WARNING—
SWIMMING POOLS

An owner of a property on which a swimming pool is situated must ensure that the pool complies with the requirements of the *Swimming Pools Act 1992*. Penalties apply. Before purchasing a property on which a swimming pool is situated, a purchaser is strongly advised to ensure that the swimming pool complies with the requirements of that Act.

WARNING—
SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. **This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.**

2. **The purchaser may rescind the contract at any time before 5 p.m. on the fifth business day after the day on which the contract was made, EXCEPT in the circumstances listed in paragraph 3.**

3. **There is NO COOLING OFF PERIOD:**
   - (a) **if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or**
   - (b) **if the property is sold by public auction, or**
   - (c) **if the contract is made on the same day as the property was offered for sale by public auction but passed in, or**
   - (d) **if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.**

4. **A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.**

4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.

5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.

6. The purchaser will usually have to pay stamp duty on this contract. If duty is not paid on time, a purchaser may incur penalties.

7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal or mediation (for example mediation under the Law Society Mediation Model and Guidelines).

AUCTIONS

2 Deposit and other payments before completion

2.1 The purchaser must pay the deposit to the *depositholder* as stakeholder.

2.2 *Normally*, the purchaser must pay the deposit on the making of this contract, and this time is essential.

2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.

3 Deposit-bond

3.1 This clause applies only if this contract says the vendor has agreed to accept a *deposit-bond* for the deposit (or part of it).

3.2 The purchaser must provide the original *deposit-bond* to the vendor's *solicitor* (or if no solicitor the *depositholder*) at or before the making of this contract and this time is essential.

3.3 If the *deposit-bond* has an expiry date and completion does not occur by the date which is 14 days before the expiry date, the purchaser must *serve* a replacement *deposit-bond* at least 7 days before the expiry date. The time for service is essential.

3.4 The vendor must approve a replacement *deposit-bond* if –

3.4.1 it is from the same issuer and for the same amount as the earlier *deposit-bond*; and

3.4.2 it has an expiry date at least three months after its date of issue.

3.5 A breach of clauses 3.2 or 3.3 entitles the vendor to *terminate*. The right to *terminate* is lost as soon as –

3.5.1 the purchaser *serves* a replacement *deposit-bond*; or

3.5.2 the deposit is paid in full under clause 2.

3.6 Clauses 3.3 and 3.4 can operate more than once.

3.7 If the purchaser *serves* a replacement *deposit-bond*, the vendor must *serve* the earlier *deposit-bond*.

3.8 The amount of any *deposit-bond* does not form part of the price for the purposes of clause 16.7.

3.9 The vendor must give the purchaser the *deposit-bond* –

3.9.1 on completion; or

3.9.2 if this contract is *rescinded*.

3.10 If this contract is *terminated* by the vendor –

3.10.1 *normally*, the vendor can immediately demand payment from the issuer of the *deposit-bond*; or

3.10.2 if the purchaser *serves* prior to *termination* a notice disputing the vendor's right to *terminate*, the vendor must forward the *deposit-bond* (or its proceeds if called up) to the *depositholder* as stakeholder.

3.11 If this contract is *terminated* by the purchaser –

3.11.1 *normally*, the vendor must give the purchaser the *deposit-bond*; or

3.11.2 if the vendor *serves* prior to *termination* a notice disputing the purchaser's right to *terminate*, the vendor must forward the *deposit-bond* (or its proceeds if called up) to the *depositholder* as stakeholder.

4 Transfer

4.1 *Normally*, the purchaser must *serve* at least 14 days before the date for completion –

4.1.1 the form of transfer; and

4.1.2 particulars required to register any mortgage or other dealing to be lodged with the transfer by the purchaser or the purchaser's mortgagee.

4.2 If any information needed for the form of transfer is not disclosed in this contract, the vendor must *serve* it.

4.3 If the purchaser *serves* a form of transfer and the transferee is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for this form of transfer.

4.4 The vendor can require the purchaser to include a form of covenant or easement in the transfer only if this contract contains the wording of the proposed covenant or easement, and a description of the land benefited.

5 Requisitions

5.1 If a form of *requisitions* is attached to this contract, the purchaser is taken to have made those *requisitions*.

5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by *serving* it –

5.2.1 if it arises out of this contract or it is a general question about the *property* or title - *within* 21 days after the contract date;

5.2.2 if it arises out of anything *served* by the vendor - *within* 21 days after the later of the contract date and that *service*; and

5.2.3 in any other case - *within* a reasonable time.

