Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)

Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:

- a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
- b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
- c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (<https://1100.com.au>) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

Land Tax Act 1936 and Regulations thereunder

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

Animal and Plant Control (Agriculture Protection and other purposes) Act 1986 and Regulations

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

- The vendor about the known presence of proclaimed plants or animals on the property including details which the vendor can obtain from records held by the local animal and plant control board
- The local animal and plant control board or the Animal and Plant Control Commission on the policies and priorities relating to the control of any serious proclaimed plants or animals in the area where the property is located.

Landscape South Australia 2019

Attention Conveyancers

○ **Section 187 certificate update request free of charge (One Update):**

- Penalties and interest, property charges, payments or dishonoured payments can impact account balances on a daily basis.

To assist with financial adjustments as close as practicable to the date of settlement, your **Section 187 certificate will now be valid for 90 days**. Within this period Council will offer one update request without charge. This update is to be obtained via the online portal.

It is important to note all searches advise when fines/interest will be applied. When receiving your update search, should it be evident that further penalties will be applied prior to settlement, you will need to still consider these additional amounts as part of your settlement statement calculations.

Please Note: Section 7 certificates remain valid for a 30 day period only.

○ **BPAY biller code added to searches to enable electronic settlement of funds**

- Our BPAY biller code is now detailed on each search, enabling settlement funds to be disbursed to Council electronically. Please note that this is Council's preferred method payment and we request that you cease the use of cheques to affect settlement.

○ **How to advise Council of change of ownership?**

To also assist with the reduction of duplication of information being received from various agencies i.e. conveyancers and the Lands Titles Office, we are advocating that the **Purchaser's Conveyancer** to advise the change of ownership by following the below:

- If you are using e-conveyancing to affect a sale, please **only issue advice to Council if the mail service address is different to what was lodged via the transfer at the LTO**. Council's new practice is to update ownership details including the mailing address in accordance with the advice provided by the Valuer General. Council has amended this change to align with SA Water practices and to provide an improved customer experience overall.
- If lodging in person at Lands Title Office – Please send the change of ownership advice to Council via mail@onkaparinga.sa.gov.au. Electronic settlement of funds is still preferred.

Yours sincerely

Further information held by council

Does the council hold details of any development approvals relating to:

NO

- (a) commercial or industrial activity at the land; or
- (b) a change in the use of the land or part of the land (within the meaning of the *Development Act 1993*) or the *Planning, Development and Infrastructure Act 2016*?

Note –

The question relates to information that the council for the area in which the land is situated may hold. If the council answers “YES” to the question, it will provide a description of the nature of each development approved in respect of the land. The purchaser may then obtain further details from council (on payment of any fee fixed by the council). However, it is expected that the ability to supply further details will vary considerably between councils.

A “YES” answer to paragraph (a) of the question may indicate that a potentially contaminating activity has taken place at the land (see sections 103C and 103H of the *Environment Protection Act 1993*) and that assessments or remediation of the land may be required at some future time.

It should be noted that –

- the approval of development by a council does not necessarily mean that the development has taken place;
- the council will not necessarily be able to provide a complete history of all such development that has taken place at the land.

Basis of Preparation

The Body Corporate agent has prepared the financial statements on the basis that the Body Corporate is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared to meet the information needs of members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the Body Corporate agent has determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the prior period unless otherwise stated.

Basis of Accounting

The financial statements have been prepared on a cash basis where income is recorded when received and expenditure is recorded when paid and are based on historical costs.

Cash and cash equivalents

Cash and cash equivalents comprise deposits held on call with banks and other short-term highly liquid investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Goods and Services Tax

Income, expenditure and assets of the Corporation are recognised net of the amount of Goods and Services Tax (GST), except where the GST incurred is not recoverable from the Australian Taxation Office (ATO).

The net amount of GST payable to, or recoverable from, the ATO represents the unpaid portion of the aggregate of GST on income received and expenditure paid and is presented as the GST Control Account on the Statement of Assets and Liabilities.

Income Tax

Income tax is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, during the financial year.

Only the non-member income of the Corporation is assessable for income tax purposes, as member income is excluded under the principle of mutuality.

The income tax expense recorded in the Statement of Income and Expenditure represent amounts that have been paid to, or recovered from, the ATO.

