As a quorum was present the meeting was commenced at 10:30 am.

The committee asked GRANT NIEMANN to chair the meeting and CHRIS TINKER took notes to produce the minutes.

DISCUSION + MOTIONS REGARDING STRATA MANAGEMENT.

The committee discussed the recent issues regarding Rob de Jonge, the management of strata 4306 by Dukes Real Estate, and the relevant contract. It was mentioned that no contract had been signed following the 2023 AGM on august 26th, and that the contract in question ended on 26th august 2024.

It was also discussed that as reported in the media, Rob de Jonge is presently in jail, and here has been no response from attempts to contact the office of Dukes Real Estate. The concern of mismanagement, possible misappropriation of funds and general poor communications was also discussed and it was decided to formally notify Dukes Real Estate they will not be reengaged as strata manager, that Grant Niemann would write to them and inform them by post and email and copy the committee in on the correspondence, and further that the committee will choose a replacement strata manager

MOTION 1. To formally notify Dukes Real Estate they will not be reengaged as strata manager, that Grant Niemann would write to them and inform them by post and email and copy the committee in on the correspondence Seconded by Chris Tinker, passed by unanimous vote

The idea of self-management and asking for owners to tender for the contract of strata manager was discussed and although not formally voted on a majority of those present agreed we should not take this direction.

It was noted that Daniel Djakovic had sourced, and supplied by email, quotes from suitable strata management companies namely ASCM, SMSA and Stratarama. These were officially tabled for discussion by the committee. It was decided that ASCM are too expensive, Stratarama are the least expensive and that SMSA are the preferred choice as there are more desirable no cost inclusions. A question was raised in regard to possible connection of any of these companies to Strata Data and it was said there is no information to suggest any connection.

Grant Niemann has kindly offered his services as liaison between the owners and committee, contractors engaged for work on site and our strata manager. This point should be noted when a suitable strata manager is engaged.

The duty to disclose to our insurance company / broker regarding the issues we have with Rob de Jonge, Dukes Real Estate and the fact we will not be reengaging them as our strata manager was raised. This is in case we need to make claims re Fidelity Guarantee. It was decided that Chris Tinker would write to our insurance broker, Surewise, to advise them of our issues and concerns

MOTION 2. That Chris Tinker would write to the insurance broker, Surewise, to advise them of our issues and concerns, and that Dukes Real Estate would not be reengaged as our strata manager. Seconded by Jana Raslan, passed by unanimous vote.

MOTION 3. To contact Strata Management SA with the direction to engage them as strata management for Strata Corp 4306, that Daniel Djakovic and Anne Whisson will represent the committee and owners to discuss the engagement. Seconded by Kim Horscroft, passed by unanimous vote.

ADVICE TO ALL OWNERS. It was further discussed and agreed that communication to all owners should be done by the incoming strata manager.

There being no more business, the meeting was closed at 11:01am.

Dukes Real Estate (Rob de Jonge and Shyamal) presented and assisted the meeting. A quorum was in attendance - (33/42). There were 14 Owners present in Person. Proxies only were Elke 8, Gurpreet 4, Chris 2, Grant 1 & Kim 1. The owners decided that Rob de Jonge would chair the meeting and preside over the meeting.

2. MINUTES OF PREVIOUS MEETING: (September 2022)

It was resolved that the minutes from the previous Annual General Meeting 2nd of September 2022 were taken as read and accepted as a true record. We went through the minutes quite slowly and transparently. Motion put by Gurpreet (5) and seconded Grant (31) that the minutes from 2022 were a correct record. Those that were present last year were in favour.

BUSINESS ARISING FROM MINUTES - NIL 3.

4. PRESENTATION & CONSIDERATION OF FINANCIAL STATEMENT:

Closing Balance: \$183,830.97. (Of this amount, \$82,843.60 is in the Dukes Real Estate Trust Account as at the Saturday 26th of August 2023. (The remainder \$101,029.84 is in a Term Deposit as at the 26th of August 2023 with the Commonwealth Bank at the Edwardstown Branch). The Financial Statement was updated to the Thursday the 24th August 2023. The idea is going to be a bit more money in the Term Deposit at 3% for 12 months. This will be used as a sinking fund. Accounts and Invoices were submitted for the perusal of the owners. They were placed on the "bar area" for discussion after the meeting.

Moved by Grant N (31) Gurpreet (5). All owners were in favour.

- Kim Unit 11 paid \$200 yesterday.
- Grant Unit 31 paid \$600 yesterday.
- Donna Unit 7 has paid \$600 on 24th August 2023
- 4.2 Financial Statement The Financial Statement for was presented to all owners at the meeting. The majority of owners were in agreement with this financial statement being a true and accurate record. There were 3 owners not happy with the Financial Statement. Rob from Dukes is to pay back \$210 incorrect extra charge to the Strata 4306.
- 4.3 CBA Term Deposit There was a motion put forward by Grant Niemann (U31) and Seconded by Geoff (U9) to deposit \$50,000 into a term deposit and to maintain the deposit and continue to invest this money at a higher interest rate. The term deposit is with the CBA account and it is in this bank. We will find out if an accountant if a tax return is needed by the Strata Corporation if the owners earn interest in a term deposit. It is currently with 3.4% Interest. This will leave about \$32,000 left over. What will probably happen is that Grant Niemann (31) will get two quotes with the Best Interest Rate. This motion was voted on by majority in the room. The meeting decided that the Treasurer (35) and Rob de Jonge get this money into another Bank or find higher interest rate. The decisions relating to how long to get money out and What interest rates could be communicated to the Management Meeting. All owners were in favour.

