### **Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)**

#### Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:

- a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
- b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
- c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

#### Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (<https://1100.com.au>) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

#### ***Land Tax Act 1936 and Regulations* thereunder**

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

#### ***Animal and Plant Control (Agriculture Protection and other purposes) Act 1986 and Regulations***

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

- The vendor about the known presence of proclaimed plants or animals on the property including details which the vendor can obtain from records held by the local animal and plant control board
- The local animal and plant control board or the Animal and Plant Control Commission on the policies and priorities relating to the control of any serious proclaimed plants or animals in the area where the property is located.

#### ***Landscape South Australia 2019***

Water Resources Management - Taking of underground water

Under the provisions of the *Landscape South Australia Act 2019*, if you intend to utilise underground water on the land subject to this enquiry the following apply:

- A well construction permit accompanied by the prescribed fee is required if a well/bore exceeding 2.5 meters is to be constructed. As the prescribed fee is subject to annual review, you should visit the webpage below to confirm the current fee
- A licensed well driller is required to undertake all work on any well/bore
- Work on all wells/bores is to be undertaken in accordance with the *General specification for well drilling operations affecting water in South Australia*.

IN CONSIDERATION of the transfer of the said land to the encumbrancer by the Encumbrancee or FOR VALUABLE CONSIDERATION hereby acknowledged to have been received by the encumbrancer from the Encumbrancee AND DESIRING TO render the said land available for the purposes of securing to the Encumbrancee the rent charge hereinafter mentioned and the performance and observance of the covenants on the part of the encumbrancer hereinafter contained the encumbrancer DOES HEREBY ENCUMBER the said land with the payment to the Encumbrancee of the annual sum or yearly rent charge of TEN CENTS (10c) payable (if demanded by the Encumbrancee) on the 1st day of January in each and every year commencing on the 1st day of January next after the execution hereof to the intent that the Encumbrancee shall hold the said rent charge in <sup>PEACEFULLY</sup> ~~and in REPOSE~~ AND with the performance and observance of the covenants on the part of the encumbrancer hereinafter contained PROVIDED THAT the Encumbrancee shall not demand payment of the said rent charge if and so long as the encumbrancer and his successors in title shall duly perform and observe all the covenants and other stipulations hereinafter contained (and the burden of proving such performance and observance shall lie upon the encumbrancer), but none of the foregoing provisions for or in respect of payment of the said annuity or rent charge shall in any way effect or prejudice the rights of the Encumbrancee or any other person claiming under the Encumbrancee as purchaser of any part or parts of the Development Zone to an injunction to prevent or restrain any breach of the covenants and other stipulations hereinafter contained or to damages for any such breach.

The encumbrancer for himself and his successors in title HEREBY COVENANTS with the Encumbrancee as proprietor of and with all other persons claiming under the Encumbrancee as purchasers of any part or parts of the Development Zone more particularly delineated in the plan deposited in the General Registry Office numbered ...<sup>24581</sup>.../or attached hereto if a plan number has not been issued (hereinafter called the Development Zone) and therein margined red (to the intent that the benefit of such covenants shall be annexed to and devolve with each and every part of the said Development Zone other than the land hereby encumber) as follows: -

1. That the said land will not be used for any purpose nor will any part of the said land be used for any purpose unless such use shall be a use contemplated by the planning regulations from time to time in force affecting the said land as being permitted (either unconditionally or subject to consent of the local Council) in an area zoned as a residential zone.
2. That notwithstanding the provisions of clause 1 hereof the said land will not be used for any purpose nor will any part of the said land be used for any purpose unless such use shall be permitted and lawful under and in accordance with the planning regulations from time to time in force and under and in accordance with the conditions of any consent given for or in respect of such by any Council or other authority under such regulations.

3. (1) That no building or structure (including a fence or wall of any nature whatsoever) will be erected or made on in or over the said land or any part thereof unless sketch plans and a

schedule of materials sufficient to outline the building or structure have received the prior written approval of the Encumbrancee.

