Schedule

Preliminary

To the purchaser:

The purpose of a statement under section 7 of the *Land and Business (Sale and Conveyancing) Act 1994* is to put you on notice of certain particulars concerning the land to be acquired. If you intend to carry out building work on the land, change the use of the land or divide the land, you should make further inquiries to determine whether this will be permitted. For example, building work may not be permitted on land not connected to a sewerage system or common drainage scheme if the land is near a watercourse, dam, bore or the River Murray and Lakes.

The *Aboriginal Heritage Act 1988* protects any Aboriginal site or object on the land. Details of any such site or object may be sought from the "traditional owners" as defined in that Act.

If you desire additional information, it is up to you to make further inquiries as appropriate.

Instructions to the vendor for completing this statement:

☐ means the Part, Division, particulars or item may not be applicable.

If it is applicable, ensure the box is ticked and complete the Part, Division, particulars or item.

If it is not applicable, ensure the box is empty or strike out the Part, Division, particulars or item. Alternatively, the Part, Division, particulars or item may be omitted, but not in the case of an item or heading in the table of particulars in Division 1 of the Schedule that is required by the instructions at the head of that table to be retained as part of this statement.

* means strike out or omit the option that is not applicable.

All questions must be answered with a YES or NO (inserted in the place indicated by a rectangle or square brackets below or to the side of the question).

If there is insufficient space to provide any particulars required, continue on attachments.

You may notify the vendor of your intention not to be bound by the contract for the sale of the land UNLESS–

- (a) you purchased by auction; or
- (b) you purchased on the same day as you, or some person on your behalf, bid at the auction of the land; or
- (c) you have, before signing the contract, received independent advice from a legal practitioner and the legal practitioner has signed a certificate in the prescribed form as to the giving of that advice; or

- (g) the contract also provides for the sale of a business that is not a small business.

2 – Time for service

The cooling-off notice must be served–

- (a) if this form is served on you before the making of the contract– before the end of the second clear business day after the day on which the contract was made; or
- (b) if this form is served on you after the making of the contract– before the end of the second clear business day from the day on which this form is served.

However, if this form is not served on you at least 2 clear business days before the time at which settlement takes place, the cooling-off notice may be served at any time before settlement.

Note–

Section 5(3) of the *Land and Business (Sale and Conveyancing) Act 1994* places the onus of proving the giving of the cooling-off notice on the purchaser. It is therefore strongly recommended that –

- (a) if you intend to serve the notice by leaving it for the vendor's agent at the agent's address for service or an address nominated by the agent, you obtain an acknowledgment of service of the notice in writing; or
- (b) if you intend to serve the notice by fax or email, you obtain a record of the transmission of the fax or email.

5 – Effect of service

If you serve such cooling-off notice on the vendor, the contract will be taken to have been rescinded at the time when the notice was served. You are then entitled to the return of any money you paid under the contract other than–

- (a) the amount of any deposit paid if the deposit did not exceed \$100; or
- (b) an amount paid for an option to purchase the land.

Proceeding with the purchase

If you wish to proceed with the purchase—

- (a) it is strongly recommended that you take steps to make sure your interest in the property is adequately insured against loss or damage; and
- (b) pay particular attention to the provisions in the contract as to time of settlement - it is essential that the necessary arrangements are made to complete the purchase by the agreed date - if you do not do so, you may be in breach of the contract; and

- (3) All owners of a community lot or a development lot are bound by the by-laws of the community scheme. The by-laws regulate the rights and liabilities of owners of lots in relation to their lots and the common property and matters of common concern.
- (4) For a brief description of some of the matters that need to be considered before purchasing a community lot, see Division 3 of this Schedule.

**SCHEDULE - DIVISION 3****COMMUNITY LOTS AND STRATA UNITS****Matters to be considered in purchasing a community lot or strata unit**

The property you are buying is on strata or community title. There are **special obligations and restrictions** that go with this kind of title. Make sure you understand these. If unsure, seek legal advice before signing a contract. For example:

Governance

You will automatically become a member of the **body corporate**, which includes all owners and has the job of maintaining the common property and enforcing the rules. Decisions, such as the amount you must pay in levies, will be made by vote of the body corporate. You will need to take part in meetings if you wish to have a say. If outvoted, you will have to live with decisions that you might not agree with.

