#### 11. PAYMENT

- 11.1 The purchaser must pay the deposit:
- (a) to the vendor's licensed estate agent; or
  - (b) if there is no estate agent, to the vendor's legal practitioner or conveyancer; or
  - (c) if the vendor directs, into a special purpose account in an authorised deposit-taking institution in Victoria specified by the vendor in the joint names of the purchaser and the vendor.
- 11.2 If the land sold is a lot on an unregistered plan of subdivision, the deposit:
- (a) must not exceed 10% of the price; and
  - (b) must be paid to the vendor's estate agent, legal practitioner or conveyancer and held by the estate agent, legal practitioner or conveyancer on trust for the purchaser until the registration of the plan of subdivision
- 11.3 The purchaser must pay all money other than the deposit:
- (a) to the vendor, or the vendor's legal practitioner or conveyancer; or
  - (b) in accordance with a written direction of the vendor or the vendor's legal practitioner or conveyancer.
- 11.4 Payments may be made or tendered:
- (a) up to \$1,000 in cash; or
  - (b) by cheque drawn on an authorised deposit taking institution; or
  - (c) by electronic funds transfer to a recipient having the appropriate facilities for receipt.
- However, unless otherwise agreed:
- (d) payment may not be made by credit card, debit card or any other financial transfer system that allows for any chargeback or funds reversal other than for fraud or mistaken payment, and
  - (e) any financial transfer or similar fees or deductions from the funds transferred, other than any fees charged by the recipient's authorised deposit-taking institution, must be paid by the remitter.
- 11.5 At settlement, the purchaser must pay the fees on up to three cheques drawn on an authorised deposit taking institution. If the vendor requests that any additional cheques be drawn on an authorised deposit-taking institution, the vendor must reimburse the purchaser for the fees incurred.
- 11.6 Payment by electronic funds transfer is made when cleared funds are received in the recipient's bank account.
- 11.7 Before the funds are electronically transferred the intended recipient must be notified in writing and given sufficient particulars to readily identify the relevant transaction.
- 11.8 As soon as the funds have been electronically transferred the intended recipient must be provided with the relevant transaction number or reference details.
- 11.9 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.
- 11.10 For the purpose of this general condition 'authorised deposit-taking institution' means a body corporate for which an authority under section 9(3) of the *Banking Act 1959 (Cth)* is in force.

### ☒ Special condition 2 - Acceptance of title

General condition 12.4 is added:

**15A. FOREIGN RESIDENT CAPITAL GAINS WITHHOLDING**

- 15A.1 Words defined or used in Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* have the same meaning in this general condition unless the context requires otherwise.
- 15A.2 Every vendor under this contract is a foreign resident for the purposes of this general condition unless the vendor gives the purchaser a clearance certificate issued by the Commissioner under section 14-220 (1) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The specified period in the clearance certificate must include the actual date of settlement.
- 15A.3 This general condition only applies if the purchaser is required to pay the Commissioner an amount in accordance with section 14-200(3) or section 14-235 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* ("the amount") because one or more of the vendors is a foreign resident, the property has or will have a market value not less than the amount set out in section 14-215 of the legislation just after the transaction, and the transaction is not excluded under section 14-215(1) of the legislation.
- 15A.4 The amount is to be deducted from the vendor's entitlement to the contract consideration. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.
- 15A.5 The purchaser must:
- (a) engage a legal practitioner or conveyancer ("representative") to conduct all legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this general condition; and
  - (b) ensure that the representative does so.
- 15A.6 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests and instructions that the representative must:
- (a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition if the sale of the property settles;
  - (b) promptly provide the vendor with proof of payment; and
  - (c) otherwise comply, or ensure compliance with, this general condition;
- despite:
- (d) any contrary instructions, other than from both the purchaser and the vendor; and
  - (e) any other provision in this contract to the contrary.
- 15A.7 The representative is taken to have complied with the requirements in special condition 15A.6 if:
- (a) the settlement is conducted through the electronic conveyancing system operated by Property Exchange Australia Ltd or any other electronic conveyancing system agreed by the parties; and
  - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 15A.8 Any clearance certificate or document evidencing variation of the amount in accordance with section 14-235(2) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* must be given to the purchaser at least 5 business days before the due date for settlement.
- 15A.9 The vendor must provide the purchaser with such information as the purchaser requires to comply with the purchaser's obligation to pay the amount in accordance with section 14-200 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of request by the purchaser. The vendor warrants that the information the vendor provides is true and correct.
- 15A.10 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of late payment of the amount.

