For your information:

Section 187 certificate update request free of charge (One Update):

Penalties and interest, property charges, payments or dishonoured payments can impact account balances daily.

To assist with financial adjustments as close as practicable to the date of settlement, your Section 187 certificate will now be valid for 90 days. Within this period we will offer one update request without charge. This update is to be obtained via the online portal.

It is important to note all searches advise when fines/interest will be applied. When receiving your update search, should it be evident that further penalties will be applied prior to settlement, you will need to still consider these additional amounts as part of your settlement statement calculations.

Please Note: The above 90 day extension is applicable only to Section 187 certificates. Section 7 certificates still remain valid for a 30 day period only.

BPAY biller code added to searches to enable electronic settlement of funds

Our BPAY biller code is now detailed on each search, enabling settlement funds to be disbursed to us electronically. Please note that this is our preferred method payment and we request that you cease the use of cheques to affect settlement.

How to advise us of change of ownership?

To also assist with the reduction of duplication of information being received from various agencies i.e. conveyancers and the Lands Titles Office (LTO), we are advocating that the Purchaser's Conveyancer to advise the change of ownership by following the below:

If you are using e-conveyancing to affect a sale, please only issue advice to us if the mail service address is different to what was lodged via the transfer at the LTO. We update ownership details including the mailing address in accordance with the advice provided by the Valuer General. We have amended this change to align with SA Water practices and to provide an improved customer experience overall.

If lodging in person at the LTO – Please send the change of ownership advice to us via mail@onkaparinga.sa.gov.au.

Electronic settlement of funds is still preferred.

Further information held by council

Does the council hold details of any development approvals relating to:

NO

- (a) commercial or industrial activity at the land; or
- (b) a change in the use of the land or part of the land (within the meaning of the *Development Act 1993*) or the *Planning, Development and Infrastructure Act 2016*?

Note –

The question relates to information that the council for the area in which the land is situated may hold. If the council answers “YES” to the question, it will provide a description of the nature of each development approved in respect of the land. The purchaser may then obtain further details from council (on payment of any fee fixed by the council). However, it is expected that the ability to supply further details will vary considerably between councils.

A “YES” answer to paragraph (a) of the question may indicate that a potentially contaminating activity has taken place at the land (see sections 103C and 103H of the *Environment Protection Act 1993*) and that assessments or remediation of the land may be required at some future time.

It should be noted that –

- the approval of development by a council does not necessarily mean that the development has taken place;
- the council will not necessarily be able to provide a complete history of all such development that has taken place at the land.

Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)

Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:

- a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
- b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
- c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (<https://1100.com.au>) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

Land Tax Act 1936 and Regulations thereunder

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

Animal and Plant Control (Agriculture Protection and other purposes) Act 1986 and Regulations

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

- The vendor about the known presence of proclaimed plants or animals on the property including details which the vendor can obtain from records held by the local animal and plant control board
- The local animal and plant control board or the Animal and Plant Control Commission on the policies and priorities relating to the control of any serious proclaimed plants or animals in the area where the property is located.

The Owner shall not erect upon the land more than one detached dwelling house (exclusive of all general domestic outbuildings).

2. Subdivision

The land shall not be subdivided.

3. Residential Dwellings

- 3.1 The Owner shall not use or permit the land to be used for any purpose other than for private residential purposes with the exception of approval being obtained from and given by the Encumbrancee in relation to a home activity within the meaning defined by the Development Regulations 1993, as amended.

4. Temporary Dwellings

The Owner shall not erect upon the land any building other than an outbuilding, that is constructed of prefabricated material, nor any transportable dwelling house, nor any caravan or other temporary dwelling as the detached dwelling house unless approved in writing by the Encumbrancee.

5. Development in Accordance with Urban Design Guidelines

6. No Delay

The Owner:

- 6.1 must not permit any undue delay to occur in the commencement or completion of any works approved under clause 5.1;
- 6.2 must not permit the commencement of the construction of a dwelling and garage or carport on the land to be delayed beyond a time limit of 24 months after the date of settlement (or such further time as the Encumbrancee in its absolute discretion may agree in writing to the Owner);

7. Option to buy back

If the construction of a dwelling approved by the Encumbrancee is not commenced on the land before the expiry of the time limit stated in clause 6.2 (or such further time as the Encumbrancee may agree in writing with the Owner), then the following provisions will apply: -

