IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING-LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the Home Building Act 1989, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

- 1. This is the statement required by section 66X of the Conveyancing Act 1919 and applies to a contract for the sale of residential property.
- The purchaser may rescind the contract at any time before 5 p.m. on the fifth business day after the day on which the contract was made, EXCEPT in the circumstances listed in paragraph 3.
- There is NO COOLING OFF PERIOD:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
- 4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNINGS

 Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

Australian Taxation Office

Council

County Council

Department of Planning and Environment

Department of Primary Industries
East Australian Pipeline Limited

Electricity and gas

Land & Housing Corporation

Local Land Services

NSW Department of Education

NSW Fair Trading

NSW Public Works Advisory

Office of Environment and Heritage

Owner of adjoining land

Privacy

Roads and Maritime Services Subsidence Advisory NSW

Telecommunications

Transport for NSW

Water, sewerage or drainage authority

If you think that any of these matters affects the property, tell your solicitor.

- A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
- If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
- If a consent to transfer is required under legislation, see clause 27 as to the obligations
 of the parties.
- The vendor should continue the vendor's insurance until completion. If the vendor
 wants to give the purchaser possession before completion, the vendor should first ask
 the insurer to confirm this will not affect the insurance.
- The purchaser will usually have to pay stamp duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.
- If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
- The purchaser should arrange insurance as appropriate.
- Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
- A purchaser should be satisfied that finance will be available at the time of completing the purchase.
- 11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
- Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

2 Deposit and other payments before completion

- 2.1 The purchaser must pay the deposit to the depositholder as stakeholder.
- 2.2 Normally, the purchaser must pay the deposit on the making of this contract, and this time is essential.
- 2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.
- 2.4 The purchaser can pay any of the deposit by giving cash (up to \$2,000) or by unconditionally giving a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder*.
- 2.5 If any of the deposit is not paid on time or a cheque for any of the deposit is not honoured on presentation, the vendor can terminate. This right to terminate is lost as soon as the deposit is paid in full.
- 2.6 If the vendor accepts a bond or guarantee for the deposit, clauses 2.1 to 2.5 do not apply.
- 2.7 If the vendor accepts a bond or guarantee for part of the deposit, clauses 2.1 to 2.5 apply only to the balance.

If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor 2.8 directs, it is a charge on the land in favour of the purchaser until termination by the vendor or completion,

subject to any existing right.

If each party tells the depositholder that the deposit is to be invested, the depositholder is to invest the deposit 2.9 (at the risk of the party who becomes entitled to it) with a bank, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the parties equally, after deduction of all proper government taxes and financial institution charges and other charges.

3 Deposit-bond

This clause applies only if this contract says the vendor has agreed to accept a deposit-bond for the deposit 3.1 (or part of it).

The purchaser must provide the original deposit-bond to the vendor's solicitor (or if no solicitor the 3.2 depositholder) at or before the making of this contract and this time is essential.

If the deposit-bond has an expiry date and completion does not occur by the date which is 14 days before the 3.3 expiry date, the purchaser must serve a replacement deposit-bond at least 7 days before the expiry date. The time for service is essential.

The vendor must approve a replacement deposit-bond if -3.4

it is from the same issuer and for the same amount as the earlier deposit-bond; and 3.4.1

it has an expiry date at least three months after its date of issue. 3.4.2

A breach of clauses 3.2 or 3.3 entitles the vendor to terminate. The right to terminate is lost as soon as -3.5

the purchaser serves a replacement deposit-bond; or 3.5.1 the deposit is paid in full under clause 2. 3.5.2

Clauses 3.3 and 3.4 can operate more than once. 3.6

If the purchaser serves a replacement deposit-bond, the vendor must serve the earlier deposit-bond. 3.7

The amount of any deposit-bond does not form part of the price for the purposes of clause 16.7. 3.8

The vendor must give the purchaser the deposit-bond -3.9

- on completion; or 3.9.1
- if this contract is rescinded. 3.9.2

If this contract is terminated by the vendor -3.10

- normally, the vendor can immediately demand payment from the issuer of the deposit-bond; or 3.10.1
- if the purchaser serves prior to termination a notice disputing the vendor's right to terminate, the 3.10.2 vendor must forward the deposit-bond (or its proceeds if called up) to the depositholder as stakeholder.
- If this contract is terminated by the purchaser -3.11

normally, the vendor must give the purchaser the deposit-bond; or 3.11.1

if the vendor serves prior to termination a notice disputing the purchaser's right to terminate, the 3.11.2 vendor must forward the deposit-bond (or its proceeds if called up) to the depositholder as stakeholder.