☐ **Special condition 5A – GST withholding**

[Note: the box should be checked if the property sold is or may be new residential premises or potential residential land, whether or not falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*]

General condition 15B is added:

**15B. GST WITHHOLDING**

- 15B.1 Words and expressions defined or used in Subdivision 14-E of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* or in *A New Tax System (Goods and Services Tax) Act 1999 (Cth)* have the same meaning in this general condition unless the context requires otherwise. Words and expressions first used in this general condition and shown in *italics* and marked with an asterisk are defined or described in at least one of those Acts.

- 15B.2 This general condition 15B applies if the purchaser is required to pay the Commissioner an *\*amount* in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) because the property is *\*new residential premises* or *\*potential residential land* in either case falling within the parameters of that section, and also if the sale attracts the operation of section 14-255 of the legislation. Nothing in this general condition 15B is to be taken as relieving the vendor from compliance with section 14-255.
- 15B.3 The amount is to be deducted from the vendor's entitlement to the contract *\*consideration* and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.
- 15B.4 The purchaser must:
- engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this general condition; and
  - ensure that the representative does so.
- 15B.5 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests relating to the payment of the amount to the commissioner and instructions that the representative must:
- ensure payment of, the amount to the Commissioner in the manner required by the pay, or Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition on settlement of the sale of the property;
  - promptly provide the vendor with evidence of payment, including any notification or other document provided by the purchaser to the Commissioner relating to payment; and
  - otherwise comply, or ensure compliance, with this general condition;
- despite:
- any contrary instructions, other than from both the purchaser and the vendor; and
  - any other provision in this contract to the contrary.
- 15B.6 The representative is taken to have complied with the requirements of general condition 15B.5 if:
- settlement is conducted through the electronic conveyancing system operated by Property Exchange Australia Ltd or any other electronic conveyancing system agreed by the parties; and
  - the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 15B.7 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act 1953* (Cth), but only if:
- so agreed by the vendor in writing; and
  - the settlement is not conducted through an electronic settlement system described in general condition 15B.6.
- However, if the purchaser gives the bank cheque in accordance with this general condition 15B.7, the vendor must:
- immediately after settlement provide the bank cheque to the Commissioner to pay the amount in relation to the supply; and
  - give the purchaser a receipt for the bank cheque which identifies the transaction and includes particulars of the bank cheque, at the same time the purchaser gives the vendor the bank cheque.
- 15B.8 The vendor must provide the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) at least 14 days before the due date for settlement.
- 15B.9 A party must provide the other party with such information as the other party requires to:
- decide if an amount is required to be paid or the quantum of it, or
  - comply with the purchaser's obligation to pay the amount,
- in accordance with section 14-250 of Schedule 1 of the *Taxation Administration Act 1953* (Cth). The information must be provided within 5 business days of a written request. The party providing the information warrants that it is true and correct.
- 15B.10 The vendor warrants that:
- at settlement, the property is not new residential premises or potential residential land in either case falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) if the vendor gives the purchaser a written notice under section 14-255 to the effect that the purchaser will not be required to make a payment under section 14-250 in respect of the supply, or fails to give a written notice as required by and within the time specified in section 14-255; and
  - the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) is the correct amount required to be paid under section 14-250 of the legislation.
- 15B.11 The purchaser is responsible for any penalties or interest payable to the commissioner on account of non-payment or late payment of the amount, except to the extent that:
- the penalties or interest arise from the vendor's failure, including breach of a warranty in general condition 15B.10; or
  - the purchaser's reasonable belief that the property is neither new residential premises nor potential residential land requiring the purchaser to pay an amount to the Commissioner in accordance with section 14-250 (1) of Schedule 1 to the *Taxation Administration Act 1953* (Cth)
- The vendor is responsible for any penalties or interest payable to the commissioner on account of non-payment or late payment of the amount if either exception applies.
- 15B.12 This general condition will not merge on settlement.

