Hidden only 8 minutes from Samford Village this stylish 48sq family residence on 5 private acres sits overlooking natural bushland and breathtaking mountain views. With room for everyone plus a separate living space with ensuite perfect for extended family, a teenage retreat or operating a home business. Hidden away from view this elevated home site is quiet and tranquil. This contemporary sandstone look home features four spacious bedrooms including massive parents retreat with ensuite. A rumpus with direct outdoor access as well as media room completes this feature packed family home. The neutral palate of colours used throughout allows you to add a splash of your own style in decor and accessories. High ceilings with timber and tiled floors, open plan living and plenty of glass gives the home a light and airy feel. The large gourmet kitchen featuring stainless steel appliances and plenty of bench space is the heart of the home and entertaining. Its central location enables seamless integration with the main living onward to the pool and alfresco areas so everyone is in the picture. Entertain all year round on the large covered alfresco area and full length veranda. Enjoy hours of fun around the heated salt water pool and separate pavilion in complete privacy while taking in stunning 310 degree mountain views. With a 1200 square meter house pad the level front yard is great for the younger kids to play whilst in full view from the kitchen and living areas. The home also features double garage and separate shed with 55000 litre tank capacity connected to the large roof catchment area ensuring plentiful supply. If this is the lifestyle you want for your family make an offer today. Sustainability Declaration is available
