DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal or mediation (for example mediation under the Law Society Mediation Guidelines).

AUCTIONS

Regulations made under the Property Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNING
SWIMMING POOLS

An owner of property on which a swimming pool is situated must ensure that the pool complies with the requirements of the *Swimming Pools Act 1992*. Penalties apply. Before purchasing a property on which a swimming pool is situated, a purchaser is strongly advised to ensure that the swimming pool complies with the requirements of that Act.

WARNING
SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the Environmental Planning and Assessment Act 1979. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

For example, as purchaser you should be satisfied that finance will be available at the time of completing the purchase (even if settlement might occur many months after signing this contract – in particular, if you are buying off the plan).

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the Conveyancing Act 1919 and applies to a contract for the sale of residential property.

2. The purchaser may rescind the contract at any time before 5 p.m. on the fifth business day after the day on which the contract was made, **EXCEPT** in the circumstances listed in paragraph 3.

3. There is **NO COOLING OFF PERIOD**:
   (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act; or
   (b) if the property is sold by public auction; or
   (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in; or
   (d) if the contact is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.

4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

2.4 The purchaser can pay any of the deposit only by unconditionally giving cash (up to $2,000) or a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder*.

2.5 If any of the deposit is not paid on time or a *cheque* for any of the deposit is not honoured on presentation, the vendor can *terminate*. This right to *terminate* is lost as soon as the deposit is paid in full.

2.6 If the vendor accepts a bond or guarantee for the deposit, clauses 2.1 to 2.5 and 3 do not apply.

2.7 If the vendor accepts a bond or guarantee for part of the deposit, clauses 2.1 to 2.5 and 3 apply only to the balance.

2.8 If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor directs, it is a charge on the land in favour of the purchaser until *termination* by the vendor or completion, subject to any existing right.

2.9 If each *party* tells the *depositholder* that the deposit is to be invested, the *depositholder* is to invest the deposit (at the risk of the *party* who becomes entitled to it) with a *bank*, credit union or permanent building society, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the *parties* equally, after deduction of all proper government taxes and financial institution charges and other charges.

3 Payment of vendor duty out of the deposit

3.1 This clause applies only if this contract says the deposit can be used to pay vendor duty.

3.2 If the amount held by the *depositholder* (disregarding the value of any bond or guarantee) exceeds the amount of *vendor duty*, the *parties* direct the *depositholder* to release the amount of *vendor duty* on the following terms -

3.2.1 the *depositholder* is to draw a *cheque* ("the vendor duty cheque") in favour of the Office of State Revenue and in a form acceptable to the Office of State Revenue for payment of *vendor duty;*

3.2.2 the *depositholder* is not to draw that *cheque* earlier than 14 days before the completion date; and

3.2.3 the receipt of a letter from the vendor's *solicitor* requesting the vendor duty cheque will be sufficient authority for the *depositholder* to draw and release that cheque.

3.3 The vendor's *solicitor* will use the vendor duty cheque for the sole purpose of payment of the *vendor duty* relating to this transaction.

3.4 If this contract is not completed in circumstances that there is, or may be, no liability for *vendor duty* -

3.4.1 if the vendor duty cheque has been forwarded to the vendor's *solicitor* but has not been used to pay *vendor duty*, that cheque must be returned immediately to the *depositholder* for cancellation;

3.4.2 if the vendor duty cheque has been used to pay *vendor duty* -

- the amount of *vendor duty* is repayable upon demand;
- the vendor must lodge an application for refund of *vendor duty;* and
- the vendor irrevocably authorises the Office of State Revenue to pay to the *depositholder* the refund of *vendor duty;*

3.4.3 each *party* must do whatever else is necessary to ensure that the *party* whose funds were used to pay *vendor duty* receives the refund; and

3.4.4 rights under this clause continue even if the contract has been *rescinded* or *terminated*.

4 Transfer

4.1 *Normally*, the purchaser must *serve* the form of transfer at least 14 days before the completion date.

4.2 If any information needed for the form of transfer is not disclosed in this contract, the vendor must *serve* it.

4.3 If the purchaser *serves* a form of transfer and the transferee is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for this form of transfer.

4.4 The vendor can require the purchaser to include a form of covenant or easement in the transfer only if this contract contains the wording of the proposed covenant or easement, and a description of the land benefited.