<p><u>Grounds Maintenance</u></p> <p>It was agreed the grounds maintenance will continue to be undertaken on an at call basis.</p> <p><u>Gutter Cleaning</u></p> <p>It was noted that the gutters, on the rear verandas that have been installed by owners, are not covered under the Corporation's gutter clean. He was advised that the transformer at the front of the property would support slow charging for an electric vehicle but not a rapid charge, there just is not enough voltage to accommodate a rapid charge.</p> <p><u>Termite Inspection</u></p> <p>Malcolm advised the Meeting that the cheapest he could arrange for a termite inspection was \$200 per unit. The Manager advised she had a contact who she was sure could do this inspection for under that amount and will provide Malcolm with the contact details for Malcolm to contact and enquire.</p> <p><u>Lawns</u></p> <p>Malcolm thanked the owners who watered the lawns and kept them looking good over summer.</p>

What You should read

This Product Disclosure Statement (PDS) is an important document to help You understand this insurance, and Your rights and obligations under it. Please read it carefully before making a decision to purchase this Policy to ensure it provides the cover You need.

You should also carefully read:

- the Policy Wording that commences on page 12. It tells You about:
 - what makes up the insurance (i.e. Your contract with Us which We call a Policy);
 - important definitions that set out what We mean by certain words;
 - the cover We can provide under Sections 1 to 11;
 - what Excesses You may have to pay (see ‘Payment of Excesses’ below);
 - when You are not insured (see General Exclusions and other exclusions under Sections 1 to 11);
 - what You and We need to do in relation to claims (see “Claims procedures” in the Policy Wording and “Claims - basis of settlement” in Sections 1, 7, 8 and 10);
 - Your and Our cancellation rights (see “Cancelling Your Policy” in the Policy Wording).
- the relevant proposal form You, if so requested, need to complete to apply for cover;
- any Schedule (see definition under General Definitions in the Policy Wording) when it is issued to You; and
- any other documents (for example Supplementary PDSs or Endorsements) We may give You at or prior to Your entry into the Policy or when required or permitted by law that vary Our standard terms of cover set out in this document.

Summary of cover, significant benefits and risks

This Policy includes 11 separate Sections which allow You to select covers, and within each Section there are options which You can also select, subject to Strata Community Insurance agreeing to provide those covers.

The following is a summary only and as such does not form part of the terms of Your insurance. The examples detailed herein are some of the benefits and risks but You do need to read the Policy Wording which details the terms, conditions and exclusions of this insurance to make sure it matches Your expectations.

Claims Made Notice

Section 6 of the Policy operates on a ‘claims made and notified’ basis. This means that, subject to the provisions of **Section 6**, where You give notice in writing to Us of any facts that might give rise to a claim against You as soon as reasonably practicable after You become aware of those facts but before the expiry of the Period of Insurance, You may have rights under Section 40(3) of the *Insurance Contracts Act 1984* (Cth) to be indemnified in respect of any claim subsequently made against You arising from those facts notwithstanding that the claim is made after the expiry of the Period of Insurance.

Any such rights arise under the legislation only, in that the terms of the Policy and the effect of the Section, subject to the continuous cover special conditions, is that You are not covered for claims made against You after the expiry of the Period of Insurance.

What You are covered for / not covered for

Section 1 - Insured Property

Section 1 covers Loss or Damage to Your Insured Property (Building and Common Area Contents) which occurs during the Period of Insurance and includes additional covers up to specified limits, for example:

Under Part A -

- Storm damage to gates and fences;
- Tsunami damage to Your Insured Property;

Under Part C -

- up to \$1,500 a Lot for emergency accommodation incurred by Lot Owners and/or Tenants if their Lot becomes unfit for its intended purpose by an insured Event;
- up to \$2,000 a Lot for Lot Owners’ contributions, levies, maintenance and other fees if their Lot becomes unfit for its intended purpose by an insured Event;

- up to \$1,000 a Lot for the cost of boarding pets following insured damage.

Some Events We do not cover include:

- *Loss or Damage caused by Flood unless You take Optional Cover;*
- *by the sea, high water or tidal wave other than if caused by a Tsunami;*
- *Loss or Damage caused by the invasion of tree or plant roots or the cost of cleaning pipes or drains they block;*
- *Loss or Damage to Your Building directly resulting from alterations, additions or renovations where the value of such work exceeds \$500,000 unless We have otherwise agreed before the commencement of such work.*

Section 2 - Liability to others

Section 2 covers Your legal liability to others for accidental death, bodily injury, or Loss or Damage to property that happens during the Period of Insurance.

