IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. **EXCEPT** in the circumstances listed in paragraph 3, the purchaser may rescind the contract at any time before 5 pm on—
 - (a) the tenth business day after the day on which the contract was made—in the case of an off the plan contract, or
 - (b) the fifth business day after the day on which the contract was made—in any other case.
3. There is **NO COOLING OFF PERIOD**:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

APA Group Australian Taxation Office Council County Council Department of Planning, Industry and Environment Department of Primary Industries Electricity and gas Land & Housing Corporation Local Land Services	NSW Department of Education NSW Fair Trading Owner of adjoining land Privacy Public Works Advisory Subsidence Advisory NSW Telecommunications Transport for NSW Water, sewerage or drainage authority
---	--

If you think that any of these matters affects the property, tell your solicitor.
2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
6. The purchaser will usually have to pay transfer duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.
7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
8. The purchaser should arrange insurance as appropriate.
9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

- 6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.
- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

Normally, the purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

 - 7.2.2 the amount held is to be invested in accordance with clause 2.9;
 - 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
 - 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
 - 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and
 - 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

 - 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;
 - 8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and
 - 8.1.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service*.

 - 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
 - 10.1.6 a condition, exception, reservation or restriction in a Crown grant;

- 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
- 10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
- 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).

- 10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.
- 10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –
- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for –
 - 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or

- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

- 13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
 - 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
 - 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
 - 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
 - 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
 - 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
 - 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
 - if *within* 3 months of completion the purchaser serves a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not serve that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
 - 13.4.4 if the vendor, despite clause 13.4.1, serves a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
 - 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
 - 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
 - a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
- 13.13.2 produce on completion a *settlement cheque* for the *GSTRW payment* payable to the Deputy Commissioner of Taxation;
- 13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
- 13.13.4 *serve* evidence of receipt of payment of the *GSTRW payment* and a copy of the settlement date confirmation form submitted to the Australian Taxation Office.

14 Adjustments

- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

- 25.6.3 each vendor must give proper covenants for title as regards that vendor's interest.
- 25.7 In the case of land under limited title but not under qualified title –

- 25.7.1 *normally*, the abstract of title need not include any document which does not show the location, area or dimensions of the land (for example, by including a metes and bounds description or a plan of the land);
- 25.7.2 clause 25.7.1 does not apply to a document which is the good root of title; and
- 25.7.3 the vendor does not have to provide an abstract if this contract contains a delimitation plan (whether in registrable form or not).

25.8 The vendor must give a proper covenant to produce where relevant.

25.9 The vendor does not have to produce or covenant to produce a document that is not in the possession of the vendor or a mortgagee.

25.10 If the vendor is unable to produce an original document in the chain of title, the purchaser will accept a photocopy from the Registrar-General of the registration copy of that document.

26 Crown purchase money

26.1 This clause applies only if purchase money is payable to the Crown, whether or not due for payment.

26.2 The vendor is liable for the money, except to the extent this contract says the purchaser is liable for it.

26.3 To the extent the vendor is liable for it, the vendor is liable for any interest until completion.

26.4 To the extent the purchaser is liable for it, the *parties* must adjust any interest under clause 14.1.

27 Consent to transfer

27.1 This clause applies only if the land (or part of it) cannot be transferred without consent under *legislation* or a *planning agreement*.

27.2 The purchaser must properly complete and then *serve* the purchaser's part of an application for consent to transfer of the land (or part of it) *within 7 days* after the contract date.

27.3 The vendor must apply for consent *within 7 days* after *service* of the purchaser's part.

27.4 If consent is refused, either *party* can *rescind*.

27.5 If consent is given subject to one or more conditions that will substantially disadvantage a *party*, then that *party* can *rescind within 7 days* after receipt by or *service* upon the *party* of written notice of the conditions.

27.6 If consent is not given or refused –

27.6.1 *within 42 days* after the purchaser *serves* the purchaser's part of the application, the purchaser can *rescind*; or

27.6.2 *within 30 days* after the application is made, either *party* can *rescind*.

27.7 Each period in clause 27.6 becomes 90 days if the land (or part of it) is –

27.7.1 under a *planning agreement*; or

27.7.2 in the Western Division.

27.8 If the land (or part of it) is described as a lot in an unregistered plan, each time in clause 27.6 becomes the later of the time and 35 days after creation of a separate folio for the lot.

27.9 The date for completion becomes the later of the date for completion and 14 days after *service* of the notice granting consent to transfer.