4.5 If this sale is exempt from *vendor duty* -

4.5.1 the vendor can (but does not have to) *serve* an application for exemption from *vendor duty* in the form satisfactory to the Office of State Revenue *within* 7 days after the contract date;

4.5.2 if that application is attached to this contract or has been provided to the purchaser before the contract date, the application is *served* on the contract date; and

4.5.3 if the vendor complies with clause 4.5.1 -

- the purchaser must have the form of transfer marked by the Office of State Revenue in relation to *vendor duty* before *serving* the form of transfer; and
- on completion the vendor must pay to the purchaser $33.

5 Requisitions

If the purchaser is or becomes entitled to make a *requisition*, the purchaser can make it only by *serving* it -

5.1 if it arises out of this contract or it is a general question about the *property* or title - *within* 21 days after the contract date;

5.2 if it arises out of anything *served* by the vendor - *within* 21 days after the later of the contract date and that *service*; and

5.3 in any other case - *within* a reasonable time.

6 Error or misdescription

6.1 The purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).

6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.

6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

The purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion -

7.1 the vendor can *rescind* if in the case of claims that are not claims for delay -

7.1.1 the total amount claimed exceeds 5% of the price;

7.1.2 the vendor *serves* notice of intention to *rescind;* and

7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service;* and

7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed -

7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;

7.2.2 the amount held is to be invested in accordance with clause 2.9;

7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);

7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;

7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held; and

7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse.

8 Vendor's right to rescind

The vendor can *rescind* if -

8.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition;*

8.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and

8.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service.*

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can -

9.1 keep or recover the deposit (to a maximum of 10% of the price);

9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause-

9.2.1 for 12 months after the *termination;* or

9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and

9.3 sue the purchaser either -

9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover -

- the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
- the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or

9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

10.1 The purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of -

10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;

10.1.2 a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* ('service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);

10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;

10.1.4 any change in the *property* due to fair wear and tear before completion;

10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;

10.1.6 a condition, exception, reservation or restriction in a Crown grant;

10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;

10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or

10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage or writ).

10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.

10.3 *Normally,* the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.

11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant -

12.1 to have the *property* inspected to obtain any certificate or report reasonably required;

12.2 to apply (if necessary in the name of the vendor) for -

12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or

12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and

12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

13.1 In this clause, enterprise, input tax credit, margin scheme, supply of a going concern, tax invoice and taxable supply have the same meanings as in the *GST Act*.

13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.

13.3 If under this contract a *party* must make an adjustment, pay an expense of another party or pay an amount payable by or to a third party (for example, under clauses 14 or 20.7) -

13.3.1 the *party* must adjust or pay on completion any GST added to or included in the amount; but

13.3.2 if this contract says this sale is a taxable supply, and payment would entitle the *party* to an input tax credit, the adjustment or payment is to be worked out by deducting any input tax credit to which the party receiving the adjustment is or was entitled and adding the *GST rate*.

13.4 If this contract says this sale is the supply of a going concern -

13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;

13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;

13.4.3 if the purchaser is not registered by the completion date, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows:

- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered, the *depositholder* is to pay the retention sum to the purchaser; but
- if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and

13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.

13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.

13.6 If this contract says the margin scheme is to apply in making the taxable supply, the parties agree that the margin scheme is to apply to the sale of the property.

13.7 If this contract says the sale is not a taxable supply -

13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and

13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of -

- a breach of clause 13.7.1; or
- something else known to the purchaser but not the vendor.

13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if -

13.8.1 this sale is not a taxable supply in full; or

13.8.2 the margin scheme applies to the *property* (or any part of the *property*).

13.9 If this contract says this sale is a taxable supply to an extent -

13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and

13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.

13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.

13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

14 Adjustments

14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.

14.2 The *parties* must make any necessary adjustment on completion.

14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.

14.4 The *parties* must adjust land tax for the year current at the *adjustment date* -

14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;

14.4.2 by adjusting the amount that would have been payable if at the start of the year -

- the person who owned the land owned no other land;
- the land was not subject to a special trust or owned by a non-concessional company; and
- if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.

14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.

14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so -

14.6.1 the amount is to be treated as if it were paid; and

14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).

14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.

14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Completion date

The *parties* must complete by the completion date and, if they do not, a *party* can serve a notice to complete if that *party* is otherwise entitled to do so.

16 Completion

16.4 The legal title to the *property* does not pass before completion.

16.5 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser, plus another 20% of that fee.

16.6 If the purchaser *serves* a land tax certificate showing a charge on any of the land, on completion the vendor must give the purchaser a land tax certificate showing the charge is no longer effective against the land.

