## Preliminary

### To the purchaser:

The purpose of a statement under section 7 of the *Land and Business (Sale and Conveyancing) Act 1994* is to put you on notice of certain particulars concerning the land to be acquired.

If you intend to carry out building work on the land, change the use of the land or divide the land, you should make further inquiries to determine whether this will be permitted. For example, building work may not be permitted on land not connected to a sewerage system or common drainage scheme if the land is near a watercourse, dam, bore or the River Murray and Lakes.

The *Aboriginal Heritage Act 1988* protects any Aboriginal site or object on the land. Details of any such site or object may be sought from the "traditional owners" as defined in that Act.

If you desire additional information, it is up to you to make further inquiries as appropriate.

### Instructions to the vendor for completing this statement:

means the Part, Division, particulars or item may not be applicable.

If it is applicable, ensure the box is ticked and complete the Part, Division, particulars or item.

If it is not applicable, ensure the box is empty or strike out the Part, Division, particulars or item. Alternatively, the Part, Division, particulars or item may be omitted, but not in the case of an item or heading in the table of particulars in Division 1 of the Schedule that is required by the instructions at the head of that table to be retained as part of this statement.

\* means strike out or omit the option that is not applicable.

All questions must be answered with a YES or NO (inserted in the place indicated by a rectangle or square brackets below or to the side of the question).

If there is insufficient space to provide any particulars required, continue on attachments.

## Part B - Purchaser's cooling-off rights and proceeding with the purchase

To the purchaser:

### Right to cool-off (section 5)

#### 1 - Right to cool-off and restrictions on that right

You may notify the vendor of your intention not to be bound by the contract for the sale of the land UNLESS -

- (a) you purchased by auction; or
- (b) you purchased on the same day as you, or some person on your behalf, bid at the auction of the land; or
- (c) you have, before signing the contract, received independent advice from a legal practitioner and the legal practitioner has signed a certificate in the prescribed form as to the giving of that advice; or
- (d) you are a body corporate and the land is not residential land; or
- (e) the contract is made by the exercise of an option to purchase not less than 5 clear business days after the grant of the option and not less than 2 clear business days after service of this form; or
- (f) the sale is by tender and the contract is made not less than 5 clear business days after the day fixed for the closing of tenders and not less than 2 clear business days after service of this form; or
- (g) the contract also provides for the sale of a business that is not a small business.

#### 2 - Time for service

The cooling-off notice must be served -

- (a) if this form is served on you before the making of the contract - before the end of the second clear business day after the day on which the contract was made; or
- (b) if this form is served on you after the making of the contract - before the end of the second clear business day from the day on which this form is served.

However, if this form is not served on you at least 2 clear business days before the time at which settlement takes place, the cooling-off notice may be served at any time before settlement.

#### 3 - Form of cooling-off notice

The cooling-off notice must be in writing and must be signed by you.

#### 4 - Methods of service

The cooling-off notice must be -

- (a) given to the vendor personally; or
- (b) posted by registered post to the vendor at the following address:

74 BRIGHTON ROAD GLENELG EAST SA 5045

(being the vendor's last known address); or

- (c) transmitted by fax or email to the following fax number or email address:

steve@magain.com.au

(being a number or address provided to you by the vendor for the purpose of service of the notice); or

- (d) left for the vendor's agent (with a person apparently responsible to the agent) at, or posted by registered post to the agent at, the following address:

74 BRIGHTON ROAD GLENELG EAST SA 5045

(being ~~\*the agent's address for service under the Land Agents Act 1994~~ an address nominated by the agent to you for the purpose of service of the notice).

**Note -** Section 5(3) of the *Land and Business (Sale and Conveyancing) Act 1994* places the onus of proving the giving of the cooling-off notice on the purchaser. It is therefore strongly recommended that -

- (a) if you intend to serve the notice by leaving it for the vendor's agent at the agent's address for service or an address nominated by the agent, you obtain an acknowledgment of service of the notice in writing;
- (b) if you intend to serve the notice by fax or email, you obtain a record of the transmission of the fax or email.