- 7.1 The Encumbrancee may request the owner to transfer the land to the Encumbrancee or its nominee. The request may be made at any time after the expiry of the time limit, unless by that time the construction of a dwelling has commenced.
- 7.2 The Encumbrancee may, in its sole discretion, determine a price for the transfer of the land (being not less than the gross sale price of the land to the Owner less 10%).
- 7.3 The Owner must, within one month after the date of a request under clause 7.1, transfer an estate in fee simple in the land in accordance with the request, subject only to this Encumbrance.
- 7.4 The Owner must promptly execute all relevant documentation submitted to it by the Encumbrancee for the purpose of giving effect to the transfer.
- 7.5 Rates, taxes and all other outgoings relating to the land will be adjusted to the date of settlement of the transfer. All costs associated with the transfer will be borne by the Encumbrancee or its nominee.
- 7.6 The price fixed by the Encumbrancee will be payable to the Owner on settlement.

8. No sale or lease before building is completed

- 8.1 Subject to this clause and to clause 17 the Owner must not lease or transfer the land unless a dwelling, approved by the Encumbrancee under clause 5.1, has been completed on the land.
- 8.2 If a dwelling, approved by the Encumbrancee under clause 5.1, has not been completed on the land and the Owner desires to transfer the land, then the following provisions will apply:
 - 8.2.1 The Encumbrancee has the option of repurchasing the land, subject only to this Encumbrance, for a price fixed by the Encumbrancee in the same manner as set out in clause 7.2.
 - 8.2.2 The Owner must make an offer in writing to the Encumbrancee to sell the land to the Encumbrancee or its nominee for the price fixed by the Encumbrancee. The offer will remain open for acceptance for one month after the date of service of the offer.
 - 8.2.3 If the offer is accepted then:
 - (a) the Owner must sell the land to the Encumbrancee or its nominee upon the terms stated in this clause;
 - (b) settlement will be effected within one month from the date of acceptance;
 - (c) the Owner must promptly execute all relevant documentation submitted to it by the Encumbrancee;
 - (d) rates, taxes and all other outgoings related to the land will be adjusted to the date of settlement;
 - (e) all costs associated with the transfer will be borne by the Encumbrancee or its nominee; and
 - (f) the price fixed by the Encumbrancee will be payable on settlement.
 - 8.2.4 Until the expiry of the period stated in clause 8.2.2, the Owner must not transfer or agree to transfer the land to any other person, (unless in the meantime the Encumbrancee, in writing, unconditionally declines the offer).
 - 8.2.5 This clause does not prevent a transfer of the land, upon the death of the Owner, to a person entitled to the land under the Will or upon the intestacy of the Owner.

8.3 If a dwelling approved by the Encumbrancee under clause 5.1 has not been completed on the land and the Owner causes or permits the land to be advertised for sale without first complying with clause 8.2, then the following provisions will apply:

8.3.1 The Encumbrancee may exercise its option to purchase the land for a price fixed by the Encumbrancee in the same manner as set out in clause 7.2 on the same terms and conditions as set out in clause 8.2.

8.3.2 The option must be exercised by notice in writing served on the Owner within one month of the date on which the Encumbrancee becomes aware that the land has been advertised for sale (a certificate under the hand of the Manager or Secretary or other senior officer of the Encumbrancee is conclusive evidence of such date).

8.3.3 Settlement must be effected within two months of the exercise of the option.

9 Parking of Vehicles

The Owner shall not cause or allow:

9.1 parking of motor vehicles on other than the driveway on the land;

9.2 the storage of boats, caravans and/or trailers forward of the front alignment of the dwelling house, and if so, must be screened from the street.

9.3 commercial vehicles to be parked or left unattended on the land or otherwise than in a position where the same are not visible from the road frontage to the said land. For the purposes of this provision, "commercial vehicles" includes any vehicle between 1 and 3 tonne tare in weight intended or designed to carry goods, equipment or passengers in commercial quantities;

9.4 any vehicle greater than 3 tonne tare in weight to be parked or left unattended on the land.

10 Landscaping

The Owner shall:

10.1 ensure that all garden areas within public view, including the area between the property boundary and the nearest edge of the road pavement fronting or bordering the land, are landscaped to the reasonable satisfaction of the Encumbrancee within 12 months of completion of construction of a dwelling on the land;

10.2 thereafter maintain such landscaping and planting to the general standard of landscaping of allotments and public verges in the Development Zone to the reasonable satisfaction of the Encumbrancee; and

10.3 not plant or grow or cause or permit to be planted or grown or remain planted or growing on the land any noxious or unlawful tree, plant or shrub.