Section 3 - Voluntary Workers

Section 3 provides benefits that are payable to a Voluntary Worker who sustains bodily injury while engaged in voluntary work or duties for Your Strata Community. These benefits include:

- \$200,000 for death, or loss of the use of two hands, two feet or two eyes;
- \$100,000 for loss of the use of one hand, one foot or one eye;
- up to \$2,000 a week for lost income if totally disabled from engaging in his/her usual employment or business;
- up to \$1,000 a week for lost income if partially disabled from engaging in his/her usual employment or business;
- up to \$500 a week for domestic assistance if totally disabled from engaging in his/her usual employment or business or usual household duties.

Some Events We do not cover include:

- *weekly benefits to Voluntary Workers not in receipt of wages, salaries or other remuneration from their own personal exertion;*
- *weekly benefits in excess of 104 weeks for lost income or 10 weeks for domestic assistance;*
- *a Voluntary Worker under the age of 12 years;*
- *intentional self-injury or suicide or any attempt thereat.*

Section 4 - Workers compensation

Section 4 covers Your legal liability to employees under workers compensation legislation if Your Insured Property is situated in NSW, VIC, NT, ACT, TAS and WA. No workers compensation cover is provided in Queensland or South Australia.

Section 5 - Fidelity guarantee

Section 5 provides cover against the fraudulent misappropriation of Your Funds.

Section 6 - Office bearers liability

Section 6 covers the legal liability of Strata Community office holders and committee members for any wrongful act they commit. This Section is issued on a claims made basis which means it responds to claims first made against You during the Period of Insurance and notified to Us during that same period.

Section 7 - Machinery breakdown

Section 7 provides cover against the breakdown of electrical, electronic and mechanical plant.

Section 8 - Catastrophe insurance

Section 8 covers the unforeseen increase in the Replacement cost of Your Building following the happening of a catastrophe from an event for which the Insurance Council of Australia issues a catastrophe code.

Other benefits include:

- extended period of cover for loss of Rent;
- extended period of cover and escalation in the cost of Temporary Accommodation;
- removal and storage of Your undamaged Insured Property;
- cost of evacuation for resident Lot Owners.

*We do not cover Loss or Damage from any Event which is not claimable under **Section 1**.*

Section 9 - Government audit costs and legal expenses

Section 9 provides cover for:

Part A - the cost of professional fees if You are audited by the Australian Tax Office or another government organisation;

Part B - the cost of appealing against common property health and safety breaches;

Part C - the cost of defending specific litigation (see pages 46-49) brought against You other than as covered under **Sections 2 and 6**. A special Excess and contribution payment applies to **Part C** and You should refer to the examples contained on page 47.

Section 10 – Lot Owners' fixtures and fittings

Lot Owners occasionally replace existing or install additional fixtures and fittings in their Lot without Your Strata Community knowledge.

When this occurs the cost of these improvements may not be included when arriving at the building replacement cost, thus increasing the possibility of under-insurance in the event of a major loss.

This Section 10 covers the Replacement cost of such installations following Loss or Damage covered under **Section 1**. There is a limit to the amount We pay (up to 10% of the Sum Insured) and the cover is also subject to the terms, conditions and exclusions of **Section 1** and the General Exclusions.

Section 11 - Loss of Lot market value

Section 11 covers the reduction in the market value of a Lot or Lots following a total loss or constructive total loss, or partial loss of Your Insured Property when permission to rebuild is limited or restricted by any Public or Statutory Authority that results in all or some Lot titles being terminated.

Please read the appropriate Sections in the Policy Wording for full details of the terms, conditions, exclusions and limits that apply to all sections and how We settle claims.

Other important information

Some other important things to remember are:

- Keep records such as receipts, invoices or other evidence of ownership and value of property that You insure as proof of ownership and value should You have to make a claim.
- When Your Insured Property is a total loss and We have paid out the total Sum Insured, the cover under **Section 1** ceases. If You rebuild or replace Your Insured Property, You will need to take out new cover and pay the applicable Premium.
- Pay Your Premium on time because if it is not paid by the due date or Your payment is dishonoured, Your Policy may be cancelled in accordance with the process set out in the “Cancelling Your Policy” section. Strata Community Insurance will give You written notice of cancellation.
- Throughout the Period of Insurance and when renewing Your insurance with Us You must advise if circumstances relevant to Your Policy have changed where You know, or ought reasonably to have known, that the change is relevant to Our decision to insure You and the terms on which We will insure You. Strata Community Insurance will notify You in writing of any proposed effect a change may have on Your existing insurance or its renewal. We may cancel Your Policy if there is a change and We can't reach an agreement with You on altered terms and conditions or Premium, or We are no longer prepared to insure You because there has been a material change to the risk.

