NOTES: • This diagram was supplied by the plumber/drainier whose licence number appears above.  
 • It has been drawn to show the approximate location of the private sewerage service pipes and may not be accurate.  
 • Any broken/dashed lines denote the **assumed** (not verified) position of private sewerage services.  
 • Further acceptable abbreviations may be used as identified in AS/NZS 3500.2:2003 Sanitary Plumbing and Drainage Table 6.1 and Fair Trading's Sewer Service Diagram Requirements document.