(2) That no siteworks (including fencing any excavation filling or retaining walls) will be erected made or carried out on or about the said land or any part thereof unless sketch plans sufficient to outline the works have received the prior written approval of the Encumbrancee.

(3) That no external sign or hoarding or any tank or any mast or pole of any description or television antenna or radio aerial will be erected or made on or over the said land or any part thereof on or outside any building or structure on the said land or on any part thereof without prior written approval of the Encumbrancee.

PROVIDED THAT the Encumbrancee will not unreasonably or capriciously refuse or withhold any such approval but a refusal shall not be or be deemed unreasonable or capricious if a registered architect shall have certified that the proposed works do not conform with the general standards of design and planning of the development of other lands within the Development Zone or that the proposed works are undesirable by reason of the effect they would have upon the development, appearance, health or amenities of the neighbourhood or any part of it.

4. That no undue delay will be permitted by the encumbrancer to occur in the commencement or in the completion of any work approved by the Encumbrancee and no variation to such work as approved will be permitted other than in accordance with the terms of any subsequent written approval of the Encumbrancee given before such variation was commenced.

5. That the said land will not be divided.

6. The purchaser acknowledges that the subdivider may plant up to two trees on the block in any position provided such trees are not more than two metres from the front boundary of the block and which tree/trees will be nurtured and protected by the owner and occupier.

7. If the construction of a dwelling approved by the Encumbrancee in accordance with Clause 3 (1) hereof is not commenced within FIVE calendar months from the date hereof or such further times as the Encumbrancee may advise the encumbrancer, the encumbrancer will, at the request of the Encumbrancee made within six calendar months of the expiration of the said FIVE calendar months (or the said further time as the case may be) transfer to the Encumbrancee or its nominee twenty eight days after the date of such request (which is hereinafter referred to as "the date of transfer") an estate in fee simple in the said land subject only to this encumbrance for such price (not being less than \$29,250.00) as the Encumbrancee may in its sole discretion determine and will execute a Memorandum of Transfer of the said land submitted to the encumbrancer by the Encumbrancee in a form registerable under the Real Property Act 1886 as amended and return the same to the Encumbrancee on or prior to the date of transfer together with

the duplicate Certificate of Title for the said land. Rates and taxes and all other outgoings in respect of the said land will be adjusted to the date of transfer and all costs associated with the said Memorandum of Transfer shall be borne by the Encumbrancee or its nominee. The said consideration shall be payable to the encumbrancer on delivery to the Encumbrancee of the said Memorandum of Transfer and duplicate Certificate of Title for the said land.

8. (a) The encumbrancer shall not lease or transfer the said land before the expiration of twenty (20) years from the date hereof unless a dwelling approved by the Encumbrancee in accordance with Clause 3 (1) hereof has been completed upon the said land PROVIDED THAT if such a dwelling has not been so completed and the encumbrancer shall desire to transfer the said land the Encumbrancee shall have the option of re-purchasing the said land subject only to this encumbrance for the price stated in Clause 6 hereof.

(b) In such case the encumbrancer shall make an offer in writing addressed to the Encumbrancee or its nominee for the abovementioned price and such offer will remain open for acceptance for one calendar month after the date of service of the offer.

(c) If the offer is accepted the encumbrancer shall sell the said land to the Encumbrancee or its nominee upon the terms in this clause mentioned and settlement will be effected and the purchase paid in full within one calendar month from the date of acceptance in exchange for a proper registerable transfer of the said land (subject only to this encumbrance) and delivery of the duplicate Certificate of Title. Rates and taxes and all other outgoings in respect of the said land will be adjusted to the date of settlement and all costs associated with the transfer will be borne by the Encumbrancee or its nominee.

(d) The offer shall be served on the Encumbrancee by being left at or posted in a pre-paid envelope addressed to the Encumbrancee at its registered office in South Australia.