11 Solar Hot Water

The Owner shall not use or permit to be used any primary hot water service from the dwelling other than a solar natural gas boosted split system hot water service, whereby the water storage tank is located at ground level and is not located on the roof adjacent to the solar panels.

12 Rainwater Tank

The Owner shall not use or permit to be used any toilet flush system for the dwelling that does not incorporate a rainwater tank which captures the main dwelling roof water and then plumbs that rainwater into the toilet flush system.

13 Fencing

13.1 The Owner must not occupy a dwelling on the land unless garages, carports and the side and rear boundary fencing are completed.

13.2 Where the said land abuts a road reserve no fence shall be erected on the boundary of the land with such road reserve or within a distance of 5 metres of such boundary.

13.3 No fence shall be erected on a side boundary of the land extending beyond the front building line of any dwelling erected upon the land.

- 13.4 Where the land abuts a recreation reserve (as determined by the Encumbrancee) no fence shall be erected on the boundary of the land with such recreation reserve or within a distance of 5 metres of such boundary unless such fence is constructed in a style and of a height and of materials which are approved in writing by the Encumbrancee.
- 13.5 Where the Encumbrancee has erected any fence on the land the Owner shall not fail to repair and maintain the same in good and proper repair and any repair and maintenance of such fence shall be effected with the same materials from which such fence is constructed and in the event that such fence shall be replaced by the Owner any such replacement fence shall be either of the same construction and constructed of the same material as the existing fence or of some similar construction and material approved by the Encumbrancee in writing.
- 13.6 Any approval of the Encumbrancee obtained pursuant to Clause 5.1 hereof shall, unless extended by the Encumbrancee, lapse at the expiration of a period of 2 years commencing on the date of the approval in writing if the works to which it refers are not in the opinion of the Encumbrancee substantially commenced within that period.

14 Notice to Rectify Breach

- 14.1 If the Encumbrancee serves a written notice upon the Owner specifying a breach of any of the Owner's obligations under Clauses 1, 2, 3, 4, 9, 10 and 11; and
- 14.2 the Owner fails to remedy the breach within one month from the date of service of the notice; then
- 14.3 the Encumbrancee, its servants, agents and contractors may enter the land and may take such action as the Encumbrancee deems necessary to remedy the breach; and
- 14.4 the Encumbrancee may recover from the Owner, in any court of competent jurisdiction, the costs incurred in remedying the breach.

15 Acknowledgment of Building Scheme

The Owner acknowledges for the Owner and the Owner's successors in title:

- 15.1 that the foregoing covenants are entered into and undertaken for the purposes of the Encumbrancee's scheme of development for the lands comprised in the Development Zone; and
- 15.2 that the Encumbrancee has warranted that it has required, and will continue to require, each purchaser from the Encumbrancee of land in the Development Zone, as a condition of its sale, to execute an instrument in substantially similar form to this instrument and containing substantially similar covenants and other stipulations.

16 Release of Owner Upon Sale

Once a dwelling has been completed on the land, the following provisions will apply:

- 16.1 The rent charge and covenants contained in this instrument will be binding only upon the registered proprietor for the time being of the land.
- 16.2 Subject to clause 16.3, each successive registered proprietor of the land will be released from the payment of the rent charge and from the performance of the covenants immediately upon transferring the fee simple in the land to another person.
- 16.3 Despite a transfer as referred to in clause 16.2, the rights of the Encumbrancee will be preserved against any former registered proprietor in relation to a breach of this encumbrance which occurred either before the transfer or by reason of the transfer.

17 Sunset Clause

- 17.1 The rights and obligations of the Encumbrancee will cease 24 months after the Encumbrancee ceases to be the registered proprietor of the last of the residential building allotments created in the Development Zone.
- 17.2 For the avoidance of doubt it is expressly stated that the rights and obligations of the owners of any land in the Development Zone arising under the building scheme created by this Encumbrance will continue despite the provisions of Clause 17.1.

18. Service of Notices

18.1 A notice may be served on the Owner either:

18.1.1 by posting the notice in a prepaid envelope to the last known address of the Owner; or

18.1.2 if a dwelling has been erected on the land, by leaving the notice at or attached to the dwelling.