#### 5 - Effect of service

If you serve such cooling-off notice on the vendor, the contract will be taken to have been rescinded at the time when the notice was served. You are then entitled to the return of any money you paid under the contract other than -

- (a) the amount of any deposit paid if the deposit did not exceed \$100; or
- (b) an amount paid for an option to purchase the land.

**Proceeding with the purchase**

If you wish to proceed with the purchase -

- (a) it is strongly recommended that you take steps to make sure your interest in the property is adequately insured against loss or damage; and
- (b) pay particular attention to the provisions in the contract as to time of settlement - it is essential that the necessary arrangements are made to complete the purchase by the agreed date - if you do not do so, you may be in breach of the contract; and
- (c) you are entitled to retain the solicitor or registered conveyancer of your choice.

## Schedule-Division 3-Community lots and strata units

### Matters to be considered in purchasing a community lot or strata unit

The property you are buying is on strata or community title. There are **special obligations and restrictions** that go with this kind of title. Make sure you understand these. If unsure, seek legal advice before signing a contract. For example:

#### Governance

You will automatically become a member of the **body corporate**, which includes all owners and has the job of maintaining the common property and enforcing the rules. Decisions, such as the amount you must pay in levies, will be made by vote of the body corporate. You will need to take part in meetings if you wish to have a say. If outvoted, you will have to live with decisions that you might not agree with.

If you are buying into a mixed use development (one that includes commercial as well as residential lots), owners of some types of lots may be in a position to outvote owners of other types of lots. Make sure you fully understand your voting rights, see later.

#### Use of your property

You, and anyone who visits or occupies your property, will be bound by rules in the form of **articles or by-laws**. These can restrict the use of the property, for example, they can deal with keeping pets, car parking, noise, rubbish disposal, short-term letting, upkeep of buildings and so on. Make sure that you have read the articles or by-laws before you decide whether this property will suit you.

Depending on the rules, you might not be permitted to make changes to the exterior of your unit, such as installing a television aerial or an air-conditioner, building a pergola, attaching external blinds etc without the permission of the body corporate. A meeting may be needed before permission can be granted. Permission may be refused.

Note that the articles or by-laws **could change** between now and when you become the owner: the body corporate might vote to change them. Also, if you are buying before the community plan is registered, then any by-laws you have been shown are just a draft.

#### Are you buying a debt?

If there are unpaid contributions owing on this property, you can be made to pay them. You are entitled to **know the financial state of the body corporate** and you should make sure you see its records before deciding whether to buy. As a prospective owner, you can write to the body corporate requiring to see the records, including minutes of meetings, details of assets and liabilities, contributions payable, outstanding or planned expenses and insurance policies. There is a fee. To make a request, write to the secretary or management committee of the body corporate.

#### Expenses

The body corporate can **require you to maintain your property**, even if you do not agree, or can carry out maintenance and bill you for it.

The body corporate can **require you to contribute** to the cost of upkeep of the common property, even if you do not agree. Consider what future maintenance or repairs might be needed on the property in the long term.

#### Guarantee

As an owner, you are a **guarantor** of the liabilities of the body corporate. If it does not pay its debts, you can be called on to do so. Make sure you know what the liabilities are before you decide to buy. Ask the body corporate for copies of the financial records.

#### Contracts

The body corporate can make contracts. For example, it may engage a body corporate manager to do some or all of its work. It may contract with traders for maintenance work. It might engage a caretaker to look after the property. It might make any other kind of contract to buy services or products for the body corporate. Find out **what contracts the body corporate is committed to and the cost**.

The body corporate will have to raise funds from the owners to pay the money due under these contracts. As a guarantor, you could be liable if the body corporate owes money under a contract.

#### Buying off the plan

If you are buying a property that has not been built yet, then you **cannot be certain** what the end product of the development process will be. If you are buying before a community plan has been deposited, then any proposed development contract, scheme description or by-laws you have been shown could change.