Transfer 4

- Normally, the purchaser must serve at least 14 days before the date for completion -4.1
 - 4.1.1 the form of transfer; and
 - particulars required to register any mortgage or other dealing to be lodged with the transfer by 4.1.2 the purchaser or the purchaser's mortgagee.
- If any information needed for the form of transfer is not disclosed in this contract, the vendor must serve it. 4.2

If the purchaser serves a form of transfer and the transferee is not the purchaser, the purchaser must give 4.3 the vendor a direction signed by the purchaser personally for this form of transfer.

The vendor can require the purchaser to include a form of covenant or easement in the transfer only if this 4.4 contract contains the wording of the proposed covenant or easement, and a description of the land benefited.

Requisitions 5

- If a form of requisitions is attached to this contract, the purchaser is taken to have made those requisitions. 5.1
- If the purchaser is or becomes entitled to make any other requisition, the purchaser can make it only by 5.2 serving it
 - if it arises out of this contract or it is a general question about the property or title within 21 days 5.2.1 after the contract date;
 - if it arises out of anything served by the vendor within 21 days after the later of the contract 5.2.2 date and that service; and
 - in any other case within a reasonable time. 5.2.3

Error or misdescription 6

- The purchaser can (but only before completion) claim compensation for an error or misdescription in this 6.1 contract (as to the property, the title or anything else and whether substantial or not).
- This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing 6.2 or giving rise to the error or misdescription.
- However, this clause does not apply to the extent the purchaser knows the true position. 6.3

7 Claims by purchaser

The purchaser can make a claim (including a claim under clause 6) before completion only by serving it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

- 7.1 the vendor can rescind if in the case of claims that are not claims for delay -
 - 7.1.1 the total amount claimed exceeds 5% of the price;
 - 7.1.2 the vendor serves notice of intention to rescind; and
 - 7.1.3 the purchaser does not serve notice waiving the claims within 14 days after that service; and
- 7.2 if the vendor does not rescind, the parties must complete and if this contract is completed -
 - 7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;
 - 7.2.2 the amount held is to be invested in accordance with clause 2.9;
 - 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or (if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
 - 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
 - 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and
 - 7.2.6 if the parties do not appoint an arbitrator and neither party requests the President to appoint an arbitrator within 3 months after completion, the claims lapse and the amount belongs to the vendor.

8 Vendor's rights and obligations

- 8.1 The vendor can rescind if -
 - 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a requisition;
 - 8.1.2 the vendor serves a notice of intention to rescind that specifies the requisition and those grounds; and
 - 8.1.3 the purchaser does not serve a notice waiving the requisition within 14 days after that service.
- 8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can terminate by serving a notice. After the termination
 - 8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract:
 - 8.2.2 the purchaser can sue the vendor to recover damages for breach of contract; and
 - 8.2.3 if the purchaser has been in possession a party can claim for a reasonable adjustment.

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can —

- 9.1 keep or recover the deposit (to a maximum of 10% of the price);
- 9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause –
 - 9.2.1 for 12 months after the termination; or
 - 9.2.2 if the vendor commences proceedings under this clause within 12 months, until those proceedings are concluded; and
- 9.3 sue the purchaser either -

- 13.3 If under this contract a party must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7)
 - 13.3.1 the party must adjust or pay on completion any GST added to or included in the expense; but
 - 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
 - 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern -
 - 13.4.1 the parties agree the supply of the property is a supply of a going concern;
 - the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
 - if the purchaser is not registered by the date for completion, the parties must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the GST rate ("the retention sum"). The retention sum is to be held by the depositholder and dealt with as follows
 - if within 3 months of completion the purchaser serves a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the depositholder is to pay the retention sum to the purchaser; but
 - if the purchaser does not serve that letter within 3 months of completion, the depositholder is to pay the retention sum to the vendor; and
 - 13.4.4 if the vendor, despite clause 13.4.1, serves a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 Normally, the vendor promises the margin scheme will not apply to the supply of the property.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the parties agree that the margin scheme is to apply to the sale of the property.
- 13.7 If this contract says the sale is not a taxable supply -
 - 13.7.1 the purchaser promises that the property will not be used and represents that the purchaser does not intend the property (or any part of the property) to be used in a way that could make the sale a taxable supply to any extent; and

- the purchaser must pay the vendor on completion in addition to the price an amount calculated 13.7.2 by multiplying the price by the GST rate if this sale is a taxable supply to any extent because of -
 - · a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the 13.8 property, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if -

this sale is not a taxable supply in full; or 13.8.1

the margin scheme applies to the property (or any part of the property). 13.8.2

If this contract says this sale is a taxable supply to an extent -13.9

- clause 13.7.1 does not apply to any part of the property which is identified as being a taxable 13.9.1 supply: and
- the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant 13.9.2 payment by the proportion of the price which represents the value of that part of the property to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- Normally, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply 13.10 by the vendor by or under this contract.
- The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable 13.11 supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.