If you are buying into a mixed use development (one that includes commercial as well as residential lots), owners of some types of lots may be in a position to outvote owners of other types of lots. Make sure you fully understand your voting rights, see later.

Use of your property

You, and anyone who visits or occupies your property, will be bound by rules in the form of **articles or by-laws**. These can restrict the use of the property, for example, they can deal with keeping pets, car parking, noise, rubbish disposal, short-term letting, upkeep of buildings and so on. Make sure that you have read the articles or by-laws before you decide whether this property will suit you.

Depending on the rules, you might not be permitted to make changes to the exterior of your unit, such as installing a television aerial or an air-conditioner, building a pergola, attaching external blinds etc without the permission of the body corporate. A meeting may be needed before permission can be granted. Permission may be refused. Note that the articles or by-laws **could change** between now and when you become the owner: the body corporate might vote to change them. Also, if you are buying before the community plan is registered, then any by-laws you have been shown are just a draft.

Are you buying a debt?

If there are unpaid contributions owing on this property, you can be made to pay them. You are entitled to **know the financial state of the body corporate** and you should make sure you see its records before deciding whether to buy. As a prospective owner, you can write to the body corporate requiring to see the records, including minutes of meetings, details of assets and liabilities, contributions payable, outstanding or planned expenses and insurance policies. There is a fee. To make a request, write to the secretary or management committee of the body corporate.

Expenses

The body corporate can **require you to maintain your property**, even if you do not agree, or can carry out maintenance and bill you for it.

The body corporate can **require you to contribute** to the cost of upkeep of the common property, even if you do not agree. Consider what future maintenance or repairs might be needed on the property in the long term.

Guarantee

As an owner, you are a **guarantor** of the liabilities of the body corporate. If it does not pay its debts, you can be called on to do so. Make sure you know what the liabilities are before you decide to buy. Ask the body corporate for copies of the financial records.

Contracts

The body corporate can make contracts. For example, it may engage a body corporate manager to do some or all of its work. It may contract with traders for maintenance work. It might engage a caretaker to look after the property. It might make any other kind of contract to buy services or products for the body corporate. Find out **what contracts the body corporate is committed to and the cost**.

The body corporate will have to raise funds from the owners to pay the money due under these contracts. As a guarantor, you could be liable if the body corporate owes money under a contract.

Buying off the plan

If you are buying a property that has not been built yet, then you **cannot be certain** what the end product of the development process will be. If you are buying before a community plan has been deposited, then any proposed development contract, scheme description or by-laws you have been shown could change.

Mixed use developments - voting rights

You may be buying into a group that is run by several different community corporations. This is common in mixed use developments, for example, where a group of apartments is combined with a hotel or a group of shops. If there is more than one corporation, then you should not expect that all lot owners in the group will have equal voting rights. The corporations may be structured so that, even though there are more apartments than shops in the group, the shop owners can outvote the apartment owners on some matters. Make enquiries so that you understand how many corporations there are and what voting rights you will have.

Buyers information notice

Land and Business (Sale and Conveyancing) Act 1994 section 13A
Land and Business (Sale and Conveyancing) Regulations 2010 regulation 17

Before you buy a home there are a number of things that you should investigate and consider. Though it may not be obvious at the time, there could be matters that may affect your enjoyment of the property, the safety of people on the property or the value of the property.

The following questions may help you to identify if a property is appropriate to purchase. In many cases the questions relate to a variety of laws and standards. These laws and standards change over time, so it is important to seek the most up to date information. Various government agencies can provide up to date and relevant information on many of these questions. To find out more, Consumer and Business Services recommend that you check the website: www.cbs.sa.gov.au

Consider having a professional building inspection done before proceeding with a purchase. A building inspection will help you answer some of the questions below.

The questions have been categorised under the headings **Safety**, **Enjoyment** and **Value**, but all of the issues are relevant to each heading.