28 Unregistered plan

28.1 This clause applies only if some of the land is described as a lot in an unregistered plan.

28.2 The vendor must do everything reasonable to have the plan registered *within 6 months* after the contract date, with or without any minor alteration to the plan or any document to be lodged with the plan validly required or made under *legislation*.

28.3 If the plan is not registered *within* that time and in that manner –

28.3.1 the purchaser can *rescind*; and

28.3.2 the vendor can *rescind*, but only if the vendor has complied with clause 28.2 and with any *legislation* governing the rescission.

28.4 Either *party* can *serve* notice of the registration of the plan and every relevant lot and plan number.

28.5 The date for completion becomes the later of the date for completion and 21 days after *service* of the notice.

28.6 Clauses 28.2 and 28.3 apply to another plan that is to be registered before the plan is registered.

29 Conditional contract

29.1 This clause applies only if a provision says this contract or completion is conditional on an event.

29.2 If the time for the event to happen is not stated, the time is 42 days after the contract date.

29.3 If this contract says the provision is for the benefit of a *party*, then it benefits only that *party*.

29.4 If anything is necessary to make the event happen, each *party* must do whatever is reasonably necessary to cause the event to happen.

29.5 A *party* can *rescind* under this clause only if the *party* has substantially complied with clause 29.4.

29.6 If the event involves an approval and the approval is given subject to a condition that will substantially disadvantage a *party* who has the benefit of the provision, the *party* can *rescind within 7 days* after either *party* *serves* notice of the condition.

29.7 If the *parties* can lawfully complete without the event happening –

29.7.1 if the event does not happen *within* the time for it to happen, a *party* who has the benefit of the provision can *rescind within 7 days* after the end of that time;

29.7.2 if the event involves an approval and an application for the approval is refused, a *party* who has the benefit of the provision can *rescind within 7 days* after either *party* *serves* notice of the refusal; and

- 29.7.3 the date for completion becomes the later of the date for completion and 21 days after the earliest of –
- either *party* serving notice of the event happening;
 - every *party* who has the benefit of the provision serving notice waiving the provision; or
 - the end of the time for the event to happen.
- 29.8 If the *parties* cannot lawfully complete without the event happening –
- 29.8.1 if the event does not happen *within* the time for it to happen, either *party* can *rescind*;
- 29.8.2 if the event involves an approval and an application for the approval is refused, either *party* can *rescind*;
- 29.8.3 the date for completion becomes the later of the date for completion and 21 days after either *party* serves notice of the event happening.
- 29.9 A *party* cannot *rescind* under clauses 29.7 or 29.8 after the event happens.

- 30.1.2 the *parties* otherwise agree that it is to be conducted as an *electronic transaction*; or
- 30.1.3 the *conveyancing rules* require it to be conducted as an *electronic transaction*.
- 30.2 However, this *Conveyancing Transaction* is not to be conducted as an *electronic transaction* –
- 30.2.1 if the land is not *electronically tradeable* or the transfer is not eligible to be lodged electronically; or
- 30.2.2 if, at any time after the *effective date*, but at least 14 days before the date for completion, a *party* serves a notice stating a valid reason why it cannot be conducted as an *electronic transaction*.
- 30.3 If, because of clause 30.2.2, this *Conveyancing Transaction* is not to be conducted as an *electronic transaction* –
- 30.3.1 each *party* must –
- bear equally any disbursements or fees; and
 - otherwise bear that *party's* own costs;
- incurred because this *Conveyancing Transaction* was to be conducted as an *electronic transaction*; and
- 30.3.2 if a *party* has paid all of a disbursement or fee which, by reason of this clause, is to be borne equally by the *parties*, that amount must be adjusted under clause 14.2.
- 30.4 If this *Conveyancing Transaction* is to be conducted as an *electronic transaction* –
- 30.4.1 to the extent that any other provision of this contract is inconsistent with this clause, the provisions of this clause prevail;
- 30.4.2 *normally*, words and phrases used in this clause 30 (italicised and in Title Case, such as *Electronic Workspace* and *Lodgment Case*) have the same meaning which they have in the *participation rules*;
- 30.4.3 the *parties* must conduct the *electronic transaction* –
- in accordance with the *participation rules* and the *ECNL*; and
 - using the nominated *ELN*, unless the *parties* otherwise agree;
- 30.4.4 a *party* must pay the fees and charges payable by that *party* to the *ELNO* and the *Land Registry* as a result of this transaction being an *electronic transaction*;
- 30.4.5 any communication from one *party* to another *party* in the *Electronic Workspace* made –
- after the *effective date*; and
 - before the receipt of a notice given under clause 30.2.2;
- is taken to have been received by that *party* at the time determined by s13A of the *Electronic Transactions Act 2000*; and
- 30.4.6 a document which is an *electronic document* is served as soon as it is first *Digitally Signed* in the *Electronic Workspace* on behalf of the *party* required to serve it.
- 30.5 *Normally*, the vendor must *within 7 days* of the *effective date* –
- 30.5.1 create an *Electronic Workspace*;
- 30.5.2 *populate* the *Electronic Workspace* with *title data*, the date for completion and, if applicable, *mortgagee details*; and
- 30.5.3 invite the purchaser and any *discharging mortgagee* to the *Electronic Workspace*.
- 30.6 If the vendor has not created an *Electronic Workspace* in accordance with clause 30.5, the purchaser may create an *Electronic Workspace*. If the purchaser creates the *Electronic Workspace* the purchaser must –
- 30.6.1 *populate* the *Electronic Workspace* with *title data*;
- 30.6.2 create and *populate* an *electronic transfer*;
- 30.6.3 *populate* the *Electronic Workspace* with the date for completion and a nominated *completion time*; and
- 30.6.4 invite the vendor and any *incoming mortgagee* to join the *Electronic Workspace*.
- 30.7 *Normally*, *within 7 days* of receiving an invitation from the vendor to join the *Electronic Workspace*, the purchaser must –
- 30.7.1 join the *Electronic Workspace*;
- 30.7.2 create and *populate* an *electronic transfer*;
- 30.7.3 invite any *incoming mortgagee* to join the *Electronic Workspace*; and
- 30.7.4 *populate* the *Electronic Workspace* with a nominated *completion time*.