☒ **Special condition 6 – Service**

General condition 17 is replaced with the following:

**17. SERVICE**

- 17.2 A document being a cooling off notice under section 31 of the *Sale of Land Act 1962* or a notice under general condition 14.2 (ending the contract if the loan is not approved) may be served on the vendor's legal practitioner, conveyance or estate agent even if the estate agent's authority has formally expired at the time of service.
- 17.3 A document is sufficiently served:
- (a) personally, or
  - (b) by pre-paid post, or
  - (c) in a manner authorised by law or by the Supreme Court for service of documents, including any manner authorised for service on or by a legal practitioner, whether or not the person serving or receiving the document is a legal practitioner, or
  - (d) by email.
- 17.4 Any document properly sent by:

- 21.2 The purchaser is responsible for any notice, order, demand or levy imposing liability on the property that is issued or made on or after the day of sale, and does not relate to periodic outgoings.
- 21.3 The purchaser may enter the property to comply with that responsibility where action is required before settlement.

☒ **Special condition 8 – Electronic conveyancing**

- 8.1 Settlement and lodgment of the instruments necessary to record the purchaser as registered proprietor of the land will be conducted electronically in accordance with the *Electronic Conveyancing National Law*. The parties may subsequently agree in writing that this special condition 8 applies even if the box next to it is not checked. This special condition 8 has priority over any other provision to the extent of any inconsistency.
- 8.2 A party must immediately give written notice if that party reasonably believes that settlement and lodgment can no longer be conducted electronically. Special condition 8 ceases to apply from when such a notice is given.
- 8.3 Each party must:
- (a) be, or engage a representative who is, a subscriber for the purposes of the *Electronic Conveyancing National Law*,
  - (b) ensure that all other persons for whom that party is responsible and who are associated with this transaction are, or engage, a subscriber for the purposes of the *Electronic Conveyancing National Law*, and
  - (c) conduct the transaction in accordance with the *Electronic Conveyancing National Law*.
- 8.4 The vendor must open the Electronic Workspace ("workspace") as soon as reasonably practicable. The inclusion of a specific date for settlement in a workspace is not of itself a promise to settle on that date. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.
- 8.5 The vendor must nominate a time of the day for locking of the workspace at least 7 days before the due date for settlement.
- 8.6 Settlement occurs when the workspace records that:
- (a) the exchange of funds or value between financial institutions in accordance with the instructions of the parties has occurred; or
  - (b) if there is no exchange of funds or value, the documents necessary to enable the purchaser to become registered proprietor of the land have been accepted for electronic lodgment.
- 8.7 The parties must do everything reasonably necessary to effect settlement:
- (a) electronically on the next business day; or
  - (b) at the option of either party, otherwise than electronically as soon as possible – if, after the locking of the workspace at the nominated settlement time, settlement in accordance with special condition 8.6 has not occurred by 4.00 pm, or 6.00 pm if the nominated time for settlement is after 4.00 pm.

- 8.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.
- 8.9 The vendor must before settlement:
- (a) deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,
  - (b) direct the estate agent to give the keys to the purchaser or the purchaser's nominee on notification of settlement by the vendor, the vendor's subscriber or the Electronic Network Operator,
  - (c) deliver all other physical documents and items (other than the goods sold by the contract) to which the purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the vendor's subscriber or, if there is no vendor's subscriber, confirm in writing to the purchaser that the vendor holds those documents, items and keys at the vendor's address set out in the contract, and
- give, or direct its subscriber to give, all those documents and items and any such keys to the purchaser or the purchaser's nominee on notification by the Electronic Network Operator of settlement.
- 8.10 The vendor must, at least 7 days before the due date for settlement, provide the original of any document required to be prepared by the vendor in accordance with general condition 6.