Further We may also cancel Your Policy as permitted by law or refuse to pay or reduce the amount We pay under a claim to the extent We are prejudiced by Your non-compliance if You:

- do not comply with the cover conditions as detailed in the Policy Wording;
- do not comply with Your duty of disclosure; or
- make a fraudulent claim.

Monetary limits on cover

We can insure You up to the amount of the Sum Insured or other specified limits for Your Insured Property. These amounts are specified in the relevant clauses in the Policy Wording or on the Schedule.

Covers for Liability to others, Office Bearers Liability, Machinery Breakdown and Government Audit Costs and Legal Expenses insure You up to a set Sum Insured that is shown on the Schedule.

Review Your sums insured regularly

You need to make sure You are happy with the relevant sum(s) insured and limits.

If You do not adequately insure yourself You may have to bear the uninsured proportion of any loss yourself.

For example, if You don't have a sufficient Sum Insured to replace Your Insured Property at new cost You will bear the shortfall. The cost of demolition and removal of debris from the site, and other costs such as the cost of employing an architect or surveyor, the replacement of other structures such as driveways, roadways, kerbing, above and below ground services should all be included in the Sum Insured. If You are unsure whether Your Insured Property is insured for the correct amount, You should seek professional advice.

You should also advise Strata Community Insurance of any changes in the details of the information You have given Us such as alterations or extensions to Your Insured Property. If You do not do so Your insurance may not be sufficient.

Payment of Excesses

Excesses may apply to any claim under this insurance.

An Excess is an amount You may have to pay as a contribution to each claim You make under this insurance policy. The Excesses that are applicable are shown on the Schedule, and/or within the relevant Sections.

An Excess will be applied for each incident where a claim is made.

We will tell You the amount of any Excess when You apply for cover. They may vary according to a number of factors, such as Your risk location and Your insurance history.

Goods and Services Tax (GST) Notice

The Policy Wording part has provisions relating to GST that You should read in full (see Goods and Services Tax on page 15). In summary, they are as follows:

- The amount of Premium payable by You for this Policy includes an amount on account of the GST on the Premium (including any administration fee charged by Strata Community Insurance).
- The Sum Insured and other limits of insurance cover shown on Your Policy documentation are GST inclusive.

- When We pay a claim, Your GST status will determine the maximum amount We pay You.

There may be other taxation implications affecting You, depending upon Your own circumstances. We recommend that You seek professional advice.

Applying for cover

When You apply for cover under this Policy We may, based on the information You provide, be able to offer cover and terms specific to You. Once We have agreed to cover You We will issue You with a Schedule confirming this, including the following information:

- the Sum Insured and Situation of Your Insured Property;
- Excess(es) applicable;
- Premium including taxes and charges and any administration fee charged by Strata Community Insurance.

The cost of this insurance

In order to calculate Your Premium, We take various factors into consideration, including:

- the cover required and sum(s) insured;
- the address of Your Insured Property;
- Your insurance history;
- the security features of Your Insured Property.

The Premium also includes amounts payable in respect of compulsory government charges including Stamp Duty, GST, any Fire Service Levy (where applicable) and Strata Community Insurance's administration fee (see their Financial Services Guide for details).

When You apply for this insurance, You will be advised of the Premium. If You choose to effect cover, the amount will be set out on the Schedule.

Cooling off period

You have twenty-one (21) days after buying or renewing Your Policy to decide if it meets Your needs and You wish to continue with the insurance. If You notify Us in writing within this period that You wish to cancel Your Policy as from its start date, We will refund Your Premium less any government taxes or duties that are non-refundable or remain payable by Us.

This cooling off right does not apply if You have made or are entitled to make a claim.

Even after the cooling off period ends You still have cancellation rights, however We may deduct certain amounts from any refund (see "Cancelling Your Policy" in the Policy Wording).