● Purchaser

16.7 On completion the purchaser must pay to the vendor, by cash (up to $2,000) or *settlement cheque*, the price (less any deposit paid) and any other amount payable by the purchaser under this contract (less any amount payable by the vendor to the purchaser under this contract).

16.8 If the vendor requires more than 5 *settlement cheques*, the vendor must pay $10 for each extra *cheque*.

16.9 If any of the deposit is not covered by a bond or guarantee, on completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit.

16.10 On completion the deposit belongs to the vendor.

● Place for completion

16.11 *Normally*, the *parties* must complete at the completion address, which is -

16.11.1 if a special completion address is stated in this contract - that address; or

16.11.2 if none is stated, but a first mortgagee is disclosed in this contract and the mortgagee would usually discharge the mortgage at a particular place - that place; or

16.11.3 in any other case - the vendor's *solicitor's* address stated in this contract.

16.12 The vendor by reasonable notice can require completion at another place, if it is in NSW, but the vendor must pay the purchaser's additional expenses, including any agency or mortgagee fee.

16.13 If the purchaser requests completion at a place that is not the completion address, and the vendor agrees, the purchaser must pay the vendor's additional expenses, including any agency or mortgagee fee.

17 Possession

17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.

17.2 The vendor does not have to give vacant possession if -

17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Part 2, 3, 4 or 5 Landlord and Tenant (Amendment) Act 1948).

18 Possession before completion

18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.
18.2 The purchaser must not before completion -
18.2.1 let or part with possession of any of the *property*;
18.2.2 make any change or structural alteration or addition to the *property*; or
18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.
18.3 The purchaser must until completion -
18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and
18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.
18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor -
18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and
18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate mentioned in Schedule J of the Supreme Court Rules 1970.
18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.
18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

19 Rescission of contract

19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right -
19.1.1 only by *serving* a notice before completion; and
19.1.2 in spite of any making of a claim or *requisition*, any attempt to satisfy a claim or *requisition*, any arbitration, litigation, mediation or negotiation or any giving or taking of possession.
19.2 *Normally*, if a *party* exercises a right to *rescind* expressly given by this contract or any *legislation* -
19.2.1 the deposit and any other money paid by the purchaser under this contract must be refunded;
19.2.2 a *party* can claim for a reasonable adjustment if the purchaser has been in possession;
19.2.3 a *party* can claim for damages, costs or expenses arising out of a breach of this contract; and
19.2.4 a *party* will not otherwise be liable to pay the other *party* any damages, costs or expenses.

20.7.2 if the *party* pays someone else to do the thing - the amount paid, to the extent it is reasonable.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

23.15 On completion the purchaser must pay the vendor the prescribed fee for the certificate.

23.18.2 the purchaser can require the vendor to appoint the purchaser (or the purchaser's nominee) to exercise any voting rights of the vendor in respect of the lot at the meeting.

24 Tenancies

24.1 If a tenant has not made a payment for a period preceding or current at the *adjustment date* -

24.1.1 for the purposes of clause 14.2, the amount is to be treated as if it were paid; and

24.1.2 the purchaser assigns the debt to the vendor on completion and will if required give a further assignment at the vendor's expense.

24.2 If a tenant has paid in advance of the *adjustment date* any periodic payment in addition to rent, it must be adjusted as if it were rent for the period to which it relates.

24.3 If the *property* is to be subject to a tenancy on completion or is subject to a tenancy on completion -

24.3.1 the vendor authorises the purchaser to have any accounting records relating to the tenancy inspected and audited and to have any other document relating to the tenancy inspected;

- a disclosure statement required by the Act was not given when required;
- such a statement contained information that was materially false or misleading;
- a provision of the lease is not enforceable because of a non-disclosure in such a statement; or
- the lease was entered into in contravention of the Act.

24.4 If the *property* is subject to a tenancy on completion -

24.4.1 the vendor must allow or transfer -

- any remaining bond money or any other security against the tenant's default (to the extent the security is transferable);

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.
21.4 If the time for something to be done or to happen is the 29th, 30th or 31st day of a month, and the day does not exist, the time is instead the last day of the month.
21.5 If the time for something to be done or to happen is a day that is not a *business day*, the time is extended to the next *business day*, except in the case of clause 2 (deposit).
21.6 *Normally*, the time by which something must be done is fixed but not essential.

22 Foreign Acquisitions and Takeovers Act 1975

22.1 The purchaser promises that the Commonwealth Treasurer cannot prohibit and has not prohibited the transfer under the Foreign Acquisitions and Takeovers Act 1975.
22.2 This promise is essential and a breach of it entitles the vendor to *terminate*.