☐ **Special condition 9 – Deposit bond**

- 9.1 In this special condition:
- (a) "deposit bond" means an irrevocable undertaking by an insurer in a form satisfactory to the vendor to pay on demand an amount equal to the deposit or any unpaid part of the deposit. The deposit bond must have an expiry date at least 30 days after the agreed date for settlement.
  - (b) "issuer" means an entity regulated by the Australian Prudential Regulatory Authority or the Reserve Bank of New Zealand;
- 9.2 The purchaser may deliver a deposit bond to the vendor's estate agent, legal practitioner or conveyancer within 7 days after the day of sale.
- 9.3 The purchaser may at least 30 days before a current deposit bond expires deliver a replacement deposit bond on the same terms and conditions.
- 9.4 Where a deposit bond is delivered, the purchaser must pay the deposit to the vendor's legal practitioner or conveyancer on the first to occur of:
- (a) settlement;
  - (b) the date that is 30 days before the deposit bond expires;
  - (c) the date on which this contract ends in accordance with general condition 28.2 following breach by the purchaser; and
  - (d) the date on which the vendor ends this contract by accepting repudiation of it by the purchaser.
- 9.5 The vendor may claim on the deposit bond without prior notice if the purchaser defaults under this contract or repudiates this contract and the contract is ended. The amount paid by the issuer satisfies the obligations of the purchaser under special condition 9.4 to the extent of the payment.
- 9.6 Nothing in this special condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract, except as provided in special condition 9.5.
- 9.7 This special condition is subject to general condition 11.2.

☐ **Special condition 10 – Bank guarantee**

- 10.1 In this special condition:
- (a) "bank guarantee" means an unconditional and irrevocable guarantee or undertaking by a bank in a form satisfactory to the vendor to pay on demand under this contract agreed in writing, and
  - (b) "bank" means an authorised deposit-taking institution under the Banking Act 1959 (*Cth*).
- 10.2 The purchaser may deliver a bank guarantee to the vendor's legal practitioner or conveyancer.
- 10.3 The purchaser must pay the amount secured by the bank guarantee to the vendor's legal practitioner or conveyancer on the first to occur of:
- (a) settlement;
  - (b) the date that is 30 days before the bank guarantee expires;
  - (c) the date on which this contract ends in accordance with general condition 28.2 following breach by the purchaser; and
  - (d) the date on which the vendor ends this contract by accepting repudiation of it by the purchaser.
- 10.4 The vendor must return the bank guarantee document to the purchaser when the purchaser pays the amount secured by the bank guarantee in accordance with special condition 10.3.
- 10.5 The vendor may claim on the bank guarantee without prior notice if the purchaser defaults under this contract or repudiates this contract and the contract is ended. The amount paid by the bank satisfies the obligations of the purchaser under special condition 10.3 to the extent of the payment.
- 10.6 Nothing in this special condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract, except as provided in special condition 10.5.
- 10.7 This special condition is subject to general condition 11.2.

☐ **Special condition 11 – Building report**

## SCHEDULE 5

### SALE OF LAND REGULATIONS

Regulation 6

#### INFORMATION CONCERNING THE CONDUCT OF PUBLIC AUCTIONS OF LAND

##### *Meaning of Vendor*

The vendor is the person who is selling the property that is being auctioned. There may be more than one vendor. Where there are two or more vendors, they are selling the property as co-owners.

##### *Bidding by Co-owners*

Where there are two or more vendors of the property, one or some or all of them may bid to purchase the property from their co-owners. The vendor or vendors intending to bid to purchase the property can make these bids themselves, or through a representative, but not through the auctioneer.

##### *Vendor bids*

The law of Victoria allows vendors to choose to have bids made for them by the auctioneer. If this is the case, it will be stated as the first rule applying to the auction. However, these bids cannot be made for a co-owner intending to bid to purchase the property from their co-owner or co-owners.

