IMPORTANT NOTICE TO VENDORS AND PURCHASERS
Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS
The owners of certain types of buildings and strata lots must have smoke alarms, or in certain cases heat alarms, installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION
Before purchasing land that includes residential premises, within the meaning of the *Home Building Act 1989*, Part 8, Division 1A, built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation, within the meaning of the *Home Building Act 1989*, Part 8, Division 1A. In particular, a purchaser should—

(a) search the Register required to be maintained under the *Home Building Act 1989*, Part 8, Division 1A, and

(b) ask the relevant local council whether it holds records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation, including areas in which residential premises have been identified as containing loose-fill asbestos insulation, contact NSW Fair Trading.

Cooling off period (purchaser's rights)

1 This is the statement required by the *Conveyancing Act 1919*, section 66X. This statement applies to a contract for the sale of residential property.

2 EXCEPT in the circumstances listed in paragraph 3, the purchaser may rescind the contract before 5pm on—
- (a) for an off the plan contract—the tenth business day after the day on which the contract was made, or
- (b) in any other case—the fifth business day after the day on which the contract was made.

3 There is NO COOLING OFF PERIOD—
- (a) if, at or before the time the contract is made, the purchaser gives to the vendor, or the vendor's solicitor or agent, a certificate that complies with the Act, section 66W, or
- (b) if the property is sold by public auction, or
- (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
- (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under the Act, section 66ZG.

4 A purchaser exercising the right to cool off by rescinding the contract forfeits 0.25% of the purchase price of the property to the vendor.

5 The vendor is entitled to recover the forfeited amount from an amount paid by the purchaser as a deposit under the contract. The purchaser is entitled to a refund of any balance.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

APA Group	NSW Department of Education
Australian Taxation Office	NSW Fair Trading
Council	Owner of adjoining land
County Council	Privacy
Department of Planning and Environment	Public Works Advisory
Department of Primary Industries	Subsidence Advisory NSW
Electricity and gas	Telecommunications
Land and Housing Corporation	Transport for NSW
Local Land Services	Water, sewerage or drainage authority

If you think that any of these matters affects the property, tell your solicitor.

2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.

3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.

4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.

5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.

6. Most purchasers will have to pay transfer duty (and, sometimes, if the purchaser is not an Australian citizen, surcharge purchaser duty) on this contract. Some purchasers may be eligible to choose to pay first home buyer choice property tax instead of transfer duty. If a payment is not made on time, interest and penalties may be incurred.

7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).

8. The purchaser should arrange insurance as appropriate.

9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.

10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.

11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.

12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.

2.4 The purchaser can pay any of the deposit by –

2.4.1 giving cash (up to $2,000) to the *depositholder*;

3.6 Clauses 3.3 and 3.4 can operate more than once.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

3.8 The amount of any *deposit-bond* does not form part of the price for the purposes of clause 16.5.
3.9 The vendor must give the purchaser any original *deposit-bond* –

4 Electronic transaction

4.1 This *Conveyancing Transaction* is to be conducted as an *electronic transaction* unless –
4.1.1 the contract says this transaction is a *manual transaction*, giving the reason, or
4.1.2 a *party serves* a notice stating why the transaction is a *manual transaction*, in which case the *parties* do not have to complete earlier than 14 days after *service* of the notice, and clause 21.3 does not apply to this provision,
and in both cases clause 30 applies.
4.2 If, because of clause 4.1.2, this *Conveyancing Transaction* is to be conducted as a *manual transaction* –
4.2.1 each *party* must –
- bear equally any disbursements or fees; and
- otherwise bear that *party's* own costs;