#### Mixed use developments—voting rights

You may be buying into a group that is run by several different community corporations. This is common in mixed use developments, for example, where a group of apartments is combined with a hotel or a group of shops. If there is more than one corporation, then you should not expect that all lot owners in the group will have equal voting rights. The corporations may be structured so that, even though there are more apartments than shops in the group, the shop-owners can outvote the apartment owners on some matters. Make enquiries so that you understand how many corporations there are and what voting rights you will have.

Before you buy a home there are a number of things that you should investigate and consider. Though it may not be obvious at the time, there could be matters that may affect your enjoyment of the property, the safety of people on the property or the value of the property.

The following questions may help you to identify if a property is appropriate to purchase. In many cases the questions relate to a variety of laws and standards. These laws and standards change over time, so it is important to seek the most up to date information. Various government agencies can provide up to date and relevant information on many of these questions. To find out more, Consumer and Business Services recommends that you check the website: [www.cbs.sa.gov.au](http://www.cbs.sa.gov.au)

Notices are printed under arrangement with organisations having some potential interest in the subject land. You should contact the identified party for further details.

### **Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)**

#### Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:

- a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
- b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
- c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

#### Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment ( For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (<https://1100.com.au>) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

#### ***Land Tax Act 1936 and Regulations thereunder***

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

#### ***Animal and Plant Control (Agriculture Protection and other purposes) Act 1986 and Regulations***

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

### Basis of Preparation

The Body Corporate agent has prepared the financial statements on the basis that the Body Corporate is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared to meet the information needs of members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the Body Corporate agent has determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the prior period unless otherwise stated.

### Basis of Accounting

The financial statements have been prepared on a cash basis where income is recorded when received and expenditure is recorded when paid and are based on historical costs.

### Cash and cash equivalents

Cash and cash equivalents comprise deposits held on call with banks and other short-term highly liquid investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

### Goods and Services Tax

Income, expenditure and assets of the Corporation are recognised net of the amount of Goods and Services Tax (GST), except where the GST incurred is not recoverable from the Australian Taxation Office (ATO).

The net amount of GST payable to, or recoverable from, the ATO represents the unpaid portion of the aggregate of GST on income received and expenditure paid and is presented as the GST Control Account on the Statement of Assets and Liabilities.

### Income Tax

Income tax is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, during the financial year.

Only the non-member income of the Corporation is assessable for income tax purposes, as member income is excluded under the principle of mutuality.

The income tax expense recorded in the Statement of Income and Expenditure represent amounts that have been paid to, or recovered from, the ATO.

Life expectancies and years to replacement used in this report are intended as a guide for the purposes of determining a reasonable budget allowance for each year covered by this report.

The Owners Corporation may wish to review the following:-

- Seek acknowledgment from the members of the Owners Corporation regarding the state of the building.
- Ascertain the future time objectives for the appearance and repair of the building, which may affect the immediate cash flow requirements.

We advise that the Sinking Fund Budget should be reviewed regularly to update any changes caused by abnormal expenditure, inflation rates, building material availability and the condition of the building.

This report makes no assessment of any safety issues.

### **3. Basis of Report**

The Sinking Fund Budget assesses the funding requirement to enable restoration to original standard of the property and items that are the responsibility of the Owners Corporation. Specifically it includes spending of a capital or non-recurrent nature; and the periodic replacement of major items of a capital nature; and other spending that should reasonably be met from capital.

We have assumed the property will be properly maintained to ensure maximum effective life of all components.

No allowance has been made in respect of potential change of use of the building or for obsolescence either functionally or technologically

No allowance has been made for damage caused by termites or other insects, regular maintenance checks should be carried out to detect their presence.

The following items (where applicable) are deemed to be funded from the Administration Budget and do not form part of the Sinking Fund.

- Light fittings and diffusers
- Costs associated with various maintenance agreements
- Landscaping including garden watering system

The following items (where applicable) have a life span similar to the building structure and have been excluded from the Sinking Fund Budget.

