Description

Rerun gas service from meter.

It is our pleasure to submit our estimate to rerun gas service from meter.

- Pick up plant and material & attend to site
- Excavate at front of property
- Gain access under house
- Replace galvanised gas service with copper
- Test
- Backfill excavation
- Clean site and remove rubbish

We strictly advise that this is an estimate only. We bill out on a "do and charge" basis + materials+ GST.

Budgeted cost to carry out the above work is..... \$7,300.00.00 - \$8,700.00 plus GST

Whilst every care will be taken, no allowance has been included in the calculation of our tender for the repair, making good or painting of building surfaces including ceilings, walls or floor which may be effected unless listed in the "Scope of Works" as shown above. We have not allowed for disturbances or rectification of any other services.

We have not allowed for disturbances or rectification of any other services.

Terms

Thank you for the opportunity of submitting our estimate for your perusal and approval. This estimate is only valid for a period of 30 days from the above date. Please see over/attached for our Terms and Conditions, which will be agreed upon on acceptance of this estimate.