incurred because this *Conveyancing Transaction* was to be conducted as an *electronic transaction*; and
4.2.2 if a *party* has paid all of a disbursement or fee which, by reason of this clause, is to be borne equally by the *parties*, that amount must be adjusted under clause 14.
4.3 The *parties* must conduct the *electronic transaction* –
4.3.1 in accordance with the *participation rules* and the *ECNL*; and
4.3.2 using the nominated *ELN*, unless the *parties* otherwise agree. This clause 4.3.2 does not prevent a *party* using an *ELN* which can interoperate with the nominated *ELN*.
4.4 A *party* must pay the fees and charges payable by that *party* to the *ELNO* and the *Land Registry*.
4.5 *Normally*, the vendor must *within* 7 days of the contract date create and *populate* an *Electronic Workspace* with *title data* and the date for completion, and invite the purchaser to the *Electronic Workspace*.
4.6 If the vendor has not created an *Electronic Workspace* in accordance with clause 4.5, the purchaser may create and *populate* an *Electronic Workspace* and, if it does so, the purchaser must invite the vendor to the *Electronic Workspace*.
4.7 The *parties* must, as applicable to their role in the *Conveyancing Transaction* and the steps taken under clauses 4.5 or 4.6 –
4.7.1 promptly join the *Electronic Workspace* after receipt of an invitation;
4.7.2 create and *populate* an *electronic transfer*;
4.7.3 invite any *discharging mortgagee* or *incoming mortgagee* to join the *Electronic Workspace*; and
4.7.4 *populate* the *Electronic Workspace* with a nominated *completion time*.
4.8 If the transferee in the *electronic transfer* is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for that transfer.
4.9 The vendor can require the purchaser to include a covenant or easement in the *electronic transfer* only if this contract contains the wording of the proposed covenant or easement, and a description of the land burdened and benefited.
4.10 If the purchaser must make a *GSTRW payment* or an *FRCGW remittance*, the purchaser must *populate* the *Electronic Workspace* with the payment details for the *GSTRW payment* or *FRCGW remittance* payable to the Deputy Commissioner of Taxation at least 2 *business days* before the date for completion.
4.11 Before completion, the *parties* must ensure that –
4.11.1 all *electronic documents* which a *party* must *Digitally Sign* to complete the *electronic transaction* are *populated* and *Digitally Signed*;
4.11.2 all certifications required by the *ECNL* are properly given; and
4.11.3 they do everything else in the *Electronic Workspace* which that *party* must do to enable the *electronic transaction* to proceed to completion.
4.12 If the computer systems of any of the *Land Registry*, the *ELNO*, Revenue NSW or the Reserve Bank of Australia are inoperative for any reason at the *completion time* agreed by the *parties*, a failure to complete this contract for that reason is not a default under this contract on the part of either *party*.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

4.13 If the computer systems of the *Land Registry* are inoperative for any reason at the *completion time* agreed by the *parties*, and the *parties* choose that financial settlement is to occur despite this, then on financial settlement occurring –

4.13.1 all *electronic documents Digitally Signed* by the vendor and any discharge of mortgage, withdrawal of caveat or other *electronic document* forming part of the *Lodgment Case* for the *electronic transaction* are taken to have been unconditionally and irrevocably delivered to the purchaser or the purchaser's mortgagee at the time of financial settlement together with the right to deal with the land; and

4.13.2 the vendor is taken to have no legal or equitable interest in the *property*.

4.14 If the *parties* do not agree about the delivery before completion of one or more documents or things that cannot be delivered through the *Electronic Workspace*, the *party* required to deliver the documents or things –

4.14.1 holds them on completion in escrow for the benefit of; and

4.14.2 must immediately after completion deliver the documents or things to, or as directed by;

the *party* entitled to them.

5 Requisitions

5.1 If a form of *requisitions* is attached to this contract, the purchaser is taken to have made those *requisitions*.

5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by *serving* it –

5.2.1 if it arises out of this contract or it is a general question about the *property* or title - *within* 21 days after the contract date;

5.2.2 if it arises out of anything *served* by the vendor - *within* 21 days after the later of the contract date and that *service*; and

5.2.3 in any other case - *within* a reasonable time.

6 Error or misdescription

6.1 *Normally*, the purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).

6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.

6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

Normally, the purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

7.1 the vendor can *rescind* if in the case of claims that are not claims for delay –

7.1.1 the total amount claimed exceeds 5% of the price;

7.1.2 the vendor *serves* notice of intention to *rescind*; and

7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and

7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed –

7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;

7.2.2 the amount held is to be invested in accordance with clause 2.9;

7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);

7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;

7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and

7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

8 Vendor's rights and obligations

8.1 The vendor can *rescind* if –

8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;

8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and

8.1.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service*.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can *terminate* by *serving* a notice. After the *termination* –
- 8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract;
- 8.2.2 the purchaser can sue the vendor to recover damages for breach of contract; and
- 8.2.3 if the purchaser has been in possession a *party* can claim for a reasonable adjustment.

