ATTACHMENT 1(2)(A)**PLANNING PROPOSALS TO INTRODUCE EXEMPT DEVELOPMENT CRITERIA FOR ADVERTISING ON COUNCIL OWNED INFRASTRUCTURE (1/2020/PLP & 2/2020/PLP)**

On 13 August 2019, Council resolved to initiate two planning proposals to amend The Hills Local Environmental Plan 2019 (1/2020/PLP) and State Environmental Planning Policy (Sydney Region Growth Centres) 2006 as it relates to the North Kellyville and Box Hill Release Areas (2/2020/PLP) to include exempt development criteria for advertising undertaken by or on behalf of Council on bus shelters, seats, street signs and bridges.

The proposed amendments seek to establish a clear administrative pathway for the provision of advertising on 'road related infrastructure' by Council and clarify the permissibility and approval pathway for this form of advertising through Council's LEP and the Growth Centres SEPP.

The proposed exempt development criteria would control the location, scale and design of small scale advertising on structures such as bus shelters, seats and street signs to ensure they are of minimal environmental impact. It would also require signage on bridges to comply with the provisions of the State Government's Transport Corridor Outdoor Advertising Signage Guidelines.

Gateway Determinations have been issued by the Department of Planning, Industry and Environment for both planning proposals. Delegation for making of the amendments has been issued to Council under the Gateway Determinations.

For further information please contact Council's Duty Planner on 9843 0469.

The above details are in keeping with the exhibited planning proposal. Please note that changes to the planning proposal may be made post exhibition. The current status and details of the planning proposal can be viewed on Council's website www.thehills.nsw.gov.au under the 'Building' menu bar, then 'Application Tracking'.

Important information

Who is protected by a clearance certificate?

A clearance certificate states whether there is any land tax (including surcharge land tax) owing on a property. The certificate protects a purchaser from outstanding land tax liability by a previous owner, however it does not provide protection to the owner of the land.

When is a certificate clear from land tax?

A certificate may be issued as 'clear' if:

- the land is not liable or is exempt from land tax
- the land tax has been paid
- Revenue NSW is satisfied payment of the tax is not at risk, or
- the owner of the land failed to lodge a land tax return when it was due, and the liability was not detected at the time the certificate was issued.

Note: A clear certificate does not mean that land tax was not payable, or that there is no land tax adjustment to be made on settlement if the contract for sale allows for it.

When is a certificate not clear from land tax?

Under section 47 of the *Land Tax Management Act 1956*, land tax is a charge on land owned in NSW at midnight on 31 December of each year. The charge applies from the taxing date and does not depend on the issue of a land tax assessment notice. Land tax is an annual tax so a new charge may occur on the taxing date each year.

How do I clear a certificate?

A charge is removed for this property when the outstanding land tax amount is processed and paid in full. Payment can be made during settlement via an accepted Electronic Lodgement Network or at an approved settlement room.

To determine the land tax amount payable, you must use one of the following approved supporting documents:

- Current year land tax assessment notice. This can only be used if the settlement date is no later than the first instalment date listed on the notice. If payment is made after this date interest may apply.
- Clearance quote or settlement letter which shows the amount to clear.

The charge on the land will be considered removed upon payment of the amount shown on these documents

How do I get an updated certificate?

A certificate can be updated by re-processing the certificate through your Client Service Provider (CSP), or online at www.revenue.nsw.gov.au.

Please allow sufficient time for any payment to be processed prior to requesting a new version of the clearance certificate.

Land value, tax rates and thresholds

The taxable land value shown on the clearance certificate is the value used by Revenue NSW when assessing land tax. Details on land tax rates and thresholds are available at www.revenue.nsw.gov.au.