- 4.4 MOTION 1 There was a motion for to put money into a term deposit account. This was voted on. All owners were in favour.
- 4.5 MOTION 2 The second motion is about the amount to go in. There were two choices, \$50K or \$30K. The recommendation from the Strata Manager was \$30K. The vote was cast and the 50K scenario was awarded 24 votes and the 30K position was awarded 8 votes against.

Action: MOTION: The signatures for the term deposit will be the Strata Manager AND Treasurer or Secretary. All in favour.

- 5. INSURANCE REVIEW: RENEWAL DATE 31/10/2023 (Pages 17 19) Policy Number HU 6072086
- 5.1 Sum Insured is \$9,000,000 THIS IS Deemed NOT Sufficient. The owners DECIDED to INCREASE THE SUM Insured to \$10,500,000. There was a Valuation of the Building completed in Oct 2020 and this is the sum insured that the owners would like to use. The owners present decided to NOT have a valuation this year in 2023. The owners were all happy with this sum insured amount. (This equates to \$250,000 Rebuild cost). The Insurance is through Surewise Insurance Brokers AT THE MOMENT. Enquiries and Claims can be made to Kendel at Surewise directly. 1300 256 056 is the phone number for Hutch Underwriting in Sydney. ALL APPROVED.
- 5.2 Legal/Public Liability: \$20,000,000.
- 5.3 Fidelity Guarantee \$100,000.
- 5.4 Excess: There is an excess of \$500 and therefore this will be paid by Strata as it is an insurance issue.
- Current Insurance Claim Unit 11 There is a current large insurance claim with water running down the walls for years from either Unit 39 or Unit 25. This has caused major and subsequent resultant damage at the bottom of Unit 11. All the Breeching Pieces from all the Three Units have been tested and repaired. It is believed that the previous year there was a water leak in Unit 25 and Phil is the team Leader at Surewise to investigate the water damage. (08 8413 6350). Lisa from Beyond Real Estate (0413 723 496) is the Contact person and Property Manager for Unit 25. About a year ago there was repair done on the property and these invoices will need to go to the Insurance Broker.

6. APPOINTMENT OF MANAGERS & OFFICERS FOR THE YEAR:

There was a motion to appoint a Strata Manager. The owners can do the Strata work as a Self Managed Group if they like. Moved Gurpreet 6.1 (5) Seconded by Chris Tinker (40). All owners were in favour.

There was a motion to appoint Dukes Strata Management (Rob de Jonge). Who has been the Manager for 6 Years. (Since 2017). Moved 6.2 Dave Justice (22) Seconded by Elke (23). This is the result of the Votes for and against. The owners were very cautious and we went through each vote or person in a Unit Owner order. DUKES

- 6.1 Dukes Real Estate (Rob de Jonge) was Elected to Retain and Manage the Strata Corporation for 12 months at a STANDARD FEE of \$6,930 including GST (This equates to \$165 per unit per year - All inclusive) payable after completion of each AGM. The Standard Fee includes: A free AGM meetings in 2023 & 2024, collection of quarterly contributions, issuing of reminder notices (\$55), payment of accounts, postage, photocopying, preparation and presentation of 42 AGM booklets and minutes. There were several reasons outlined throughout the debate and the whole thing was recorded in a very mature manner. The reasons for retaining and the positive things Dukes Strata does were: financial costing of strata management is affordable; there have been several agreed visits. The reasons proposed for the against are: poor accounting, lack of communication, lack of transparency, A few questions about the Accounts and no online Portal. This was moved that Dukes Strata Management continue for a further 12 Months by David (22) and seconded by Elke (23). There 27 Votes for Dukes & 11 Votes against with 4 Absent Votes.
- 6.2 Extra Costs not associated with the Annual Fees: Audit costs extra \$16.50 per unit and proportioned to the total units managed as per the auditor's charge. Extra Meetings are \$99 an hour. Extra Site Inspections are also \$99 and hour. There is going to be a limiting effect on the Site Inspections by letting the Presiding Member know whether the manager is required or not.
- 6.3 The functions that are delegated to the Manager are: collection of quarterly contributions, payment of accounts, postage, photocopying, preparation and presentation of 42 AGM booklets and minutes per year. All quote organisation is supposed to be done by the strata Manager. If there is an insurance claim to be processed or a Site Inspection or Extra Work like Accountancy or Quoting then these are charged at \$99 per hour. The corporation may terminate the contract giving 3 months notice in writing from the Management Committee Meeting.
- 6.4 Any owner can also request any other owners contact details such as name, address and phone number. Members of the corporation can also apply to the Magistrates Court to have a dispute resolved between Unit Members or the Manager.

Motion: Moved Dave J (22) Elke (23) 25 Votes for 12 Votes against.