The auctioneer can only make a vendor bid if—

- the auctioneer declares before bidding starts that he or she can make bids on behalf of a vendor, and states how these bids will be made; and
- the auctioneer states when making the bid that it is a bid for the vendors. The usual way for an auctioneer to indicate that he or she is making a vendor bid is to say "vendor bid" in making the bid.

##### *What rules and conditions apply to the auction?*

Different rules apply to an auction depending upon whether there are any co-owners intending to bid to purchase the property from their co-owners, and whether vendor bids can be made. The auctioneer must display the rules that apply at the auction.

It is possible that a vendor may choose to have additional conditions apply at the auction. This is only allowed if those additional conditions do not conflict with the rules that apply to the auction or any other legal requirement. The additional conditions are usually contained in the contract of sale.

##### *Copies of the rules*

The law requires that a copy of the rules and conditions that are to apply to a public auction of land be made available for public inspection a reasonable time before the auction starts and in any case not less than 30 minutes before the auction starts.

##### *Questions*

A person at a public auction of land may ask the auctioneer in good faith a reasonable number of questions about the property being sold, the contract of sale, the rules under which the auction is being conducted and the conduct of the auction.

##### *Forbidden activities at auctions*

The law forbids—

- any person bidding for a vendor other than—
  - the auctioneer (who can only make bids for a vendor who does not intend to purchase the property from their co-owner or co-owners); or
  - a representative of a vendor who is a co-owner of the property wishing to purchase the property from their co-owner or co-owners.
- the auctioneer taking any bid that he or she knows was made on behalf of the vendor, unless it is made by a vendor (or their representative) who is a co-owner wishing to purchase the property.

- the auctioneer acknowledging a bid if no bid was made.
- any person asking another person to bid on behalf of the vendor, other than a vendor who is a co-owner engaging a representative to bid for them.
- any person falsely claiming or falsely acknowledging that he or she made a bid.
- an intending bidder (or a person acting on behalf of an intending bidder) harassing or interfering with other bidders at a public auction of land.

Substantial penalties apply to any person who does any of the things in this list.

#### *Who made the bid?*

At any time during a public auction of land, a person at the auction may ask the auctioneer to indicate who made a bid. Once such a request has been made, the auctioneer is obliged by law to comply with such a request before taking another bid.

#### *It is an offence to disrupt an auction*

The law forbids an intending bidder or a person acting on behalf of an intending bidder from doing any thing with the intention of preventing or causing a major disruption to, or causing the cancellation of, a public auction of land.

#### *The cooling off period does not apply to public auctions of land*

If you purchase a property that has been offered for sale by public auction either at the auction or within 3 clear business days before or after the auction, there is no cooling off period.

The purchaser may nominate a substitute or additional transferee, but the named purchaser remains personally liable for the due performance of all the purchaser's obligations under this contract.

#### 19. LIABILITY OF SIGNATORY

#### 21. NOTICES

The purchaser is responsible for any notice, order, demand or levy imposing liability on the property that is issued or made on or after the day of sale that does not relate to periodic outgoings. The purchaser may enter the property to comply with that responsibility where action is required before settlement.

#### 22. INSPECTION

The purchaser and/or another person authorised by the purchaser may inspect the property at any reasonable time during the 7 days preceding and including the settlement day.

#### 23. TERMS CONTRACT

23.1 If this is a 'terms contract' as defined in the *Sale of Land Act 1962*:

- (a) any mortgage affecting the land sold must be discharged as to that land before the purchaser becomes entitled to possession or to the receipt of rents and profits unless the vendor satisfies section 29M of the *Sale of Land Act 1962*; and
- (b) the deposit and all other money payable under the contract (other than any money payable in excess of the amount required to so discharge the mortgage) must be paid to a legal practitioner or conveyancer or a licensed estate agent to be applied in or towards discharging the mortgage.