Safety

- Is there **asbestos** in any of the buildings or elsewhere on the property eg sheds and fences?
- Does the property have any significant **defects** eg **cracking** or **salt damp**? Have the wet areas been waterproofed?
- Is the property in a **bushfire** prone area?
- Are the **electrical wiring**, **gas installation**, **plumbing and appliances** in good working order and in good condition? Is a **safety switch** (RCD) installed? Is it working?
- Are there any prohibited **gas appliances** in bedrooms or bathrooms?
- Are **smoke alarms** installed in the house? If so, are they hardwired? Are they in good working order and in good condition? Are they compliant?
- Is there a **swimming pool and/or spa pool** installed on the property? Are there any safety barriers or fences in place? Do they conform to current standards?
- Does the property have any **termite** or other pest infestations? Is there a current preventive termite treatment program in place? Was the property treated at some stage with persistent organochlorins (now banned) or other **toxic** termiticides?

These By-Laws relate to the control and preservation of the essence of the theme of the Community Corporation and as such may only be amended or revoked by unanimous resolution of the Community Corporation in accordance with Section 39 of the Community Titles Act (Regulations).

1. Interpretation

- 1.1. In these by-laws, unless the contrary intention appears--

Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)

Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:

- a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
- b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
- c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (<https://1100.com.au>) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

We update ownership details including the mailing address in accordance with the advice provided by the Valuer General. We have amended this change to align with SA Water practices and to provide an improved customer experience overall.

If lodging in person at the LTO – Please send the change of ownership advice to us via mail@onkaparinga.sa.gov.au.

Note –

The question relates to information that the council for the area in which the land is situated may hold. If the council answers “YES” to the question, it will provide a description of the nature of each development

approved in respect of the land. The purchaser may then obtain further details from council (on payment of any fee fixed by the council). However, it is expected that the ability to supply further details will vary considerably between councils.

A “YES” answer to paragraph (a) of the question may indicate that a potentially contaminating activity has taken place at the land (see sections 103C and 103H of the Environment Protection Act 1993) and that assessments or remediation of the land may be required at some future time.

It should be noted that –

- the approval of development by a council does not necessarily mean that the development has taken place;
- the council will not necessarily be able to provide a complete history of all such development that has taken place at the land.

OUR PRIVACY POLICY

We are committed to protecting your privacy in accordance with the Privacy Act 1988 (Cth) (Privacy Act) and the Australian Privacy Principles (APP's). Where required, we will provide you with a Collection Notice which outlines how we collect, disclose and handle your information.

You can also refer to our Privacy Policy available on our website or by contacting us for more information about our privacy practices including how we collect, use or disclose your information, how to access or seek correction to your information or how to complain in relation to a breach of the Australian Privacy Principles and how such a complaint will be handled.

YOUR DUTY OF DISCLOSURE

You have a duty of disclosure under the Insurance Contracts Act 1984.

When applying for insurance and answering any questions, you need to advise anything you know, or that a reasonable person in the circumstances would know, that may affect or be relevant to the insurer's decision to insure you and on what terms.

You must comply with your duty of disclosure until the insurer agrees to insure you (including any renewal, extension, variation or reinstatement as applicable), and if anything that you have disclosed to us changes before that time, you also need to tell us.

The duty applies to you and anyone else that you want to be covered by the contract.

If you are in doubt tell us and we can help.

NON-DISCLOSURE

If you fail to comply, the insurer may reduce its liability under the contract in respect of a claim, cancel the contract or both. If your failure is fraudulent, they may also avoid the contract from its beginning.

AVERAGE OR CO-INSURANCE

Check your sums insured are adequate to cover the full replacement value of your items in the event of a claim. Where the contract of insurance includes an Average or Co-Insurance provision, you will be considered your own Insurer for the difference between the sum insured at the time of loss and the specified percentage of the true value of the property lost or damaged. The effect of the Average or Co-Insurance provision is that you will bear a rateable proportion of any loss in the event of any under-insurance.