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can –

9.1 keep or recover the deposit (to a maximum of 10% of the price);

9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause –
- 9.2.1 for 12 months after the *termination*; or
- 9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and

9.3 sue the purchaser either –
- 9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover –
  - the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
  - the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or
- 9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

10.1 The purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of –
- 10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;
- 10.1.2 a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* ('service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);
- 10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;
- 10.1.4 any change in the *property* due to fair wear and tear before completion;
- 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
- 10.1.6 a condition, exception, reservation or restriction in a Crown grant;
- 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
- 10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
- 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).

10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.

10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.

11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –

12.1 to have the *property* inspected to obtain any certificate or report reasonably required;

12.2 to apply (if necessary in the name of the vendor) for –
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and

12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

13 Goods and services tax (GST)

13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.

13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.

13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –

13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but

13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and

13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.

13.4 If this contract says this sale is the supply of a going concern –

13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;

13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;

13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –

- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
- if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and

13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.

13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.

13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.

13.7 If this contract says the sale is not a taxable supply –

13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and

13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –

- a breach of clause 13.7.1; or
- something else known to the purchaser but not the vendor.

13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

13.8.1 this sale is not a taxable supply in full; or

13.8.2 the margin scheme applies to the *property* (or any part of the *property*).

13.9 If this contract says this sale is a taxable supply to an extent –

13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and

13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.

13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.

13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.

13.13 If the vendor *serves* details of a *GSTRW payment* which the purchaser must make, the purchaser does not have to complete earlier than 5 *business days* after that *service* and clause 21.3 does not apply to this provision.

13.14 If the purchaser must make a *GSTRW payment* the purchaser must, at least 2 *business days* before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under either clause 4.8 or clause 30.4 has been given, by the transferee named in the transfer the subject of that direction.

14 Adjustments

14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.

14.2 The *parties* must make any necessary adjustment on completion, and –

14.2.1 the purchaser must provide the vendor with *adjustment figures* at least 2 *business days* before the date for completion; and

14.2.2 the vendor must confirm the *adjustment figures* at least 1 *business day* before the date for completion.

14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.

14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –

14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;

14.4.2 by adjusting the amount that would have been payable if at the start of the year –

- the person who owned the land owned no other land;
- the land was not subject to a special trust or owned by a non-concessional company; and
- if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.

14.5 The *parties* must not adjust any first home buyer choice property tax.

14.6 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.

14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.

14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The *parties* must complete by the date for completion and, if they do not, a *party* can *serve* a notice to complete if that *party* is otherwise entitled to do so.

16 Completion

• Vendor

16.1 *Normally*, on completion the vendor must cause the legal title to the *property* (being the estate disclosed in this contract) to pass to the purchaser free of any charge, mortgage or other interest, subject to any necessary registration.

16.2 The legal title to the *property* does not pass before completion.

16.3 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser.

16.4 If a *party serves* a land tax certificate showing a charge on any of the land, by completion the vendor must do all things and pay all money required so that the charge is no longer effective against the land.

• Purchaser

16.5 On completion the purchaser must pay to the vendor –

16.5.1 the price less any –

- deposit paid;
- *FRCGW remittance* payable;
- *GSTRW payment*; and
- amount payable by the vendor to the purchaser under this contract; and

16.5.2 any other amount payable by the purchaser under this contract.

16.6 If any of the deposit is not covered by a *deposit-bond*, at least 1 *business day* before the date for completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit, to be held by the vendor in escrow until completion.

16.7 On completion the deposit belongs to the vendor.

17 Possession

17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.

17.2 The vendor does not have to give vacant possession if –

17.2.1 this contract says that the sale is subject to existing tenancies; and

17.2.2 the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).

17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Schedule 2, Part 7 of the Residential Tenancies Act 2010).

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

18 Possession before completion

18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.

18.2 The purchaser must not before completion –

18.2.1 let or part with possession of any of the *property*;

18.2.2 make any change or structural alteration or addition to the *property;* or

18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.

18.3 The purchaser must until completion –

18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and

18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.

18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.

18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –

18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and

18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.

18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.