- 30.8.1 join the *Electronic Workspace*;
 - 30.8.2 *populate* the *Electronic Workspace* with *mortgagee details*, if applicable; and
 - 30.8.3 invite any *discharging mortgagee* to join the *Electronic Workspace*.
- 30.9 To complete the financial settlement schedule in the *Electronic Workspace* –
- 30.9.1 the purchaser must provide the vendor with *adjustment figures* at least *2 business days* before the date for completion;
 - 30.9.2 the vendor must confirm the *adjustment figures* at least *1 business day* before the date for completion; and
 - 30.9.3 if the purchaser must make a *GSTRW payment* or an *FRCGW remittance*, the purchaser must *populate* the *Electronic Workspace* with the payment details for the *GSTRW payment* or *FRCGW remittance* payable to the Deputy Commissioner of Taxation at least *2 business days* before the date for completion.

 - 30.10.3 they do everything else in the *Electronic Workspace* which that *party* must do to enable the *electronic transaction* to proceed to completion.
- 30.11 If completion takes place in the *Electronic Workspace* –
- 30.11.1 payment electronically on completion of the price in accordance with clause 16.7 is taken to be payment by a single *settlement cheque*;
 - 30.11.2 the completion address in clause 16.11 is the *Electronic Workspace*; and
 - 30.11.3 clauses 13.13.2 to 13.13.4, 16.8, 16.12, 16.13 and 31.2.2 to 31.2.4 do not apply.
- 30.12 If the computer systems of any of the *Land Registry*, the *ELNO* or the Reserve Bank of Australia are inoperative for any reason at the *completion time* agreed by the *parties*, a failure to complete this contract for that reason is not a default under this contract on the part of either *party*.
- 30.13 If the computer systems of the *Land Registry* are inoperative for any reason at the *completion time* agreed by the *parties*, and the *parties* choose that financial settlement is to occur despite this, then on financial settlement occurring –
- 30.13.1 all *electronic documents Digitally Signed* by the vendor, the *certificate of title* and any discharge of mortgage, withdrawal of caveat or other *electronic document* forming part of the *Lodgment Case* for the *electronic transaction* shall be taken to have been unconditionally and irrevocably delivered to the purchaser or the purchaser's mortgagee at the time of financial settlement together with the right to deal with the land comprised in the *certificate of title*; and

Additional conditions

The following are Additional conditions to pre-printed standard provisions 1 - 32 of the Contract for the Sale and Purchase of Land 2019 edition (NSW). Those provisions are contained in pre-printed pages numbered 4 - 19 that are attached to this contract and bear a watermark with the address of the property. To the extent of any inconsistency, the Additional conditions override the pre-printed standard provisions 1 - 32.