23 Strata or community title

23.1 This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).
23.2 In this contract -
'change', in relation to a scheme, means -
- a registered or registrable change from by-laws set out in this contract or set out in *legislation* and specified in this contract;
- a change from a development or management contract or statement set out in this contract; or
- a change in the boundaries of common property;

'common property' includes association property for the scheme or any higher scheme;
'contribution' includes an amount payable under a by-law;
'normal expenses', in relation to an owners corporation for a scheme, means normal operating expenses usually payable from the administrative fund of an owners corporation for a scheme of the same kind;
'owners corporation' means the owners corporation or the association for the scheme or any higher scheme;
'the *property*' includes any interest in common property for the scheme associated with the lot;
'special expenses', in relation to an owners corporation, means its actual, contingent or expected expenses, except to the extent they are normal expenses, due to fair wear and tear, disclosed in this contract or covered by moneys held in the sinking fund.
23.3 Clauses 11, 14.8 and 18.4 do not apply to an obligation of the owners corporation, or to property insurable by it.
23.4 Clauses 14.4.2 and 14.5 apply but on a unit entitlement basis instead of an area basis.
23.5 The *parties* must adjust under clause 14.1 -
23.5.1 a regular periodic contribution;
23.5.2 a contribution which is not a regular periodic contribution but is disclosed in this contract; and
23.5.3 on a unit entitlement basis, any amount paid by the vendor for a normal expense of the owners corporation to the extent the owners corporation has not paid the amount to the vendor.
23.6 If a contribution is not a regular periodic contribution and is not disclosed in this contract -
23.6.1 the vendor is liable for it if it was levied before the contract date (unless it relates to work not started by that date), even if it is payable by instalments;
23.6.2 the vendor is also liable for it to the extent it relates to work started by the owners corporation before the contract date; and
23.6.3 the purchaser is liable for all other contributions levied after the *contract date*.
23.7 The vendor must pay or allow to the purchaser on completion the amount of any unpaid contributions for which the vendor is liable under clause 23.6.
23.8 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of -
23.8.1 an existing or future actual, contingent or expected expense of the owners corporation;
23.8.2 a proportional unit entitlement of the lot or a relevant lot or former lot, apart from a claim under clause 6; or
23.8.3 a past or future change in the scheme or a higher scheme.
23.9 However, the purchaser can *rescind* if -
23.9.1 the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;
23.9.2 in the case of the lot or a relevant lot or former lot in a higher scheme -
- a proportional unit entitlement for the lot is not disclosed in this contract; or
- a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion; or

23.9.3 a change before the contract date or before completion in the scheme or a higher scheme substantially disadvantages the purchaser and is not disclosed in this contract.
23.10 The purchaser must give the vendor 2 copies of a proper form of notice of the transfer of the lot addressed to the owners corporation and signed by the purchaser.
23.11 The vendor must complete and sign 1 copy of the notice and give it to the purchaser on completion.
23.12 Each *party* can sign and give the notice as agent for the other.
23.13 The vendor must *serve* a certificate under section 109 Strata Schemes Management Act 1996 or section 26 Community Land Management Act 1989 in relation to the lot, the scheme or any higher scheme at least 7 days before the completion date.

The purchaser agrees that the enclosed form is the only form of requisitions on title that will be served to the vendor's solicitor but not any other form.

26. **Purchaser's acknowledgments**
26.1 The Purchaser acknowledges that:
26.1.1 he does not rely in this Contract upon any warranty, statement or representation made by the Vendor or given by the Vendor or on behalf of the Vendor but has relied entirely upon his own enquiries and inspections made before entering into this Contract;
26.1.2 he is purchasing the property in its present condition and state of repair with all faults and defects, if any, whether latent or patent, and the Purchaser shall not be entitled to make any requisition objection or claim for compensation in respect of any dilapidation of any structure within the property, including outbuildings and dividing fences or infestation by pests. The Purchaser shall not require the Vendor to carry out any work on the property or any improvement after the date of contract. Should the Purchaser apply to the local council for a certificate under s149D of the Environmental Planning and Assessment Act, 1979 which requires further work to be carried out then the Purchaser shall carry out the work at the Purchaser's expense;
26.1.3 he accepts the property and any chattels and furnishings included in this Contract in their present condition subject to fair wear and tear. 26.1.4 he shall take title to the property subject to the existing or proposed water, sewerage and drainage, gas, electricity, telephone and/or other installations or services (if any) and shall not make any requisition, objection or claim for compensation in respect of the nature, location, availability or non-availability of any such service;
26.1.5 he does not rely on any other letters, documents or arrangement whether oral or in writing adding to or amending the terms, conditions, warranties and arrangements set out in this written agreement and that the conditions and stipulations herein constitute the only contract between the Vendor and the Purchaser.