18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

19 Rescission of contract

19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right –

19.1.1 only by *serving* a notice before completion; and

19.1.2 in spite of any making of a claim or *requisition*, any attempt to satisfy a claim or *requisition*, any arbitration, litigation, mediation or negotiation or any giving or taking of possession.

19.2 *Normally*, if a *party* exercises a right to *rescind* expressly given by this contract or any *legislation* –

19.2.1 the deposit and any other money paid by the purchaser under this contract must be refunded;

19.2.2 a *party* can claim for a reasonable adjustment if the purchaser has been in possession;

19.2.3 a *party* can claim for damages, costs or expenses arising out of a breach of this contract; and

19.2.4 a *party* will not otherwise be liable to pay the other *party* any damages, costs or expenses.

20 Miscellaneous

20.1 The *parties* acknowledge that anything stated in this contract to be attached was attached to this contract by the vendor before the purchaser signed it and is part of this contract.

20.2 Anything attached to this contract is part of this contract.

20.3 An area, bearing or dimension in this contract is only approximate.

20.4 If a *party* consists of 2 or more persons, this contract benefits and binds them separately and together.

20.5 A *party's solicitor* can receive any amount payable to the *party* under this contract or direct in writing that it is to be paid to another person.

20.6 A document under or relating to this contract is –

20.6.1 signed by a *party* if it is signed by the *party* or the *party's solicitor* (apart from a direction under clause 4.8 or clause 30.4);

20.6.2 *served* if it is *served* by the *party* or the *party's solicitor*;

20.6.3 *served* if it is *served* on the *party's solicitor*, even if the *party* has died or any of them has died;

20.6.4 *served* if it is *served* in any manner provided in s170 of the Conveyancing Act 1919;

20.6.5 *served* if it is sent by email or fax to the *party's solicitor*, unless in either case it is not received;

20.6.6 *served* on a person if it (or a copy of it) comes into the possession of the person;

20.6.7 *served* at the earliest time it is *served*, if it is *served* more than once; and

20.6.8 *served* if it is provided to or by the *party's solicitor* or an *authorised Subscriber* by means of an *Electronic Workspace* created under clause 4. However, this does not apply to a notice making an obligation essential, or a notice of *rescission* or *termination*.

20.7 An obligation to pay an expense of another *party* of doing something is an obligation to pay –

20.7.1 if the *party* does the thing personally - the reasonable cost of getting someone else to do it; or

20.7.2 if the *party* pays someone else to do the thing - the amount paid, to the extent it is reasonable.

20.8 Rights under clauses 4, 11, 13, 14, 17, 24, 30 and 31 continue after completion, whether or not other rights continue.

20.9 The vendor does not promise, represent or state that the purchaser has any cooling off rights.

20.10 The vendor does not promise, represent or state that any attached survey report is accurate or current.

20.11 A reference to any *legislation* (including any percentage or rate specified in *legislation*) is also a reference to any corresponding later *legislation*.

20.12 Each *party* must do whatever is necessary after completion to carry out the *party's* obligations under this contract.

20.13 Neither taking possession nor *serving* a transfer of itself implies acceptance of the *property* or the title.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

20.14 The details and information provided in this contract (for example, on pages 1 - 4) are, to the extent of each *party's* knowledge, true, and are part of this contract.
20.15 Where this contract provides for choices, a choice in BLOCK CAPITALS applies unless a different choice is marked.
20.16 Each *party* consents to –
20.16.1 any *party* signing this contract electronically; and
20.16.2 the making of this contract by the exchange of counterparts delivered by email, or by such other electronic means as may be agreed in writing by the *parties*.
20.17 Each *party* agrees that electronic signing by a *party* identifies that *party* and indicates that *party's* intention to be bound by this contract.

21 Time limits in these provisions
21.1 If the time for something to be done or to happen is not stated in these provisions, it is a reasonable time.
21.2 If there are conflicting times for something to be done or to happen, the latest of those times applies.
21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.
21.4 If the time for something to be done or to happen is the 29th, 30th or 31st day of a month, and the day does not exist, the time is instead the last day of the month.
21.5 If the time for something to be done or to happen is a day that is not a *business day*, the time is extended to the next *business day*, except in the case of clauses 2 and 3.2.
21.6 *Normally*, the time by which something must be done is fixed but not essential.