23.2 While any money remains owing each of the following applies:

- (a) the purchaser must maintain full damage and destruction insurance of the property and public risk insurance noting all parties having an insurable interest with an insurer approved in writing by the vendor;
- (b) the purchaser must deliver copies of the signed insurance application forms, the policies and the insurance receipts to the vendor not less than 10 days before taking possession of the property or becoming entitled to receipt of the rents and profits;
- (c) the purchaser must deliver copies of any amendments to the policies and the insurance receipts on each amendment or renewal as evidence of the status of the policies from time to time;
- (d) the vendor may pay any renewal premiums or take out the insurance if the purchaser fails to meet these obligations;
- (e) insurance costs paid by the vendor under paragraph (d) must be refunded by the purchaser on demand without affecting the vendor's other rights under this contract;
- (f) the purchaser must maintain and operate the property in good repair (fair wear and tear excepted) and keep the property safe, lawful, structurally sound, weatherproof and free from contaminations and dangerous substances;
- (g) the property must not be altered in any way without the written consent of the vendor which must not be unreasonably refused or delayed;
- (h) the purchaser must observe all obligations that affect owners or occupiers of land;
- (i) the vendor and/or other person authorised by the vendor may enter the property at any reasonable time to inspect it on giving 7 days written notice, but not more than twice in a year.

#### 24. LOSS OR DAMAGE BEFORE SETTLEMENT

24.1 The vendor carries the risk of loss or damage to the property until settlement.

24.2 The vendor must deliver the property to the purchaser at settlement in the same condition it was in on the day of sale, except for fair wear and tear.

24.3 The purchaser must not delay settlement because one or more of the goods is not in the condition required by general condition 24.2, but may claim compensation from the vendor after settlement.

24.4 The purchaser may nominate an amount not exceeding \$5,000 to be held by a stakeholder to be appointed by the parties if the property is not in the condition required by general condition 24.2 at settlement.

- 24.5 The nominated amount may be deducted from the amount due to the vendor at settlement and paid to the stakeholder, but only if the purchaser also pays an amount equal to the nominated amount to the stakeholder.
- 24.6 The stakeholder must pay the amounts referred to in general condition 24.5 in accordance with the determination of the dispute, including any order for payment of the costs of the resolution of the dispute.

## **25. BREACH**

A party who breaches this contract must pay to the other party on demand:

- (a) compensation for any reasonably foreseeable loss to the other party resulting from the breach; and
- (b) any interest due under this contract as a result of the breach.

## **Default**

## **26. INTEREST**

Interest at a rate of 2% per annum plus the rate for the time being fixed by section 2 of the *Penalty Interest Rates Act 1983* is payable on any money owing under the contract during the period of default, without affecting any other rights of the offended party.

## **27. DEFAULT NOTICE**

- 27.1 A party is not entitled to exercise any rights arising from the other party's default, other than the right to receive interest and the right to sue for money owing, until the other party is given and fails to comply with a written default notice.
- 27.2 The default notice must:
- (a) specify the particulars of the default; and
  - (b) state that it is the offended party's intention to exercise the rights arising from the default unless, within 14 days of the notice being given-
    - (i) the default is remedied; and
    - (ii) the reasonable costs incurred as a result of the default and any interest payable are paid.

## **28. DEFAULT NOT REMEDIED**

- 28.1 All unpaid money under the contract becomes immediately payable to the vendor if the default has been made by the purchaser and is not remedied and the costs and interest are not paid.
- 28.2 The contract immediately ends if:
- (a) the default notice also states that unless the default is remedied and the reasonable costs and interest are paid, the contract will be ended in accordance with this general condition; and
  - (b) the default is not remedied and the reasonable costs and interest are not paid by the end of the period of the default notice.
- 28.3 If the contract ends by a default notice given by the purchaser:
- (a) the purchaser must be repaid any money paid under the contract and be paid any interest and reasonable costs payable under the contract; and
  - (b) all those amounts are a charge on the land until payment; and
  - (c) the purchaser may also recover any loss otherwise recoverable.
- 28.4 If the contract ends by a default notice given by the vendor:
- (a) the deposit up to 10% of the price is forfeited to the vendor as the vendor's absolute property, whether the deposit has been paid or not; and
  - (b) the vendor is entitled to possession of the property; and
  - (c) in addition to any other remedy, the vendor may within one year of the contract ending either:
    - (i) retain the property and sue for damages for breach of contract; or
    - (ii) resell the property in any manner and recover any deficiency in the price on the resale and any resulting expenses by way of liquidated damages; and
  - (d) the vendor may retain any part of the price paid until the vendor's damages have been determined and may apply that money towards those damages; and
  - (e) any determination of the vendor's damages must take into account the amount forfeited to the vendor.
- 28.5 The ending of the contract does not affect the rights of the offended party as a consequence of the default.