6 Error or misdescription

6.1 The purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).

6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.

6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

The purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

7.1 the vendor can *rescind* if in the case of claims that are not claims for delay –

7.1.1 the total amount claimed exceeds 5% of the price;

7.1.2 the vendor *serves* notice of intention to *rescind*; and

7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and

Image Copyright, Terms & Conditions Apply

7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed –

7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;

7.2.2 the amount held is to be invested in accordance with clause 2.9;

7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);

7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;

7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held; and

7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse.

8 Vendor's rights and obligations

8.1 The vendor can *rescind* if –

8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;

8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and

8.1.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service*.

8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can *terminate* by *serving* a notice. After the *termination* –

8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract;

8.2.2 the purchaser can sue the vendor to recover damages for breach of contract; and

8.2.3 if the purchaser has been in possession a *party* can claim for a reasonable adjustment.

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can –

9.1 keep or recover the deposit (to a maximum of 10% of the price);

9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause –

9.2.1 for 12 months after the *termination*; or

9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and

9.3 sue the purchaser either –

9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover –

- the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
- the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or

9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

10.1 The purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of –

10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;

10.1.2 a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* (`service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);

10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;

10.1.4 any change in the *property* due to fair wear and tear before completion;

10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;

10.1.6 a condition, exception, reservation or restriction in a Crown grant;

10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;

10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or

10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage or writ).

10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.

UNOFFICIAL COPY

10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.

11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

The vendor must do everything reasonable to enable the purchaser, subject to the rights of a tenant –

12.1 to have the *property* inspected to obtain any certificate or report reasonably required;

12.2 to apply (if necessary in the name of the vendor) for –

12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or

12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and

12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

13.1 In this clause, enterprise, input tax credit, margin scheme, supply of a going concern, tax invoice and taxable supply have the same meanings as in the *GST Act*.

13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.

13.3 If under this contract a *party* must make an adjustment, pay an expense of another party or pay an amount payable by or to a third party (for example, under clauses 14 or 20.7) –

13.3.1 the *party* must adjust or pay on completion any GST added to or included in the amount; but

13.3.2 if this contract says this sale is a taxable supply, and payment would entitle the *party* to an input tax credit, the adjustment or payment is to be worked out by deducting any input tax credit to which the party receiving the adjustment is or was entitled and adding the *GST rate*.

13.4 If this contract says this sale is the supply of a going concern –

13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;

13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business like way;

13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –

- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered, the *depositholder* is to pay the retention sum to the purchaser; but
- if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and

13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.

13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.

13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.

13.7 If this contract says the sale is not a taxable supply –

13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and

Licence Inclusive 2044

13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
- something else known to the purchaser but not the vendor.

13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –
13.8.1 this sale is not a taxable supply in full; or
13.8.2 the margin scheme applies to the *property* (or any part of the *property*).

13.9 If this contract says this sale is a taxable supply to an extent –
13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.

13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.

13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

14 Adjustments

14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.

14.2 The *parties* must make any necessary adjustment on completion.

14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.

14.4 The *parties* must adjust land tax for the year current at the *adjustment date* –
14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
- the land was not subject to a special trust or owned by a non-concessional company; and
- if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.

14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.

14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
14.6.1 the amount is to be treated as if it were paid; and
14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).

14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.

14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The *parties* must complete by the date for completion and, if they do not, a *party* can *serve* a notice to complete if that *party* is otherwise entitled to do so.

16 Completion

- **Vendor**

16.1 On completion the vendor must give the purchaser any *document of title* that relates only to the *property*.

16.2 If on completion the vendor has possession or control of a *document of title* that relates also to other property, the vendor must produce it as and where necessary.

Not to be reproduced

16.3 *Normally*, on completion the vendor must cause the legal title to the *property* (being an estate in fee simple) to pass to the purchaser free of any mortgage or other interest, subject to any necessary registration.
16.4 The legal title to the *property* does not pass before completion.
16.5 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser, plus another 20% of that fee.
16.6 If a *party serves* a land tax certificate showing a charge on any of the land, on completion the vendor must give the purchaser a land tax certificate showing the charge is no longer effective against the land.