If the purchaser must make an RW payment the purchaser must -13.13

- at least 5 days before the date for completion, serve evidence of submission of an RW payment notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been served, by the transferee named in the transfer served with that direction;
- produce on completion a settlement cheque for the RW payment payable to the Deputy 13.13.2 Commissioner of Taxation;
- forward the settlement cheque to the payee immediately after completion; and 13.13.3
- serve evidence of receipt of payment of the RW payment. 13.13.4

Adjustments 14

- If an amount that is adjustable under this contract has been reduced under legislation, the parties must on 14.3 completion adjust the reduced amount.
- The parties must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any 14.4 other land tax for the year current at the adjustment date

 - by adjusting the amount that would have been payable if at the start of the year -14.4.2
 - the person who owned the land owned no other land;

- Normally, the vendor can direct the purchaser to produce a settlement cheque on completion to pay an 14.6 amount adjustable under this contract and if so
 - the amount is to be treated as if it were paid; and 14.6.1
 - the cheque must be forwarded to the payee immediately after completion (by the purchaser if the 14.6.2 cheque relates only to the property or by the vendor in any other case).
- If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the 14.7 adjustment date, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the adjustment date.
- The vendor is liable for any amount recoverable for work started on or before the contract date on the 148 property or any adjoining footpath or road.

THIS AND THE FOLLOWING PAGES ARE THE SPECIAL CONDITIONS REFERRED TO IN THE AGREEMENT FOR SALE OF LAND

BETWEEN: STEVEN RONALD WANNELL AND HAZEL WANNELL

AND:

DATED: this day of 2019.

PERIOD OF NOTICE TO COMPLETE

In the event of either party to this Agreement failing to complete within the time that the other party is entitled to call for completion pursuant to the terms hereof, the party ready to complete shall be entitled any time thereafter to serve upon the other party or his solicitors a Notice to Complete requiring completion within fourteen (14) days from the date of service of such notice and for the purpose of this Agreement such notice shall be deemed to be sufficient both at law and in equity to make time of the essence of the Agreement provided that nothing herein contained shall affect the time at which or the circumstances in which a party shall be entitled to issue a Notice to Complete.

CONDITION OF PREMISES

The Purchaser acknowledges that he is purchasing the property:

- (a) in its present condition and state of repair;
- (b) subject to all defects latent or patent;
- (c) subject to any infestations and dilapidations;
- (d) subject to all existing services; and
- (e) as a result of his own enquiries and inspections and not as a result of any representations made by or on behalf of the Vendor.

The Purchaser shall not make any objection requisition or claim for compensation arising out of any of the matters referred to in this Clause.

3. PURCHASE SUBJECT TO EXISTING SERVICES

The Purchaser shall take title subject to all existing water, sewerage, drainage, gas, electrical and other mains and service connections, pipes or distributors installed within the land hereby agreed to be sold whether or not connected to any improvements erected on the property and the Purchaser shall not make any objection, requisition or claim for compensation nor be entitled to rescind or fail to complete this Agreement by reason of any such installations as aforesaid and the Purchaser shall be deemed to have satisfied himself as to the position and nature of such installations by virtue of having signed this Agreement.

PAYMENT OF INTEREST BY PURCHASER

Notwithstanding anything herein contained if the Purchaser fails to complete this Agreement in accordance with the terms hereof by the date referred to in this Contract otherwise than through any default on the part of the Vendor then the Purchaser agrees to pay on completion, in addition to the purchase price and any other moneys payable hereunder:

- (a) interest on the unpaid balance of the purchase price at the rate of eight per centum (8%) per annum calculated on a daily basis from the date stipulated for completion to the actual date of completion; and

It is hereby agreed that there are no conditions, warranties or other terms affecting the sale other than those embodied herein and this Agreement contains the whole of the Agreement between the Vendor and the Purchaser and the Purchaser

shall not be entitled to rely on any representation however made by the Vendor or his agent except such as are made conditions of this Agreement.

NOTIFICATIONS

The property agreed to be sold is subject to all notifications and encumbrances (other than any mortgage or caveat) discoverable upon search.

TRANSFER OF TITLE

The Vendor's obligation to transfer title under this Agreement shall be interdependent with the payment of any moneys under this Agreement (including interest for late completion and any fee payable in respect of the Purchaser obtaining early possession of the property) and non-payment of any part of such moneys shall constitute a breach of an essential term of this Agreement.