22 Foreign Acquisitions and Takeovers Act 1975
22.1 The purchaser promises that the Commonwealth Treasurer cannot prohibit and has not prohibited the transfer under the Foreign Acquisitions and Takeovers Act 1975.
22.2 This promise is essential and a breach of it entitles the vendor to *terminate*.

23 Strata or community title
• Definitions and modifications
23.1 This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).
23.2 In this contract –
23.2.1 'change', in relation to a scheme, means –
- a registered or registrable change from by-laws set out in this contract;
- a change from a development or management contract or statement set out in this contract; or
- a change in the boundaries of common property;

23.2.2 'common property' includes association property for the scheme or any higher scheme;
23.2.3 'contribution' includes an amount payable under a by-law;
23.2.4 'information certificate' includes a certificate under s184 Strata Schemes Management Act 2015 and s171 Community Land Management Act 2021;
23.2.5 'interest notice' includes a strata interest notice under s22 Strata Schemes Management Act 2015 and an association interest notice under s20 Community Land Management Act 2021;
23.2.6 'normal expenses', in relation to an owners corporation for a scheme, means normal operating expenses usually payable from the administrative fund of an owners corporation for a scheme of the same kind;
23.2.7 'owners corporation' means the owners corporation or the association for the scheme or any higher scheme;
23.2.8 'the *property*' includes any interest in common property for the scheme associated with the lot; and
23.2.9 'special expenses', in relation to an owners corporation, means its actual, contingent or expected expenses, except to the extent they are –
- normal expenses;
- due to fair wear and tear;
- disclosed in this contract; or
- covered by moneys held in the capital works fund.

23.3 Clauses 11, 14.8 and 18.4 do not apply to an obligation of the owners corporation, or to property insurable by it.
23.4 Clauses 14.4.2 and 14.6 apply but on a unit entitlement basis instead of an area basis.
• Adjustments and liability for expenses
23.5 The *parties* must adjust under clause 14.1 –
23.5.1 a regular periodic contribution;
23.5.2 a contribution which is not a regular periodic contribution but is disclosed in this contract; and
23.5.3 on a unit entitlement basis, any amount paid by the vendor for a normal expense of the owners corporation to the extent the owners corporation has not paid the amount to the vendor.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

23.6 If a contribution is not a regular periodic contribution and is not disclosed in this contract –
- 23.6.1 the vendor is liable for it if it was determined on or before the contract date, even if it is payable by instalments; and
- 23.6.2 the purchaser is liable for all contributions determined after the contract date.

23.7 The vendor must pay or allow to the purchaser on completion the amount of any unpaid contributions for which the vendor is liable under clause 23.6.1.

23.8 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of –
- 23.8.1 an existing or future actual, contingent or expected expense of the owners corporation;
- 23.8.2 a proportional unit entitlement of the lot or a relevant lot or former lot, apart from a claim under clause 6; or
- 23.8.3 a past or future change in the scheme or a higher scheme.

23.9 However, the purchaser can *rescind* if –
- 23.9.1 the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;
- 23.9.2 in the case of the lot or a relevant lot or former lot in a higher scheme, a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion;
- 23.9.3 a change before the contract date or before completion in the scheme or a higher scheme materially prejudices the purchaser and is not disclosed in this contract; or
- 23.9.4 a resolution is passed by the owners corporation before the contract date or before completion to give to the owners in the scheme for their consideration a strata renewal plan that has not lapsed at the contract date and there is not attached to this contract a strata renewal proposal or the strata renewal plan.

• Notices, certificates and inspections

23.10 Before completion, the purchaser must *serve* a copy of an interest notice addressed to the owners corporation and signed by the purchaser.

23.11 After completion, the purchaser must insert the date of completion in the interest notice and send it to the owners corporation.

23.12 The vendor can complete and send the interest notice as agent for the purchaser.

23.13 The vendor must *serve* at least 7 days before the date for completion, an information certificate for the lot, the scheme or any higher scheme which relates to a period in which the date for completion falls.

23.14 The purchaser does not have to complete earlier than 7 days after *service* of the information certificate and clause 21.3 does not apply to this provision. On completion the purchaser must pay the vendor the prescribed fee for the information certificate.