Additional condition 1 - Notice to complete

If either party is unable or unwilling to complete by the date for completion shown on the front page of this contract, the other party may at any time after that date serve a notice to complete making the time for completion essential. Such a notice must give not less than 14 days' notice after the day immediately following the day on which that notice is received by the recipient of the notice. That notice may nominate a specified hour on the last day as the time for completion. The parties agree that a notice to complete of such duration is reasonable and sufficient to render the time for completion essential.

Additional condition 2 - Interest for late completion

If the purchaser does not complete the purchase by the date for completion shown on the front page of this contract, without default by the vendor, the purchaser shall pay to the vendor on completion, in addition to the balance purchase money, an amount calculated as 8% per annum interest on the balance purchase money, computed at a daily rate from and including the day immediately after the date for completion shown on the front page of this contract to and including the date on which this sale shall be completed. The parties agree that this amount is a genuine pre-estimate of the vendor's loss of interest for the purchase money and liability for rates and outgoings.

Additional condition 3 - Death, unsoundness of mind or corporate restructure

This contract may be rescinded by the vendor (not otherwise in default of this contract) if the purchaser:

- a. where the purchaser is an individual, dies or provides to the vendor medical certification that due to unsoundness of mind, the purchaser is unable to manage its affairs and this inability will or is reasonably expected to continue beyond the date for completion shown on the front page of this contract; or
- b. where the purchaser is a company, resolves to go into liquidation, has a petition for its winding up presented, enters into any scheme of arrangement with its creditors under the Corporations Act or any similar legislation or has a liquidator, provisional liquidator, receiver, receiver and manager or official manager appointed to it.

Additional condition 4 - Change to standard contract clause

Standard pre-printed clause 7.1.1 of the contract is amended so that the words “5% of the price” are deleted and “\$1.00” is inserted.

Additional condition 5 - Condition of property

The purchaser acknowledges that in relation to the land, the improvements on the land and any inclusions referred to in this contract:

- a. they are sold in their present condition and state of repair;
- b. the purchaser has inspected them and is satisfied as to their condition; and
- c. the vendor is under no obligation at any time to effect any repairs, carry out any works or upgrade them.

The purchaser cannot raise a requisition, make a claim for compensation to the vendor, seek damages from the vendor or rescind or terminate the contract or attempt to delay completion in respect of any matters referred to in this Additional condition 5.

INSTRUCTIONS FOR COMPLETION

1. This form must be completed clearly and legibly in permanent, dense, black or dark blue non-copying ink. If using a dot-matrix printer the print must be letter-quality.
2. Do not use an eraser or correction fluid to make alterations: rule through rejected material. Initial each alteration in the left-hand margin.
3. If the space provided at any point is insufficient you may annex additional pages. These must be the same size as the form; paper quality, colour, etc, should conform to the requirements set out in Land Titles Office Information Bulletin No. 19. The first and last pages must be signed by the person witnessing the affixing of the seal of the body corporate.
4. The following instructions relate to the marginal letters on the form.

(A) COMMON PROPERTY REFERENCE TO TITLE

Show the Reference to Title of the common property, for example "CP/SP12345" or "Volume 12345 Folio 111".

(B) LODGED BY

This section is to be completed by the person or firm lodging the dealing at the Land Titles Office.

(C) STRATA PLAN

Show the number of the Strata Plan, the date on which the resolution was passed, the relevant section of the Strata Titles Act 1973 and if appropriate the Supreme Court Order number. The following may be used as a guide:

A change of by-laws pursuant to section 58 (2) of the Act is one which does not create rights of exclusive use and enjoyment of, or special privileges in respect of, common property.

A change of by-laws pursuant to section 58 (11) of the Act is one which changes the terms of an order of a Strata Titles Board having the effect of a by-law and must accordingly be made pursuant to a unanimous resolution.

A change of by-laws pursuant to clause 15 of Schedule 4 of the Act is one which confirms rights of exclusive use and enjoyment of, or special privileges in respect of, common property where such rights were in existence (either pursuant to a resolution of the body corporate or a former by-law) prior to 1st July, 1974. The new by-law must indicate how it may be amended, added to or repealed.

Where the initial period has expired, a change of by-laws pursuant to section 58 (7) of the Strata Titles Act 1973 allows a body corporate, with the consent in writing of a proprietor and pursuant to a special resolution, to make a by-law conferring on that proprietor the exclusive use and enjoyment of, or special privileges in respect to, common property, or by special resolution to make a by-law amending, adding to or repealing any by-law previously made under the subsection.