27. **Notice to Complete**
In the event completion does not take place by the completion date, then either party shall be entitled to issue and serve a Notice to Complete on that party requiring same to complete this contract within fourteen (14) days from the date of the Notice. The parties agree that fourteen (14) days shall be sufficient and reasonable time for compliance with the terms of such Notice and such Notice shall be sufficient to make time of the essence of this Contract.

28. **Interest for late completion**
28.1 The Purchaser expressly covenants and agrees with the Vendor that should the Purchaser not complete this contract by the completion date, without default by the Vendor, the Purchaser shall pay to the Vendor on completion, in addition to the balance purchase money, an amount calculated as twelve per cent (12%) interest on the balance purchase money, computed at a daily rate from the day immediately after the completion date to the day on which this sale shall be completed. It is agreed that this amount is a genuine pre-estimate of the Vendors loss of interest for the purchase money and liability for rates and outgoings;
28.2 The Vendor shall not be liable for any damages to the Purchaser if the Vendor is not able to complete by the time appointed for completion in this contract.

29. **Claims for compensation**

Notwithstanding any other provisions in this contract the parties agree that any claim for compensation shall be deemed to be an objection or requisition for the purpose of Clause 8 of the general conditions of the contract.

30. **Agent**

The Purchaser warrants that he was not introduced to the property by an Real Estate Agent other than the Agent named in page 1 and agrees to indemnify the Vendor for any claim for compensation made by any other Real Estate Agent arising from this sale and against all costs and expenses incidental to defending such claim. This warranty and indemnity on the part of the purchaser shall not merge on completion but shall continue for the benefit of the Vendor.

31. **Release of deposit**

31.1 Notwithstanding anything elsewhere contained in this Contract, should the Purchaser enter possession of the subject property the stakeholder shall forthwith and without further authority account to the Vendor's Solicitor for the deposit.

31.2 The Purchaser agrees to release to the Vendor so much of the deposit as may be required for use by the Vendor as a deposit to purchase another property and the payment of stamp duty and disbursements associated with such purchase. No further authority or consent will be required from the Purchaser other than as contained in this special condition.

32. **Disability**

Should either party or one of them die, become mentally ill or bankrupt or enter into a scheme or arrangement with his creditors or being a company, be wound up or go into liquidation before completion of this contract then the other party may by notice in writing to that party or his Solicitors nominated on the first page of this contract rescind of this contract and such rescission shall be deemed ab initio and the provisions of Clause 19 hereof shall govern such rescission.

33. **Swimming Pool**

Notwithstanding any other provisions in this contract, should there be a swimming pool and/or spa on the property (either above ground or inground) the vendor discloses that it may not comply with the Swimming Pools Act 1992 or the Swimming Pools Regulations (No 2), 1992. The purchaser acknowledges that the vendor shall not be obliged to comply with any notice made in accordance with the Act or Regulations which issued on, before or after the date of this contract in respect to the said swimming pool and/or spa. No objection, requisition or claim for compensation shall be made by the purchaser in respect of any matter arising from this clause or of the non-compliance of any provision of the said Act or Regulations.

34. **Survey Report and Building Certificate**

If a survey report of the property or a building certificate in relation to the property is annexed to this contract, the purchaser acknowledges having inspected the survey report and/or building certificate and agrees that no objection, requisition or claim for compensation shall be made on any matter referred to in the survey report and/or building certificate.

Appendix B Narrabeen Lagoon Catchment Locality Statements

LOCALITY B1 FRENCHS FOREST EAST

DESIRED FUTURE CHARACTER

The Frenchs Forest East locality will remain characterised by detached style housing in landscaped settings interspersed by a range of complementary and compatible uses.

Future development will maintain the visual pattern and predominant scale of existing detached style housing in the locality. The streets will be characterised by landscaped front gardens and consistent front building setbacks. Unless exemptions are made to the housing density standard in this locality statement, any subdivision of land is to be consistent with the predominant pattern, size and configuration of existing allotments in the locality.

The relationship of the locality to the surrounding bushland will be reinforced by protecting and enhancing the spread of indigenous tree canopy and preserving the natural landscape including rock outcrops, remnant bushland and natural watercourses.