23.15 The vendor authorises the purchaser to apply for the purchaser's own information certificate.

23.16 The vendor authorises the purchaser to apply for and make an inspection of any record or other document in the custody or control of the owners corporation or relating to the scheme or any higher scheme.

• Meetings of the owners corporation

23.17 If a general meeting of the owners corporation is convened before completion –
- 23.17.1 if the vendor receives notice of it, the vendor must immediately notify the purchaser of it; and
- 23.17.2 after the expiry of any cooling off period, the purchaser can require the vendor to appoint the purchaser (or the purchaser's nominee) to exercise any voting rights of the vendor in respect of the lot at the meeting.

24 Tenancies

24.1 If a tenant has not made a payment for a period preceding or current at the *adjustment date* –
- 24.1.1 for the purposes of clause 14.2, the amount is to be treated as if it were paid; and
- 24.1.2 the purchaser assigns the debt to the vendor on completion and will if required give a further assignment at the vendor's expense.

NOT TO BE ALTERED BY ERASURE—See Part Nos.

h If executed within the State this instrument should be signed or acknowledged before the Registrar-General, or Deputy Registrar-General, or a Notary Public, a J.P., or Commissioner for Affidavits, to whom the Transferor is known, otherwise the attesting witness should appear before one of the above functionaries who having questioned the witness should sign the certificate on the back of this form.
As to instruments executed elsewhere, see back of form.

i Repeat attestation if necessary.

If the Transferor or Transferee signs by a mark, the attestation must state "that the instrument was read over and explained to him, and that he appeared fully to understand the same."

k A very short note will suffice.

l Covenants cannot conveniently inserted, a memorandum obtainable at any may be added. Memorandum must be signed by parties and their signatures witnessed.

m Every of the land comprised in a Certificate of Title is to be described as a separate Vol. D.P. from the land dealt with in the memorandum hereto, or from the residue of the land comprised in certificate of title Vol. Fol. unless the consent of the local council is required to a subdivision the certificate and plan mentioned in the L.T. Act, 1919, should accompany the transfer.

n Strike out if unnecessary. Covenants should comply with Section 88 of the Conveyancing Acts, 1919-1943. Here also should be set forth any right-of-way or easement or exception.
Any provision in addition to or modification of the covenants implied by the Act may also be inserted.
If the space provided is insufficient a form of annexure of the same size and quality of paper as this instrument should be used.

* If signed by virtue of any power of attorney, the original power must be registered, and produced with each dealing, and the memorandum of non-revocation on back of form signed by the attorney before a witness.

† N.B.—Section 117 requires that the above Certificate be signed by such Transferee or his Solicitor or Conveyancer, and renders any person falsely or negligently certifying liable to a penalty of £50, also to damages recoverable by parties injured. Acceptance by the Solicitor or Conveyancer (who must sign his own name, and not that of his firm) is permitted only when the signature of the Transferee cannot be obtained without difficulty, and when the instrument does not impose a liability on the party taking under it. When the instrument contains some special covenant by the Transferee or is subject to a mortgage, encumbrance or lease, the Transferee must accept personally.

No alterations should be made by erasure. The words rejected should be scored through with the pen, and those substituted written over them, the alteration being verified by signature or initials in the margin, or noticed in the attestation.

Land Slip or Subsidence:

However, some lots in Ku-ring-gai Local Government Area contain filling and/or road batters which may be subject to settlement and require special consideration in the design of foundations.

Flooding:

Some properties in the Ku-ring-gai Local Government area contain or adjoin natural drainage paths, pipelines, watercourses and depressions. During major rainfall or blockage of the drainage system surface water may affect the site or restrict future development.

You should make your own enquiries as to the age of the buildings on the land to which this certificate relates and, if it contains a building constructed prior to 1980, the council strongly recommends that any potential purchaser obtain advice from a licensed asbestos assessor to determine whether loose-fill asbestos is present in any building on the land and, if so, the health risks (if any) this may pose for the building's occupants.

Re: 11 Arundel Street, West Pymble.

Land in the Local Government Area of Ku-Ring-Gai, Parish of Gordon, County of Cumberland, having frontage to Arundel Street, being Lot 76 in Deposited Plan 26062 and being the land comprised in Certificate of Title Folio Identifier 76/26062 (searched on 24/07/23).

