Bruse Real Estate

For 3 Generations 1957 - >>>

The directors of **BRUSE Real Estate**, Bevan and Theon Bruse, are proud to say that the **Bruse** name has been associated with real estate for three generations. Sydney Bruse operated as a real estate agent for many years in the Payneham and Marryatville districts of South Australia. His son Bevan, grandson Theon, and Bevan's wife Jill have kept the name alive in the real estate industry.

Real estate is well established in the **Bruse** family. They are enthusiastic and extremely passionate about the industry. Bevan originally joined his father in real estate at the young age of 20. Bevan joined Brock Partners when the company commenced some 25 years ago. Theon joined Bevan at Brock Partners 18 years ago until they opened a franchise in the Eastern suburbs.

Bevan and Theon Bruse decided to open the "**Bruse**" agency, a boutique agency suitable to their select clients to offer them a service that they believe is ahead of the rest. Bevan's wife Jill is now part of the **Bruse** agency in a business management capacity.

The **Bruse** office is active in **selling property** and **property management**. The **Bruse** office is wonderfully positioned on Greenhill Road, at Toorak Gardens just opposite all the banks and Burnside Village. This prominent position has excellent car parking at the rear of the building, making it easier for buyers, sellers, landlords, tenants and other clients to call into the office. It is also extremely close to the city and business centre.

The interior of the office is very bright, light and airy with modern designer décor. The **Bruse** staff enjoy the environment and the social life of working close to one of Adelaide's premium shopping centres, Burnside Village, and the excellent local restaurants and amenities. **BRUSE Real Estate** welcomes you to call into their office whenever you pass by.