Your duty of disclosure

Before You enter into a contract of general insurance with Us, You have a duty, under the *Insurance Contracts Act 1984* (Cth), to disclose to Us every matter that You know, or

could reasonably be expected to know, is relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to Us before You renew, extend, vary or reinstate a contract of general insurance.

This duty of disclosure applies until the contract is entered into (or renewed, extended, varied or reinstated as applicable).

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by Us; or
- that is of common knowledge; or
- that We know or, in the ordinary course of Our business as an insurer, ought to know; or
- as to which compliance with Your duty is waived by Us.

Non-disclosure

If You fail to comply with Your duty of disclosure, We may be entitled to reduce Our liability under the contract in respect of a claim, cancel the contract, or both.

If Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

The General Insurance Code of Practice

The General Insurance Code of Practice was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry.

The Code Governance Committee (CGC) is an independent body that monitors and enforces insurers' compliance with the Code.

You can obtain more information on the Code of Practice and how it assists You by contacting Strata Community Insurance. Contact details are provided on the back cover of this PDS.

For more information on the Code Governance Committee (CGC) go to <https://insurancecode.org.au/>

How to make a claim

You should contact Strata Community Insurance as soon as reasonably possible to advise of any incident that could lead to a claim. If You do not, We may reduce or deny Your claim to the extent We are prejudiced by Your delay.

Having the required documentation and if possible photographs of the items will assist in having Your claim assessed and settled.

In order to be sure that You are covered under this Policy You should always contact Us for approval before You incur costs You wish to claim. If You do not, We will pay for costs incurred up to the amount We would have authorised had You sought approval from Us first.

When You make a claim You must:

- provide details of the incident and when requested complete the claim form We send You;
- allow Us or Strata Community Insurance to inspect Your Insured Property at reasonable times and frequency and take possession of any damaged item for reasonable purposes and in any reasonable manner;
- take all reasonable steps to reduce the Loss or Damage and prevent further Loss or Damage;
- inform the police as soon as reasonably possible following theft, vandalism, malicious damage or misappropriation of money or property;
- take reasonable steps to keep any damaged items. To ensure You are covered, please contact Us or Strata Community Insurance for approval before any disposal; and
- not get repairs done, except for essential temporary repairs, until We or Strata Community Insurance give You authority and subject to Our and Strata Community Insurance's right to choose the repairer or supplier. Please contact Us to confirm approval for these costs.

These are only some of the things that You must do if making a claim. Please refer to "Claims procedures" in the Policy Wording part which sets out claims information and what You must do if making a claim.

Complaints

If You are dissatisfied with Our service in any way, please contact Us and We will attempt to resolve the matter in accordance with our internal dispute resolution procedures.

If We do not make a decision within the period that We tell You We will respond, We will tell You about Your right to lodge a complaint with an external dispute resolution scheme.

If You are not happy with Our response, You can refer Your complaint to AFCA subject to its terms of reference. AFCA provides a free and independent dispute resolution service for consumers who have general insurance disputes falling within its terms.

Financial Claims Scheme

This Policy is a protected policy under the Financial Claims Scheme (FCS), which protects certain insured's and claimants in the event of an insurer becoming insolvent and being unable to meet their obligations under a contract of insurance. In the unlikely event of Us becoming insolvent, a person entitled to claim under the Policy may be entitled to payment under the FCS provided they meet the eligibility criteria.

More information about the FCS may be obtained from the APRA website at <http://www.apra.gov.au> and the APRA hotline on 1300 55 88 49.

Terrorism Insurance Act

We have determined that the Policy (or part of it) is a policy to which the *Terrorism Insurance Act 2003* (Cth) ("Act") may apply. We may elect to reinsure part or all of Our liability under the Act with the Commonwealth Government reinsurer, the Australian Reinsurance Pool Corporation (ARPC).

As a consequence, We may be required to pay a premium to ARPC and that amount (together with the cost of that part of the cover provided by Us and administrative costs associated with the Act) is reflected in the premium charged to You. As with any other part of Our premium, it is subject to government taxes and charges.

Where We determine that the Policy (or part of it) may become a policy to which the Act may apply as a result of indexation of the Sum Insured during the Period of Insurance as provided on page 13 of the PDS, We may also charge You a pro rata premium for the time during the Period of Insurance that the Policy may be a policy to which the Act applies.

Applicable ARPC amounts will be shown separately on the Schedule and are subject to government taxes and charges.