- Electrical distribution gear and circuits, telephone services (except upgrades)
- Water/Fire/Gas supply piping
- Concrete paving (excluding repairs)
- Roof tiles (excluding repairs)
- Brick walls and structures
- Site drainage (excluding major repairs)

The attached figures have been calculated by adopting a current replacement cost of each component and apportioning the cost over the anticipated remaining life of the asset and adding an average annual inflating factor of 2.9% which is based on the average building construction cost inflation rate over the past twenty years.

Bank interest accrued on fund monies has not been included in the calculations.

The report is based on financial years. For calculation purposes, the year stated indicates the commencement of the financial year.

This is not a structural report and does not cover expenditure which occurs either directly or indirectly as a result of structural defects.

The cost for replacement includes 10% GST.

#### **4. Sinking Fund Budget**

The sinking fund budget outlines our assessment of the funding requirements for items requiring expenditure of a capital or non recurrent nature.

R - Indicates the year in which expense is budgeted to occur.

The number of years until replacement of a Sinking Fund Budget item is an assessment of the date a budgeted event is due to happen. This assessment is based on one or more of the following criteria:

- The current condition of the item
- The suitability of it to carry out its intended function
- The life expectancy of that item
- The current age of the item

The life expectancy of a Sinking Fund Budget item is an allocation of the number of years given to a budget item if it is used for the purpose it was designed and intended.

Refer to the following Sinking Fund Budget.

#### **Averaging of contributions**

To avoid the highs and lows of the funding requirements (see the 'Total sinking fund contribution PA' at the bottom of the 'Sinking Fund Budget' table) the funding has been averaged over a period of 15 years and adjusted for inflation.

### Step 1 – Talk to CHU

If Your complaint relates to a claims decision or CHU service provider, please initially contact the CHU Claims Handler who is handling the Claim. If Your complaint relates to an underwriting decision (or anything else), please contact the CHU representative who originally assisted You. When You make Your complaint please provide as much information as possible. CHU are ready to help You resolve your issue, aiming to resolve all complaints within fifteen (15) business days.

### Step 2 – Escalate Your complaint

If CHU haven't responded to Your complaint within fifteen (15) days, or if You're not happy with how CHU tried to resolve it, You can ask for Your complaint to be escalated for an Internal Dispute Resolution (IDR) review by a Dispute Resolution Specialist. The Dispute Resolution Specialist will provide CHU's final decision within fifteen (15) business days of Your complaint being escalated, unless You have agreed to CHU's request to be given more time.

### Step 3 – Still not resolved?

If You're not happy with the final decision, or if CHU have taken more than forty-five (45) days to respond to You from the date You first made Your complaint, You can contact the Australian Financial Complaints Authority (AFCA). AFCA is an ASIC approved external dispute resolution body.

AFCA resolves insurance disputes between consumers and insurers, at no cost to You. CHU is bound by AFCA decisions - but You're not. You can contact AFCA directly and they'll advise You if Your dispute falls within their Rules.

### Disputes not covered by the AFCA Rules

If Your dispute doesn't fall within the AFCA Rules, or You are not satisfied with CHU's decision then You may wish to seek independent legal advice.

### Privacy complaints

If You are not satisfied with CHU's final decision and it relates to Your privacy or how CHU has handled Your personal information, You can contact the Office of the Australian Information Commissioner (OAIC).

## General conditions

These General Conditions apply to all Policies. In addition to these General Conditions, each Policy will be subject to specific conditions.

If any of the General Conditions or specific conditions applicable to each Policy are not met We may refuse a claim, reduce the amount We pay or in some circumstances We may cancel the Policy. Any person covered by the Policy or claiming under it must also comply with these conditions.

### 1. Acts or omissions of Your Body Corporate Manager/Agent

We will not deny liability for a claim, or reduce the amount thereof, if Our right of denial or reduction is solely caused by an act, error or omission of Your Body Corporate Manager/Agent while acting on Your behalf.