THIRD PARTY INTERESTS

You should advise the Insurer of the interest of all third parties (e.g. financiers, lessors, mortgagees) in the subject matter of policy. The interest of such third parties may only be protected if it is noted on the policy.

HOLD BLAMELESS OR PREVENTING THE RIGHT OF RECOVERY

Please be aware that if you are a party to any agreement or understanding that has the effect of excluding or limiting the insurer's rights of recovery from a third party, the insurer may have the right to refuse to indemnify you for such loss if it is shown that Insurer's rights of recovery has been prejudiced by your action.

ASSOCIATIONS WITH RELATED BODIES CORPORATE

We are members of the Austbrokers network of insurance brokers. MGA Insurance Brokers is an equity member within the Austbrokers network. AUB Group Limited (ABN 60 000 000 715) (AUB) is a sole shareholder of Austbrokers Member Services Pty Ltd ACN 123 717 653, a company that provides marketing, distribution and training services to members of Austbrokers.

MGA Insurance Brokers Pty Ltd and MGA EziPay Pty Ltd (ABN 12 119 047 960) are wholly owned subsidiaries of MGA Management Services Pty Ltd (ABN 47 008 210 482).

ASSOCIATION WITH AN UNDERWRITING AGENCY

We have an association with Millennium Underwriting Agencies Pty Ltd (ABN 38 079 194 095). MGA Insurance Brokers Pty Ltd and Millennium Underwriting Agencies Pty Ltd have some common directors and a proportion of the shares of each company have some common beneficial ownership.

IMPORTANT INFORMATION

This document provides only brief details of the insurance. The full terms and conditions are contained in the policy documents and it is essential that you read these carefully. Should you have any questions about the scope of cover provided, please contact your local MGA office for an explanation.

MGA subscribes to the Australian Financial Complaints Authority (AFCA). Should you have any complaint about MGA please contact our office immediately. The latest version of our Financial Services Guide is available on our website www.mga.com

LEGAL LIABILITY OR INDEMNITY INSURANCE

Should the policy state that the cover is written on a "Claims Made" basis or "Claims Made and Notified" basis, it is imperative that the Insurer be notified immediately of any claim, incident or circumstances that may result in a claim during the currency of the policy or any permitted extended disclosure period (if applicable).

NON RETURN OF BROKERAGE

The charges detailed on this invoice include the commission and fee income earned by this office for the placement of the risk insured. Our fees or commission may not be refunded to you if the policy is cancelled prior to expiry.

COOLING OFF PERIOD

Some policies are subject to a cooling off period (the policy will state if this is the case and the applicable notice period). Where a cooling off period applies you can check that the policy meets your needs during the notice period and if not, you may be able to cancel the policy (except in some circumstances, for example, if you have made a claim) and receive a full refund of any premium paid (less certain deductions permitted by law). You may still have rights to cancel the policy after any cooling off period ends.

For more information, please contact our office, refer to your policy documents or visit our website www.mga.com for the Financial Services Guide and Privacy Policy.

GENERAL ADVICE

This is an important document. You should read it carefully and ensure that you understand it.

Class of Risk	:Strata/Community Corporation - Domestic	
Policy Number	:CAH0004402	
Period of Cover	:13.07.2025 to 13.07.2026	Our Ref :MGA AD2 C7801 1456199/005/01

OUR ADVICE

In this instance we only provide a "general advice" service. This means that whilst we may generally recommend the products we distribute, we do not consider whether the product is appropriate for your own personal objectives, financial situation and needs in making the recommendation. You need to consider the appropriateness of any information (in particular any policy documentation and relevant Product Disclosure Statement) or general advice we give you, having regard to your personal situation, before acting on our advice or buying any product.

OTHER INFORMATION

We confirm we have reviewed the Insurer's Target Market Determination (TMD) for this product and have assessed that you fall within the target market for this financial product. On the basis of our assessment, we consider that the product has therefore been issued to you consistently with the TMD provided by the Insurer. If you have elected to pay your premium via a Premium Funder, a Target Market Determination is also available. Please ask us if you would like a copy of a TMD.