The use of materials that blend with the colours and textures of the natural landscape will be encouraged. Development on hillsides or in the vicinity of ridgetops must integrate with the natural landscape and topography.

The locality will continue to be served by the existing local retail centres in the areas shown on the map. Future development in these centres will be in accordance with the general principles of development control listed in clause 39 (Local retail centres).

BUILT FORM

Housing density

The maximum housing density is 1 dwelling per 600m^2 of site area (which does not include the area of any access corridor, whether such access corridor is to be created or is in existence at the time of application for development consent).

To measure housing density:

- the site area is divided by the number of dwellings proposed on the site, including any existing dwellings which are to be retained,
- the site is the area of an allotment which existed on the day this plan came into effect, and
- granny flats are not considered to be a dwelling and are limited to one per each such allotment.

In calculating housing density, the area of any access corridor (including any right-of-carriageway, access handle, accessway or other area that provides for vehicle access) is to be excluded, whether that access corridor is to be created or is in existence at the time of application for subdivision.

This control does not apply:

(a) where this standard would prevent an existing allotment accommodating one dwelling,

(b) for housing for older people or people with disabilities, where the site area per dwelling may be reduced provided the buildings are sited and designed and landscaping is used to ensure the development relates favourably to the pattern, scale and landscape character of the street and surrounding development and the development conforms with the minimum standards set out in clause 29, and

(c) for housing located within a local retail centre.

Building height

Buildings are not to exceed 8.5 metres in height, where height is the distance measured vertically between the topmost point of the building (not being a vent or chimney or the like) and the natural ground level below.

Buildings are not to exceed 7.2 metres from natural ground level to the underside of the ceiling on the uppermost floor of the building (excluding habitable areas located wholly within a roof space), but this standard may be relaxed on sites with slopes greater than 20 per cent within the building platform (measured at the base of the walls of the building), provided the building does not exceed the 8.5 metre height standard, is designed and located to minimise the bulk of the building and has minimal visual impact when viewed from the downslope sides of the land.

Front building setback

Development is to maintain a minimum front building setback.

The minimum front setback is 6.5 metres.

The front building setback area is to be landscaped and generally free of any structures, carparking or site facilities other than driveways, letterboxes and fences.

However, consent may be granted to development that will contravene the minimum front setback:

- on corner blocks or blocks with double street frontage, the front building setback may be reduced to a minimum of 3.5 metres for the secondary frontage, but secondary street setback variations must consider the character of the secondary street and the predominant setbacks existing to that street, or

- on allotments constrained by the location and use of existing buildings or the topography, for the provision of carparking.

Rear building setback

The minimum rear building setback is 6 metres.

The rear building setback area is to be landscaped and free of any structures.

To measure the rear building setback:

- The rear building setback is the distance measured perpendicular to the boundary furthest from a public street up to any structure on the allotment

The rear building setback does not apply to corner allotments.

The rear building setback may be encroached by:

- exempt development, swimming pools and outbuildings which, in total, do not exceed 50 per cent of the rear setback area.

Side boundary envelope and side setback

Buildings must be sited within an envelope determined by projecting planes at 45 degrees from a height of 4 metres above natural ground level at the side boundaries.

The minimum setback from a building to a side boundary is 0.9 metre.

To measure the side boundary envelope and side setback:

- on corner allotments the side boundaries are taken to be the boundaries that do not have frontage to a public street.

Fascias, gutters, downpipes, eaves up to 0.675 metre from the boundary, masonry chimneys, flues, pipes, or other services infrastructure may encroach beyond the side boundary envelope.

Screens or sunblinds, light fittings, electricity or gas meters, or other services infrastructure and structures not more than 1 metre above natural ground level such as unroofed terraces, balconies, landings, steps or ramps may encroach beyond the minimum side setback.

Consent may be granted for development that, to a minor extent, does not comply with:

- the side boundary envelope, to allow the addition of a second storey to an existing dwelling, or
- the side setback, to allow a single storey outbuilding, carport, pergola or the like.

Landscaped open space

The minimum area of landscaped open space is 40 per cent of the site area.

To measure an area of landscaped open space:

- impervious surfaces such as driveways, paved areas, roofed areas, tennis courts, car parking and stormwater structures, decks and the like and any areas with a width or length of less than 2 metres are excluded from the landscaped open space area, and
- the water surface of swimming pools and impervious surfaces which occur naturally such as rock outcrops are included in the landscaped open space area, and
- landscaped open space must be at ground level, and
- the minimum soil depth of land that can be included as landscaped open space is 1 metre.
