To Whom It May Concern:

Re: 1/121 Gralen Street, Wodonga

Our agency has recently conducted a rental appraisal at the above property.

We believe within the current market the property could realise approximately $220.00 per week.

It is important however that all landlords understand that rental figures can fluctuate due to the supply and demand of the market.

Please feel free to contact me should you have any queries at all in relation to the property.

Yours sincerely,