Residential Strata Community

Important information

It is very important that You read the Policy carefully and make sure You are satisfied with this insurance.

What makes up this Policy

This Policy Wording, the Schedule and any Endorsements:

- must be read together as they form Your insurance contract;
- set out what You are insured for and those circumstances where You will not be insured.

Some words and expressions have been given a specific meaning in this Policy and You will find their meaning in the General Definitions and individual Section Special Definitions.

Payment of Premium

Provided We receive the Premium, We will insure You as set out in this Policy and the Schedule.

You may elect to pay Your Premium annually in one payment or by instalments.

Payment by Instalment

When You elect to pay Your Premium by instalments by way of a direct debit from Your credit card or financial institution these payments will be deducted on the date or frequency nominated. You must tell Us, not later than seven (7) days before Your next instalment is due, if these details change.

If Your credit card provider or financial institution dishonours a direct debit payment due to lack of funds in Your account, or any other reason. We may charge You for any direct and indirect costs that We incur arising from Your payment being dishonoured.

You must ensure that Your instalments are paid on time. We will notify You if an instalment has not been paid and We will try to deduct the overdue amount along with Your next regular payment. If the next attempt to deduct the outstanding amount fails, We will cancel Your policy for non-payment. We will send You a notice advising You of cancellation, and cancellation will be effecting 14 days from the date of this notice.

Adjustments on renewal

Notice

At least fourteen (14) days before Your Policy expires, We will send You a renewal Schedule detailing any changes to Your Sums Insured, Premium and charges, and if any, changes to the terms, conditions and Excesses that previously applied.

You should carefully check all these details and promptly advise Strata Community Insurance if You wish to vary any of the limits.

Indexation

If Your Insured Property suffers Loss or Damage during the Period of Insurance We will increase Your Sum Insured under **Section 1 Part A - 1** and **2** by reference to the Cordell Housing Index Price (CHIP) increase since the start date of the current Period of Insurance.

On renewal We will increase Your Sums Insured under **Section 1 Parts A and B** and **Section 8** by reference to the Cordell Housing Index Price (CHIP) increase during Your previous Period of Insurance.

The renewal Schedule We send You will show Your updated Sums Insured and the Premium applicable thereto. You should promptly advise Strata Community Insurance should You wish to vary these updated Sums Insured.

Indexation does not apply:

- i. *if Your Sums Insured under **Section 1 Parts A and B** and **Section 8** exceed \$100,000,000 in total;*
- ii. *to any other policy limit contained in **Sections 1 and 8**.*

Instalment payments

If paying by instalments, We will automatically continue Your cover on the terms contained in the renewal offer We send You. We will, unless You advise Us to the contrary, continue to deduct Your instalment payments during the next Period of Insurance.

If a claim occurs in the previous Period of Insurance and You do not notify Us until after the Premium and other conditions for the next Period of Insurance are determined We may propose an additional Premium in order to maintain cover. We may cancel Your policy if there is a change and We can't reach an agreement with You on altered terms and conditions or premium, or We are no longer prepared to insure You because there has been a material change to the risk. This condition does not affect any other rights that We have, including the rights We have under Your duty of disclosure.

Loyalty discount

Based on Your claims experience and the length of time Your Policy has been continuously insured with Us You may be entitled to a loyalty discount which will apply automatically to the base premium. The amount of Your discount will vary depending on how long You have held a continuously insured claims free Policy with Us. The discount will only apply to the extent any minimum premium is not reached. Your Schedule will show when You qualify for a loyalty discount.

You must disclose all previous claims

You are asked at the time You take out this insurance to give Us full and correct details concerning any:

- renewal or insurance Policy declined, cancelled or refused, or where any Excess was imposed;
- claim refused by an insurer;
- claim made;

in relation to You because any of these may affect the Premium and extent of insurance.

For example We may be entitled to:

- charge You an additional Premium;
- impose (back dated) restrictions declining Your insurance back to when this information should have been advised to Us;
- decline to insure You;
- refuse a claim.

When renewing Your Policy with Us You must also advise Us of any changes to Your claims or insurance history. We will notify You in writing of the effect a change may have on Your renewal.

5. Repairs or Replacement

We have the right to nominate the repairer or supplier to be used. If after We have assessed Your claim, You are required to enter into a contract with a third party to replace or reinstate Loss or Damage to Insured Property that We have agreed to pay You will enter into that agreement with the third party as Our agent unless We otherwise advise in writing.