- **Purchaser**

16.7 On completion the purchaser must pay to the vendor, by cash (up to $2,000) or *settlement cheque* –
16.7.1 the price **less:**
- any deposit paid;
- if clause 31 applies, the *remittance amount*; and
- any amount payable by the vendor to the purchaser under this contract; and

16.7.2 any other amount payable by the purchaser under this contract.
16.8 If the vendor requires more than 5 *settlement cheques*, the vendor must pay $10 for each extra *cheque*.
16.9 If any of the deposit is not covered by a bond or guarantee, on completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit.
16.10 On completion the deposit belongs to the vendor.

- **Place for completion**

16.11 *Normally*, the *parties* must complete at the completion address, which is –
16.11.1 if a special completion address is stated in this contract - that address; or
16.11.2 if none is stated, but a first mortgagee is disclosed in this contract and the mortgagee would usually discharge the mortgage at a particular place - that place; or
16.11.3 in any other case - the vendor's *solicitor's* address stated in this contract.
16.12 The vendor by reasonable notice can require completion at another place, if it is in NSW, but the vendor must pay the purchaser's additional expenses, including any agency or mortgagee fee.
16.13 If the purchaser requests completion at a place that is not the completion address, and the vendor agrees, the purchaser must pay the vendor's additional expenses, including any agency or mortgagee fee.

17 Possession

17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.
17.2 The vendor does not have to give vacant possession if –
17.2.1 this contract says that the sale is subject to existing tenancies; and
17.2.2 the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).
17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Part 2, 3, 4 or 5 Landlord and Tenant (Amendment) Act 1948).

18 Possession before completion

18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.
18.2 The purchaser must not before completion –
18.2.1 let or part with possession of any of the *property*;
18.2.2 make any change or structural alteration or addition to the *property*; or
18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.
18.3 The purchaser must until completion –
18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and
18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.
18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –
18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and
18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.
18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.
18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

20.15 Where this contract provides for choices, a choice in BLOCK CAPITALS applies unless a different choice is marked.

21 Time limits in these provisions

21.1 If the time for something to be done or to happen is not stated in these provisions, it is a reasonable time.

21.2 If there are conflicting times for something to be done or to happen, the latest of those times applies.

21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.

21.4 If the time for something to be done or to happen is the 29th, 30th or 31st day of a month, and the day does not exist, the time is instead the last day of the month.

21.5 If the time for something to be done or to happen is a day that is not a *business day*, the time is extended to the next *business day*, except in the case of clauses 2 and 3.2.

22 Foreign Acquisitions and Takeovers Act 1975

22.2 This promise is essential and a breach of it entitles the vendor to *terminate*.

Unofficial Document

23 Strata or community title

23.1 This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).

23.2 In this contract –

'change', in relation to a scheme, means –

- a registered or registrable change from by-laws set out in this contract or set out in *legislation* and specified in this contract;
- a change from a development or management contract or statement set out in this contract; or
- a change in the boundaries of common property;

'common property' includes association property for the scheme or any higher scheme;

'contribution' includes an amount payable under a by-law;

'normal expenses', in relation to an owners corporation for a scheme, means normal operating expenses usually payable from the administrative fund of an owners corporation for a scheme of the same kind;

'owners corporation' means the owners corporation or the association for the scheme or any higher scheme;

'the *property*' includes any interest in common property for the scheme associated with the lot;

'special expenses', in relation to an owners corporation, means its actual, contingent or expected expenses, except to the extent they are normal expenses, due to fair wear and tear, disclosed in this contract or covered by moneys held in the sinking fund.

23.3 Clauses 11, 14.8 and 18.4 do not apply to an obligation of the owners corporation, or to property insurable by it.

23.4 Clauses 14.4.2 and 14.5 apply but on a unit entitlement basis instead of an area basis.

23.5 The *parties* must adjust under clause 14.1 –

23.5.1 a regular periodic contribution;

23.5.2 a contribution which is not a regular periodic contribution but is disclosed in this contract; and

23.5.3 on a unit entitlement basis, any amount paid by the vendor for a normal expense of the owners corporation to the extent the owners corporation has not paid the amount to the vendor.