### 2. Alteration of risk

In accordance with Your duty of disclosure under the *Insurance Contracts Act 1984*, You must promptly advise Us of any changes in the details of the information You have given Us, or if the nature of the occupation or other circumstances affecting Your Insured Property is changed in such a way as to increase the risk of Damage or the likelihood of liability losses.

If You do not do so We may not be liable for any loss, damage or liability caused or contributed to by any such change or alteration.

### 3. Cancellation - how Your Policy may be cancelled Cancellation by You

You may cancel this Policy at any time by telling Us in writing. We will retain a portion of Premium which relates to the period for which You have been insured together with any non-refundable government taxes, administration fees or charges.

### Cancellation by Us

We may cancel this Policy at any time as allowed by law by notifying You in writing of the date from which cancellation is to take effect. Notification will be delivered to the address last notified to Us and cancellation will take effect no earlier than 4.00pm on the date set out in the cancellation notice unless the Policy was in force by virtue of Section 58 of the *Insurance Contracts Act 1984* (Cth), whereby the cancellation will take effect from the fourteenth business day after the day on which notice was given to You.

### 4. Goods and Services Tax – how it affects any payments We make

The amount of Premium payable by You for this Policy includes an amount on account of the Goods and Services Tax (GST) on the Premium.

When We pay a claim, Your GST status will determine the amount We pay. When You are:

- a. not registered for GST We will pay up to the Sum Insured, Limit of Liability or other Policy limit including GST.
- b. registered for GST:
  - i. and We settle direct with the builder, repairer or supplier We will pay up to the Sum Insured, Limit of Liability or other Policy limit including GST; or
  - ii. when We settle direct with You We will pay up to the Sum Insured, Limit of Liability or other Policy limit and
  - iii. where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim We will pay for the GST amount but We will reduce the GST amount We pay by the amount of any Input Tax Credits to which You are or would be entitled.

In these circumstances, the Input Tax Credit may be claimable through Your Business Activity Statement (BAS).

You must advise Us of Your correct Australian Business Number & Taxable Percentage. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the Sum Insured or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in

*A New Tax System (Goods and Services Tax) Act 1999* (Cth) and related legislation as amended from time to time. Taxable Percentage is Your entitlement to an Input Tax Credit on Your Premium as a percentage of the total GST on that Premium.

There may be other taxation implications affecting You, depending upon Your own circumstances. We recommend that You seek professional advice.

### 5. Joint insureds

When more than one party is named on the Schedule as an insured We will treat each as a separate and distinct party. The words You, Your, Yours will apply to each party in the same manner as if a separate Policy had been issued to each party, provided Our liability for any Sum Insured, Limit of Liability or other Policy limit for any one Event or Occurrence is not thereby increased. Any act, breach or non-compliance with the terms and conditions of this Policy committed by any one such party shall not be prejudicial to the rights and entitlements of the other insured party(ies), provided that the other insured party(ies) upon becoming aware of any such act, breach or non-compliance which increases the risk of loss, damage or liability give Us written notice within a reasonable time.

### 6. Excess

You must pay or contribute the amount of any Excess shown in the Policy or in the Schedule for each claim made. Payment of any Excess shown in this Policy or in the Schedule for each claim made may be requested from You when the claim is lodged, or may be deducted from Our payment.

With the exception of the Earthquake Excess as shown below, should more than one Excess be payable for any claim arising from the one Event, such Excesses will not be aggregated and the highest single level of Excess only will apply.

The Excess You have to pay or contribute to earthquake or seismological disturbance as shown in the Schedule applies for an Event that occurs during any one period of seventy-two (72) consecutive hours.