Commission Amount: \$ 97.40 GST: \$ 9.74 Total: \$ 107.14

For further information about the remuneration that may be received by us, our associates, our representatives and related entities that are not associated with providing advice to you, please refer to the Financial Services Guide provided to you or you can ask us for details.

YOUR DUTY TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION

You have a duty under the Insurance Contracts Act 1984 to take reasonable care not to make a misrepresentation to the insurer (your duty). Your duty applies before you enter into the insurance contract, and also before you renew, extend, vary, or reinstate the policy.

You must answer the insurers questions honestly, accurately and to the best of your knowledge. A misrepresentation includes a statement that is false, partially false, or which does not fairly reflect the truth.

The responsibility to take reasonable care not to make a misrepresentation applies to everyone who will be insured under the policy. If you are answering questions on behalf of anyone, the insurer will treat your answers or representations as theirs.

If you do not meet the above duty, the insurer may reject or not fully pay your claim and/or cancel your policy. If the misrepresentation was deliberate or reckless, this is an act of fraud, and the insurer may treat your policy as if it never existed.

LEGAL LIABILITY OR INDEMNITY INSURANCE

Should the policy state that the cover is written on a "Claims Made" basis or "Claims Made and Notified" basis, it is imperative that the Insurer be notified immediately of any claim, incident or circumstances that may result in a claim during the currency of the policy or any permitted extended disclosure period (if applicable).

NON RETURN OF BROKERAGE

The charges detailed on this invoice include the commission and fee income earned by this office for the placement of the risk insured. Our fees or commission may not be refunded to you if the policy is cancelled prior to expiry.

COOLING OFF PERIOD

Some policies are subject to a cooling off period (the policy will state if this is the case and the applicable notice period). Where a cooling off period applies you can check that the policy meets your needs during the notice period and if not, you may be able to cancel the policy (except in some circumstances, for example, if you have made a claim) and receive a full refund of any premium paid (less certain deductions permitted by law). You may still have rights to cancel the policy after any cooling off period ends.

OUR ADVICE

In this instance we only provide a "general advice" service. This means that whilst we may generally recommend the products we distribute, we do not consider whether the product is appropriate for your own personal objectives, financial situation and needs in making the recommendation. You need to consider the appropriateness of any information (in particular any policy documentation and relevant Product Disclosure Statement) or general advice we give you, having regard to your personal situation, before acting on our advice or buying any product.

OTHER INFORMATION

We confirm we have reviewed the Insurer's Target Market Determination (TMD) for this product and have assessed that you fall within the target market for this financial product. On the basis of our assessment, we consider that the product has therefore been issued to you consistently with the TMD provided by the Insurer. If you have elected to pay your premium via a Premium Funder, a Target Market Determination is also available. Please ask us if you would like a copy of a TMD.

We receive the following commission for arranging your insurance:
Commission Amount: \$ 97.40 GST: \$ 9.74 Total: \$ 107.14
The commission received is based on a percentage of the base premium paid to us by the Insurer.

For further information about the remuneration that may be received by us, our associates, our representatives and related entities that are not associated with providing advice to you, please refer to the Financial Services Guide provided to you or you can ask us for details.

YOUR DUTY TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION

You have a duty under the Insurance Contracts Act 1984 to take reasonable care not to make a misrepresentation to the insurer (your duty). Your duty applies before you enter into the insurance contract, and also before you renew, extend, vary, or reinstate the policy.

You must answer the insurers questions honestly, accurately and to the best of your knowledge. A misrepresentation includes a statement that is false, partially false, or which does not fairly reflect the truth.

The responsibility to take reasonable care not to make a misrepresentation applies to everyone who will be insured under the policy. If you are answering questions on behalf of anyone, the insurer will treat your answers or representations as theirs.

GENERAL ADVICE

Community Corporation 27244 Inc
(MGA AD2 C7801 1456199/005/01)

If you do not meet the above duty, the insurer may reject or not fully pay your claim and/or cancel your policy. If the misrepresentation was deliberate or reckless, this is an act of fraud, and the insurer may treat your policy as if it never existed.