(e) Until the expiration of the said period of one month from the date of service of the offer the encumbrancer shall not be at liberty to transfer or agree to transfer the said land otherwise than in accordance with this option unless in the meantime the Encumbrancee shall in writing unconditionally decline such offer.

(f) This clause shall not apply in the case of a transfer of the said land from the executor of the will or the administrator of the estate of the encumbrancer to a person entitled to the said land under the will or upon the intestacy of the encumbrancer.

(g) If the encumbrancer shall advertise or cause to permit the said land to be advertised for sale before a dwelling approved by the Encumbrancee in accordance with Clause 3 (1) hereof has been completed upon the said land or the Encumbrancee has declined an offer to purchase the said land pursuant to sub-clause (c) hereof the Encumbrancee shall have the option to purchase the said land at the price referred to in Clause 6

hereof on the same terms and conditions as set out in this clause, such option to be exercised by notice in writing to be forwarded to the encumbrancer at its last known address within one month of the Encumbrancee becoming aware that the said land has been advertised (and a certificate under the hand of a manager or secretary or other senior officer of the Encumbrancee shall be conclusive evidence of such date) with settlement to be effected within two calendar months of the exercise of the option.

AND the encumbrancer acknowledges for himself and his successors in title that the foregoing covenants are entered into and undertaken for the purposes of the Encumbrancee's scheme of development for the lands comprised in the Development Zone and that the Encumbrancee has declared and undertaken that it has required and will require from each purchaser of the lands comprised in the Development Zone as a condition of its sale of those lands a Memorandum of Encumbrance in the same or substantially similar form to this instrument and containing the same or substantially similar covenants and other stipulations.

PROVIDED ALWAYS THAT

1. The Encumbrancee may from time to time in its absolute discretion modify waive or release any of the covenants and other stipulations herein contained or implied.

2. The Encumbrancee may from time to time in its absolute discretion modify waive or release any of the covenants and other stipulations expressed or implied in any Memorandum of Encumbrance or other instrument whatsoever relating to any other land in the Development Zone and whether the same were entered into or imposed before or at the same time as or after the date hereof and no such modification or waiver or release shall release the encumbrancer or his successors in title from the covenants and other stipulations herein contained and implied.

In this instrument:

- (1) Unless repugnant to the context words importing any particular gender shall include all other genders and words importing the singular number shall include the plural and vice versa;
- (2) The expression "the encumbrancer" includes the registered proprietor for the time being of the said land;
- (3) If there shall be more than one person responsible hereunder as the encumbrancer or as a successor in title to the encumbrancer, the liability of all such persons shall be both joint and several.

AND subject as aforesaid the Encumbrancee shall be entitled to all the powers rights and remedies given to encumbrancers by the Real Property Act 1886, as amended.

Does the council hold details of any development approvals relating to:

- commercial or industrial activity at the land; or
- a change in the use of the land or part of the land (within the meaning of the repealed Development Act 1993 or the Planning, Development and Infrastructure Act 2016)?

No

Description of the nature of the development(s) approved:

*Note—*

*The question relates to information that the council for the area in which the land is situated may hold. If the council answers "YES" to the question, it will provide a description of the nature of each development approved in respect of the land. The purchaser may then obtain further details from the council (on payment of any fee fixed by the council). However, it is expected that the ability to supply further details will vary considerably between councils.*

*A "YES" answer to paragraph (a) of the question may indicate that a potentially contaminating activity has taken place at the land (see sections 103C and 103H of the Environment Protection Act 1993) and that assessments or remediation of the land may be required at some future time.*

*It should be noted that—*

- the approval of development by a council does not necessarily mean that the development has taken place;*
- the council will not necessarily be able to provide a complete history of all such development that has taken place at the land.*

The information herein is provided pursuant to the Council's obligations under Section 7 of the Land Business (Sales Conveyancing) Act 1994.

Only that information which is required to be provided has been given and that information should not be taken as a representation as to whether or not any other charges or encumbrances affect the subject land.

I, Kellie Parker, Administration Officer of the City of Marion certify that the information provided in these responses is correct.