Where the initial period has not expired, a change of by-laws pursuant to section 58 (7) of the Strata Titles Act 1973 must be authorised by the Supreme Court of New South Wales or the Strata Titles Board: see section 66 (1). The Supreme Court or Strata Titles Board Order number must be shown at note (C).

A by-law made pursuant to sections 66(3) and 58(7) of the Strata Titles Act 1973, before the initial period has expired, confers a right to park a vehicle on part of the common property. This section only allows the addition of a by-law and the Council's Certificate must be completed.

The Registrar General does not require the lodgment of a plan for the purpose of the allocation of rights of exclusive enjoyment of, or special privileges in respect of, common property unless it is referred to as an annexure in the by-law, in which case the plan must comply with the appropriate Real Property Act Regulations.

(D) REPEALED/INSERTED/ADDED BY-LAW NUMBER

By-laws additional to those already operating should be numbered consecutively commencing with the number next after the number allotted to the last by-law. Amendment of a by-law is effected by fully repealing the existing by-law and substituting the new by-law in the terms required.

(E) EXECUTION

The common seal of the body corporate must be affixed in the presence of the person(s) authorised by section 55 of the Strata Titles Act 1973 to attest the affixing of the seal. Show the number of the Strata Plan and the date on which the common seal was affixed. The appropriate section should be completed by the attesting witness.

(F) COUNCIL'S CERTIFICATE

The Certificate must be completed when a by-law is made pursuant to sections 66(3) and 58(7) before the initial period has expired.

The completed dealing must be lodged by hand at the Land Titles Office, Queen's Square, Sydney (adjacent to the Hyde Park Barracks) and must be accompanied by the relevant Certificate of Title for the Common Property.

If you have any questions about filing out this form, please call (02) 228-6666 and ask for Customer Services Branch.

Important information

Who is protected by a clearance certificate?

A clearance certificate states whether there is any land tax (including surcharge land tax) owing on a property. The certificate protects a purchaser from outstanding land tax liability by a previous owner, however it does not provide protection to the owner of the land.

When is a certificate clear from land tax?

A certificate may be issued as 'clear' if:

- the land is not liable or is exempt from land tax
- the land tax has been paid
- Revenue NSW is satisfied payment of the tax is not at risk, or
- the owner of the land failed to lodge a land tax return when it was due, and the liability was not detected at the time the certificate was issued.

Note: A clear certificate does not mean that land tax was not payable, or that there is no land tax adjustment to be made on settlement if the contract for sale allows for it.

When is a certificate not clear from land tax?

Under section 47 of the *Land Tax Management Act 1956*, land tax is a charge on land owned in NSW at midnight on 31 December of each year. The charge applies from the taxing date and does not depend on the issue of a land tax assessment notice. Land tax is an annual tax so a new charge may occur on the taxing date each year.

How do I clear a certificate?

A charge is removed for this property when the outstanding land tax amount is processed and paid in full. Payment can be made during settlement via an accepted Electronic Lodgement Network or at an approved settlement room.

To determine the land tax amount payable, you must use one of the following approved supporting documents:

- Current year land tax assessment notice. This can only be used if the settlement date is no later than the first instalment date listed on the notice. If payment is made after this date interest may apply.
- Clearance quote or settlement letter which shows the amount to clear.

The charge on the land will be considered removed upon payment of the amount shown on these documents

How do I get an updated certificate?

A certificate can be updated by re-processing the certificate through your Client Service Provider (CSP), or online at www.revenue.nsw.gov.au.

Please allow sufficient time for any payment to be processed prior to requesting a new version of the clearance certificate.

Building Over/Adjacent a Sydney Water Asset Letter

Property: 54 Parramatta St Cronulla NSW 2230

Application no: [10586407](#)

Dear Sir/Madam,

Sydney Water has no record of approval being given for the erection of the **building or structure** on the above property **over/adjacent** to the **sewer main** or if any required precautions were taken.

It is Sydney Water's policy to ensure that all structures erected over or in close proximity to a **sewer main** have footings which will not transmit any load of the structures to the conduit and allow access for maintenance purposes without affecting the stability of the structure.

In the circumstances, Sydney Water will not object to the structure remaining in its present state but will not accept any responsibility for claims of damage arising out of the presence on the property of the **sewer main** and maintenance operations carried out thereon, and which did not result from negligence on the part of Sydney Water.

Sydney Water advises that under the State Records Act it is required to maintain records relating to building over/adjacent to Sydney Water assets for a **maximum of twenty-five (25) years**, and does not guarantee its' records outside this period.

Yours sincerely