In accordance with your instructions I have made a survey for identification purposes only of the above described land which is further shown on the accompanying sketch. This survey is not authorised to be used for any other purpose. Use of the survey by a person or persons other than the instructing party and their client does not create a contract between the surveyor and that other person.

On the land is erected a 1 & 2 Storey rendered house with a tiled roof, together with a garage, swimming pool above brick building, covered verandahs and a metal shed.,

The property is known as **11 Arundel, West Pymble.**

In my opinion, the house complies with the minimum boundary clearance requirements of the Local Government Act in force at the date of construction.

The frontage is not fenced. The Western boundary is partly enclosed by a paling fence.
The rear boundary is enclosed by a lattice fence and the eastern boundary is partly enclosed by a paling fence.

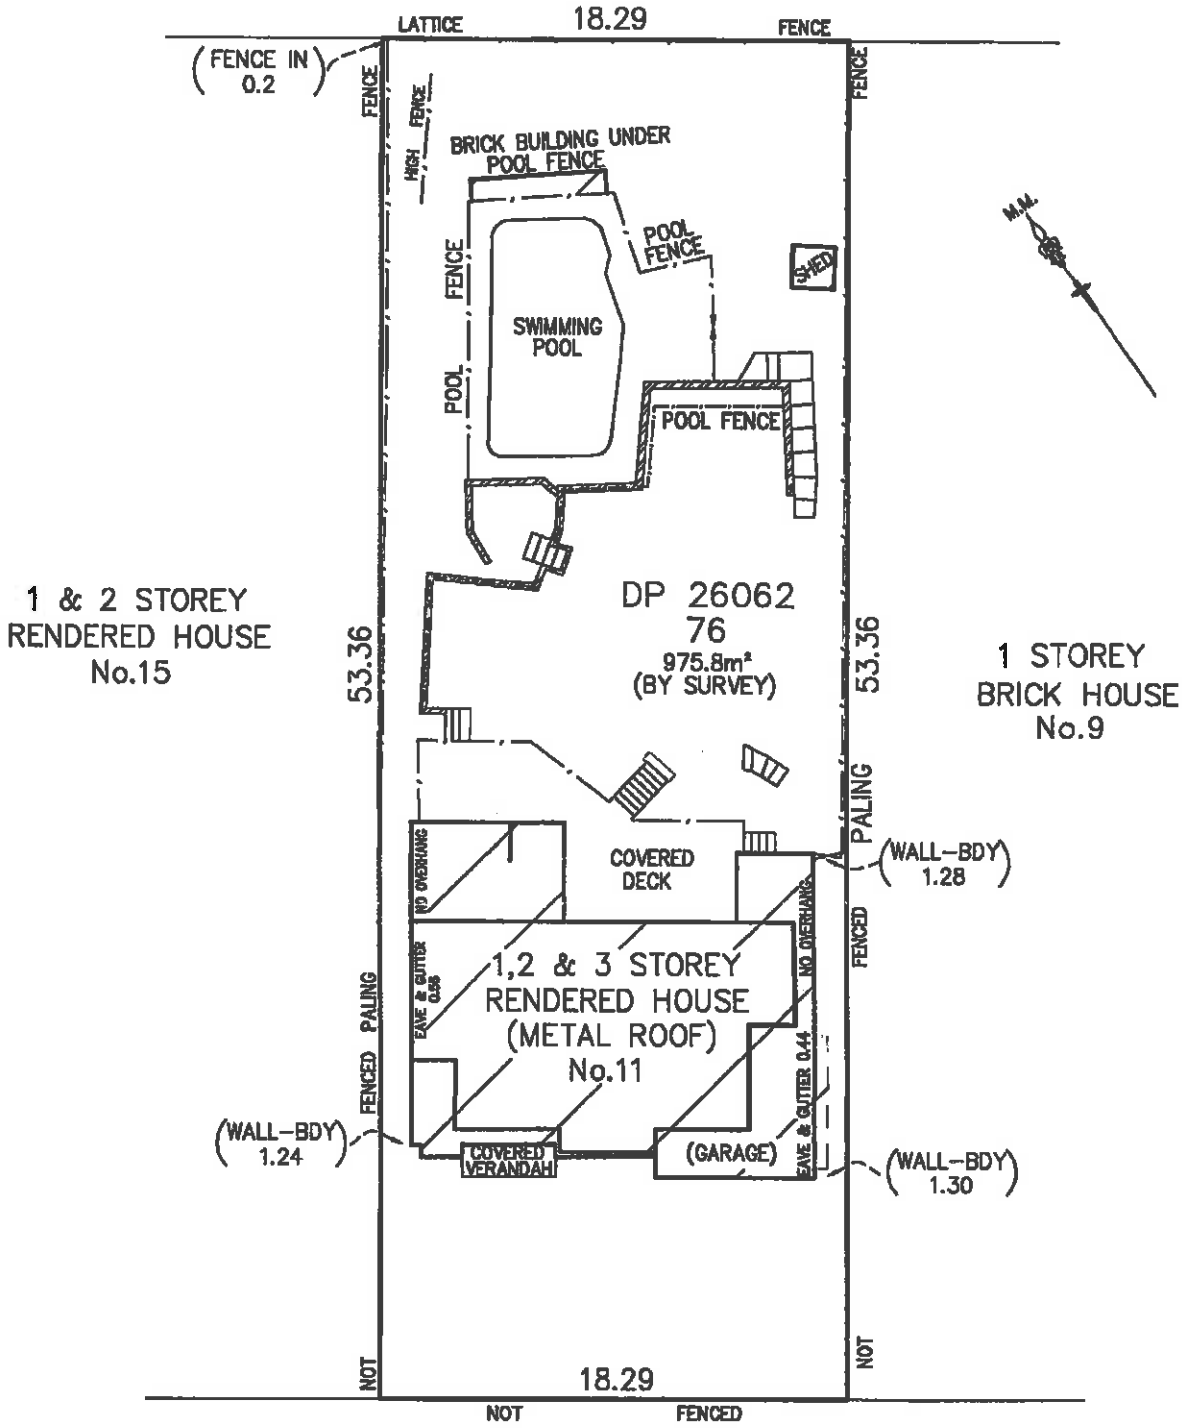

If further development of the site is contemplated on or near boundaries then survey marks must be placed.

It is my opinion that except as indicated and for irregularities of walls and fences, there are no further visible encroachments of substance either by or upon the subject land.

Important information

Who is protected by a clearance certificate?
A clearance certificate states whether there is any land tax (including surcharge land tax) owing on a property. The certificate protects a purchaser from outstanding land tax liability by a previous owner, however it does not provide protection to the owner of the land.

When is a certificate clear from land tax?
A certificate may be issued as 'clear' if:
- the land is not liable or is exempt from land tax
- the land tax has been paid
- Revenue NSW is satisfied payment of the tax is not at risk, or
