmental Planning Policy (Educational Establishments and Child Care Facilities) 2017
The aim of this Policy is to facilitate the effective delivery of educational establishments and early education and care facilities across the state.

State Environmental Planning Policy (Coastal Management) 2018
The aim of this Policy is to promote an integrated and co-ordinated approach to land use planning in the coastal zone in a manner consistent with the objects of the Coastal Management Act 2016, including the management objectives for each coastal management area, by:
(a) managing development in the coastal zone and protecting the environmental assets of the coast, and
(b) establishing a framework for land use planning to guide decision-making in the coastal zone, and
(c) mapping the 4 coastal management areas that comprise the NSW coastal zone for the purpose of the definitions in the Coastal Management Act 2016.

Sydney Regional Environmental Plan (Sydney Harbour Catchment) 2005
This plan applies to land within the Sydney Harbour Catchment, as shown edged heavy black on the Sydney Harbour Catchment Map, being part of the Sydney Region declared by order published in Gazette No 38 of 7 April 1989 at page 1841.

This plan has the following aims with respect to the Sydney Harbour Catchment:
to ensure that the catchment, foreshores, waterways and islands of Sydney Harbour are recognised, protected and maintained: as outstanding natural asset, and as a public asset of national and heritage significance, for existing and future generations; to ensure a healthy, sustainable environment on land and water; to achieve a high quality urban environment; to ensure a prosperous working waterfront and an effective transport corridor, to encourage a culturally rich and vibrant place for people; to ensure accessibility to and along Sydney Harbour and its foreshores; to ensure the protection, maintenance and rehabilitation of watercourses, wetlands, riparian lands, remnant vegetation and ecological connectivity, to provide a consolidated, simplified and updated legislative framework for future planning.