- (b) If either party, being a natural person, shall die or become mentally ill or have a bankruptcy petition presented against him or be declared bankrupt or enter into any scheme or make any assignment for the benefit of creditors;

RELEASE OF DEPOSIT TO VENDOR

Deleted.

13. WATER AND SEWER USAGE CHARGES

On completion, the vendor will allow amounts for water and sewer usage charges for which the relevant authority has not issued accounts. The amounts must be calculated by multiplying the number of unbilled days up to and including the adjustment date by the average charge per day for usage for the last period for which an account is issued.

14. DEPOSIT OF LESS THAN 10%

- 14.1 Notwithstanding anything to the contrary contained elsewhere in this Contract, should the Vendor agree to accept payment of the 10% deposit by way of instalments the Purchaser acknowledges and agrees that the deposit will be paid as follows:
 - (a) as to 5% of the purchase price on the date of this Contract; and

 - (i) completion of this Contract; or

- 14.4 If the Purchaser fails to pay the sum on demand by the Vendor then the Vendor may terminate the Contract and recover the entire 10% deposit from the Purchaser as a debt.
- 14.5 This Special Condition will not merge upon Completion.

15. PEXA -V- PAPER SETTLEMENT

- 15.1 If the Vendor determines that this matter is an "electronic settlement" on the PEXA platform, then in the event the Purchaser's Solicitor/Conveyancer is unable or unwilling to settle this matter on the PEXA platform then the Purchaser agrees to allow the Vendor's Solicitor's reasonable expenses in the sum of \$330.00 (incl. GST) to attend settlement at either the office of the Vendor or the Vendor's mortgagee on title. These expenses are a genuine preestimate of actual expenses incurred by the Vendor's Solicitor if settlement does not take place electronically.
- 15.2 The Vendor is not obliged to settle the matter if the fees referred to in 15.1 above are not paid by the Purchaser in addition to the purchase price and adjustments on settlement.
- 15.3 If any of the provisions of this Contract are inconsistent with this clause, the provisions of this clause prevail.
- 15.4 In the event the Purchaser advises the Vendor's Solicitor that they are unable to conduct an electronic settlement and this advice causes a delay to the due date for settlement under the Contract the Vendor is entitled to charge interest to the Purchaser pursuant to clause 4(a) hereto for each day settlement is delayed. This includes any delay to the due date for settlement caused by the Vendor's mortgagee's inability to settle which is a direct result of the Purchaser's notice of its inability to settle this matter electronically.

DISCREPANCY

16.1 In the event of any discrepancy between these Special Conditions and the printed form of this Contract these Special Conditions shall prevail.

Important information

Who is protected by a clearance certificate?

A clearance certificate states whether there is any land tax (including surcharge land tax) owing on a property. The certificate protects a purchaser from outstanding land tax liability by a previous owner, however it does not provide protection to the owner of the land.

When is a certificate clear from land tax?

A certificate may be issued as 'clear' if:

- . the land is not liable or is exempt from land tax
- . the land tax has been paid
- · Revenue NSW is satisfied payment of the tax is not at risk, or
- the owner of the land failed to lodge a land tax return when it was due, and the liability was not detected at the time the certificate was issued.

Note: A clear certificate does not mean that land tax was not payable, or that there is no land tax adjustment to be made on settlement if the contract for sale allows for it.

When is a certificate not clear from land tax?

Under section 47 of the Land Tax Management Act 1956, land tax is a charge on land owned in NSW at midnight on 31 December of each year. The charge applies from the taxing date and does not depend on the issue of a land tax assessment notice. Land tax is an annual tax so a new charge may occur on the taxing date each year.

How do I clear a certificate?

A charge is removed for this property when the outstanding land tax amount is processed and paid in full.

To determine the land tax amount payable, you must use one of the following approved supporting documents:

- Current year land tax assessment notice. This can only be used if the settlement date is no later than the first instalment date listed on the notice. If payment is made after this date interest may apply.
- Clearance quote or settlement letter which shows the amount to clear.

The charge on the land will be considered removed upon payment of the amount shown on these documents

How do I get an updated certificate?

A certificate can be updated by re-processing the certificate through your Client Service Provider (CSP), or online at www.revenue.nsw.gov.au.

Please allow sufficient time for any payment to be processed prior to requesting a new version of the clearance certificate.

Land value, tax rates and thresholds

The taxable land value shown on the clearance certificate is the value used by Revenue NSW when assessing land tax. Details on land tax rates and thresholds are available at www.revenue.nsw.gov.au.