### 7. Reinstatement of Sum Insured

This condition does not apply:

- a. when We pay a total loss;
- b. when We pay the full Sum Insured;

- c. to Policy 6 – Office Bearers’ Legal Liability
- d. to Policy 9 – Government Audit Costs, Appeal Expenses and Legal Defence Expenses;

## 9. Subrogation, recovery action & uninsured loss

We may at any time in consultation with You, at Our expense and in Your name, use all legal means available to You of securing reimbursement for loss or damage arising under Your Policy. In the event We do so, You agree to give all reasonable assistance for that purpose.

If You have suffered loss that was not covered by the Policy as a result of the incident, We may offer to attempt to recover this. You may also specifically ask Us to recover this for You.

You will need to give Us documents supporting Your loss. Where this Policy insures more than one party, where one party:

- a. failed to comply with the duty of disclosure; or
- b. made a misrepresentation to Us before the Policy was entered into;

this shall not prejudice the right of any other insured person to indemnity as may be provided by this Policy provided that:

- i. You were not aware of the failure or misrepresentation;
- ii. as soon as is reasonably practicable upon becoming aware of any such conduct, You advise Us in writing of all known facts in relation to such conduct; and
- iii. the conduct of the principals, partners and directors of the Insured are imputed to the Insured.

## 12. You must disclose all previous claims

Whether You are entering into a new insurance contract or renewing Your insurance with Us, You have a duty of disclosure under the *Insurance Contracts Act 1984*. When We ask You questions relevant to Our decision to insure You and on what terms, you have a duty to tell us anything that You know and what a reasonable person in the circumstances would know.

If You do not tell Us anything You are required to tell Us, We may

cancel Your insurance or reduce the amount We will pay You if You make a claim, or both. If Your failure to tell us is fraudulent, We may reduce or refuse to pay a claim and treat the insurance as if it never existed.

You are asked at the time You take out or renew this insurance to give Us full and correct details concerning any:

- a. renewal or insurance policy declined, cancelled or refused, or where any Excess was imposed;
  - b. claim refused by an insurer;
  - c. claim made; in relation to You;
- because any of these may affect the Premium and extent of insurance.

CHU will notify You in writing of any effect a change may have on Your insurance.

For example We may be entitled to:

- i. charge You an applicable additional Premium;
- ii. impose (back dated) restrictions declining Your insurance back to when this information should have been advised to Us;
- iii. decline to insure You;
- iv. refuse a claim.

When renewing Your Policy with Us You must also advise Us of any changes to Your claims or insurance history .

**CERTIFICATE OF LAND TAX PAYABLE****PAYMENT REMITTANCE ADVICE****No payment is required on this Certificate**

**Please Note:**

Please check that the property details shown on this Certificate are correct for the land being sold.

This Certificate is only valid for the financial year shown.

If the change of ownership will occur in the following financial year, you must obtain another Certificate after 30 June.

Payment should be made as part of the settlement process.

The amount payable on this Certificate must be paid in full even if only a portion of the subject land is being sold. RevenueSA cannot apportion the land tax.

If the amount payable is not paid in full on or before the due date shown on this Certificate, the purchaser will not be released from liability of the whole amount of the land tax outstanding as at the date of settlement.

The owner of the land as at midnight on 30 June immediately before the financial year of this Certificate will remain liable for any additional land tax accrued before the date of this Certificate, even if the amount payable on this Certificate has been paid.

The amount payable on this Certificate is the land tax payable at the date of issue. However, land tax for a particular financial year may be reassessed at any time, changing the amount payable.

Should a reassessment occur after this Certificate has been paid in full, the purchaser will remain indemnified and will not be responsible for payment of the new land tax payable amount. The owner at the beginning of the relevant financial year will be responsible for payment of any additional land tax payable.

Should a reassessment occur after this Certificate has been issued but not paid in full, the purchaser will not be indemnified and may become responsible for payment of the new land tax payable amount.

Should a reassessment occur after this Certificate has been paid in full and the Certificate is subsequently updated, the purchaser will not be indemnified and may become responsible for payment of the new land tax payable amount.

Provision of this Certificate does not relieve the land owner of their responsibility to pay their Notice of Land Tax Assessment by the due date.