- the owner of the land failed to lodge a land tax return when it was due, and the liability was not detected at the time the certificate was issued.

Note: A clear certificate does not mean that land tax was not payable, or that there is no land tax adjustment to be made on settlement if the contract for sale allows for it.

When is a certificate not clear from land tax?
Under section 47 of the *Land Tax Management Act 1956,* land tax is a charge on land owned in NSW at midnight on 31 December of each year. The charge applies from the taxing date and does not depend on the issue of a land tax assessment notice. Land tax is an annual tax so a new charge may occur on the taxing date each year.

How do I clear a certificate?
A charge is removed for this property when the outstanding land tax amount is processed and paid in full. Payment can be made during settlement via an accepted Electronic Lodgement Network or at an approved settlement room.

To determine the land tax amount payable, you must use one of the following approved supporting documents:
- Current year land tax assessment notice. This can only be used if the settlement date is no later than the first instalment date listed on the notice. If payment is made after this date interest may apply.
- Clearance quote or settlement letter which shows the amount to clear.

The charge on the land will be considered removed upon payment of the amount shown on these documents

How do I get an updated certificate?
A certificate can be updated by re-processing the certificate through your Client Service Provider (CSP), or online at www.revenue.nsw.gov.au/taxes/land/clearance.

Please allow sufficient time for any payment to be processed prior to requesting a new version of the clearance certificate.

Land value, tax rates and thresholds
The taxable land value shown on the clearance certificate is the value used by Revenue NSW when assessing land tax. Details on land tax rates and thresholds are available at www.revenue.nsw.gov.au.