6. You must assist Us

Before We will pay anything under this Policy, You must:

- (a) comply with all the requirements of this Policy. We may reduce or refuse Your claim to the extent We are prejudiced by Your non-compliance;
- (b) give Us all information and assistance which We reasonably require in relation to the claim and any proceedings; and

We may also report any suspected fraudulent act to the Police for further investigation.

8. Claim administration and legal proceedings

When a claim is admitted under this Policy, We have the right at Our discretion to exercise all Your legal rights relating to the claim and to do so in Your name.

At Our discretion (and if safe to do so), You may reclaim the item if You agree to pay the salvage price.

10. Contribution

Where a claim covered under this Policy is also insured elsewhere, We may exercise Our right to seek contribution from the other insurer or insurers.

Acts or omissions of Your Strata Community Manager

We will not deny liability for a claim, or reduce the amount of a claim, if Our right of denial or reduction is solely caused by an act, error or omission of Your Strata Community Manager while acting on Your behalf.

Cancelling Your Policy

- (a) You may cancel all or part of this Policy at any time by giving Us notice in writing.
- (b) We may cancel this Policy on any of the grounds set out in the *Insurance Contracts Act 1984* (Cth) and We will always tell You of this in writing.
- (c) When We have agreed to accept payment of Premium by instalments, You must ensure that they are paid on time. We will notify You if an instalment has not been paid and We will try to deduct the overdue amount along with Your next regular payment. If the next attempt to deduct the outstanding amount fails, We will cancel Your policy for non-payment. We will send You a notice advising You of cancellation, and cancellation will be effecting 14 days from the date of this notice.
- (d) On cancellation, a refund of Premium will be calculated equal to the unexpired period of this Policy less any non-refundable Government charges and any component of the Premium relating to levies where applicable.
- (e) Where We have paid the total Sum Insured on a claim under any Section, that Section of Your Policy with Us is deemed to have been fulfilled and there is no refund of any Premium.

Goods and Services Tax (GST) Notice

The amount of Premium payable by You for this Policy includes an amount on account of the Goods and Services Tax (GST) on the Premium.

When We pay a claim, Your GST status will determine the amount We pay.

When You are:

- (a) not registered for GST:
 - We will pay up to the Sum Insured, limit of indemnity or other Policy limit including GST.
- (b) registered for GST:
 - (i) and We have arranged services directly with the service provider, We will pay up to the relevant Sum Insured or other policy limit including GST
 - (ii) when We settle direct with You We will pay up to the

Sum Insured, limit of indemnity or other Policy limit and where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim We will pay for the GST amount but We will reduce the GST amount We pay by the amount of any Input Tax Credits to which You are or would be entitled.

You must advise Us of Your correct Australian Business Number and Input Tax Credit Entitlement. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the Sum Insured or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Input Tax Credit Entitlement is Your entitlement to an Input Tax Credit on Your Premium as a percentage of the total GST on that Premium.

Claims - basis of settlement

1. Replacement

If Your Insured Property is damaged, We may choose (acting reasonably) to either rebuild, replace, repair or pay the amount it would cost to rebuild, replace or repair.

The amount We pay under **Section 1** will be the cost of Replacement at the time of Replacement subject to the following provisions:

- (a) the necessary work of rebuilding, replacing or repairing (which may be carried out upon another site or in any manner suitable to Your requirements provided Our liability is not increased), must be commenced and carried out without unreasonable delay (provided that You will not be responsible for any delay caused by Us);

available We will use the nearest equivalent available to the original materials;

- (c) if it is lawful, and with Our prior written consent, You will not be required to actually rebuild any building destroyed but may purchase an alternative existing building or part thereof to replace all or part of the one destroyed. Such Replacement will be deemed to constitute Replacement for the purpose of this insurance provided Our liability is not increased;
- (d) if You cause unreasonable delays in commencing or carrying out Replacement, We will not pay any extra costs that result from that delay;
- (e) when We wish to rebuild, replace or repair and You do not want this to occur We will only pay Indemnity Value.

- (b) the estimated cost of Replacement at the time of Loss or Damage had the reduced floor space ratio index not applied.

4. Land value

We will pay the difference between Land Value before and after Loss or Damage if any Public or Statutory Authority refuses to allow Your Insured Property to be replaced or only allows partial Replacement, less any sum paid by way of compensation by any such Authority.