# Due diligence checklist

## What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](https://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

## Urban living

### Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

### Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

## Growth areas

### Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

## Flood and fire risk

### Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

## Rural properties

### Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?

### Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

### Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

## Soil and groundwater contamination

### Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

## **Land boundaries**

### **Do you know the exact boundary of the property?**

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

## **Planning controls**

### **Can you change how the property is used, or the buildings on it?**

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

### **Are there any proposed or granted planning permits?**

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

## **Safety**

### **Is the building safe to live in?**

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

## **Building permits**

### **Have any buildings or retaining walls on the property been altered, or do you plan to alter them?**

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

### **Are any recent building or renovation works covered by insurance?**

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

## **Utilities and essential services**

### **Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?**

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

## **Buyers' rights**

### **Do you know your rights when buying a property?**

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.

# Notes to certificates under Section 105 of the *Land Tax Act 2005*

Certificate No: 23821435

1. Under Section 96 of the Land Tax Act 2005 (the Act), unpaid land tax (including special land tax and vacant residential land tax) is a first charge on the land to which it relates and should the vendor default, payment will be obtained from the purchaser. The purchaser should take into account the possibility that the vendor may default where land tax has been assessed but not paid.
2. If land tax (including special land tax and vacant residential land tax) is due but not paid on a property, the Land Tax Clearance Certificate will certify the amount of land tax due and payable on that land. This amount will be binding on the Commissioner of State Revenue (the Commissioner) for purposes of section 96 of the Act whether or not it is paid to the State Revenue Office (SRO) on, or shortly after, settlement.
3. The amount of land tax on this certificate relates to the amount of land tax (including special land tax and vacant residential land tax) due and payable as at the date of the application only and not to any future liability or the tax status of the land.
4. A 'Nil' Land Tax Clearance certificate does not mean that the land on the certificate is exempt from land tax or vacant residential land tax.
5. If land tax (including special land tax or vacant residential land tax) will be payable on a property but payment is not due at the time the application is processed, the certificate will certify the amount that should be retained by the purchaser at settlement and remitted to the SRO. The Commissioner will consider himself bound by this amount against the purchaser, only if the amount is remitted to the SRO within 28 days after settlement.
6. If the amount in 3. (above) is understated, the Commissioner has the right to seek recovery of the correct amount, or the balance, as the case may be, from
  - a. the vendor, or
  - b. the purchaser, if the vendor defaults and the certified amount has not been remitted to the SRO within 28 days after settlement.
7. If an amount is certified in respect of a proposed sale which is not completed, the Commissioner will not be bound by the same amount in respect of a later sale of the subject land - another certificate must be applied for in respect of that transaction.
8. If an amount certified is excessively high (for example, because an exemption or concession has not been deducted in calculating the amount) the Commissioner will issue an amended certificate, without an additional fee being charged on receipt of sufficient evidence to that effect from the vendor.
9. If no land tax (including special land tax or vacant residential land tax) is stated as being payable in respect of the property, the Commissioner will consider himself bound by that certification, in respect of the purchaser, if the land is subsequently found to be taxable and the vendor defaults.
10. If the vendor refuses to be bound by an amount stated by the Commissioner and does not agree to the amount being withheld and remitted at settlement, the purchaser cannot rely on such refusal as a defence to an action by the Commissioner to recover the outstanding amount from the purchaser under Sections 96 or 98 of the Act.
11. The information on a certificate cannot preclude the Commissioner from taking action against a vendor to recover outstanding land tax (including special land tax and vacant residential land tax).