23.6 If a contribution is not a regular periodic contribution and is not disclosed in this contract –

23.6.1 the vendor is liable for it if it was levied before the contract date (unless it relates to work not started by that date), even if it is payable by instalments;

23.6.2 the vendor is also liable for it to the extent it relates to work started by the owners corporation before the contract date; and

23.6.3 the purchaser is liable for all other contributions levied after the contract date.

23.7 The vendor must pay or allow to the purchaser on completion the amount of any unpaid contributions for which the vendor is liable under clause 23.6.

23.8 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of –

23.8.1 an existing or future actual, contingent or expected expense of the owners corporation;

23.8.2 a proportional unit entitlement of the lot or a relevant lot or former lot, apart from a claim under clause 6; or

23.8.3 a past or future change in the scheme or a higher scheme.

23.9 However, the purchaser can *rescind* if –

23.9.1 the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;

23.9.2 in the case of the lot or a relevant lot or former lot in a higher scheme –

- a proportional unit entitlement for the lot is not disclosed in this contract; or
- a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion; or

23.9.3 a change before the contract date or before completion in the scheme or a higher scheme substantially disadvantages the purchaser and is not disclosed in this contract.

23.10 The purchaser must give the vendor 2 copies of a proper form of notice of the transfer of the lot addressed to the owners corporation and signed by the purchaser.

23.11 The vendor must complete and sign 1 copy of the notice and give it to the purchaser on completion.

23.12 Each *party* can sign and give the notice as agent for the other.

23.13 The vendor must *serve* a certificate under s109 Strata Schemes Management Act 1996 or s26 Community Land Management Act 1989 in relation to the lot, the scheme or any higher scheme at least 7 days before the date for completion.

23.14 The purchaser does not have to complete earlier than 7 days after *service* of the certificate and clause 21.3 does not apply to this provision.

Licensed to LEAP Legal Software

23.15 On completion the purchaser must pay the vendor the prescribed fee for the certificate.
23.16 The vendor authorises the purchaser to apply for the purchaser's own certificate.
23.17 The vendor authorises the purchaser to apply for and make an inspection of any record or other document in the custody or control of the owners corporation or relating to the scheme or any higher scheme.
23.18 If a general meeting of the owners corporation is convened before completion –
23.18.1 if the vendor receives notice of it, the vendor must immediately notify the purchaser of it; and
23.18.2 after the expiry of any cooling off period, the purchaser can require the vendor to appoint the purchaser (or the purchaser's nominee) to exercise any voting rights of the vendor in respect of the lot at the meeting.

24 Tenancies

24.1 If a tenant has not made a payment for a period preceding or current at the *adjustment date* –
24.1.1 for the purposes of clause 14.2, the amount is to be treated as if it were paid; and
24.1.2 the purchaser assigns the debt to the vendor on completion and will if required give a further assignment at the vendor's expense.
24.2 If a tenant has paid in advance of the *adjustment date* any periodic payment in addition to rent, it must be adjusted as if it were rent for the period to which it relates.
24.3 If the *property* is to be subject to a tenancy on completion or is subject to a tenancy on completion –
24.3.1 the vendor authorises the purchaser to have any accounting records relating to the tenancy inspected and audited and to have any other document relating to the tenancy inspected;
24.3.2 the vendor must *serve* any information about the tenancy reasonably requested by the purchaser before or after completion; and
24.3.3 *normally*, the purchaser can claim compensation (before or after completion) if –
- a disclosure statement required by the Retail Leases Act 1994 was not given when required;
- such a statement contained information that was materially false or misleading;
- a provision of the lease is not enforceable because of a non-disclosure in such a statement; or
- the lease was entered into in contravention of the Retail Leases Act 1994.

24.4 If the *property* is subject to a tenancy on completion –
24.4.1 the vendor must allow or transfer –
- any remaining bond money or any other security against the tenant's default (to the extent the security is transferable);
- any money in a fund established under the lease for a purpose and compensation for any money in the fund or interest earnt by the fund that has been applied for any other purpose; and
- any money paid by the tenant for a purpose that has not been applied for that purpose and compensation for any of the money that has been applied for any other purpose;

24.4.2 if the security is not transferable, each *party* must do everything reasonable to cause a replacement security to issue for the benefit of the purchaser and the vendor must hold the original security on trust for the benefit of the purchaser until the replacement security issues;
24.4.3 the vendor must give to the purchaser –
- a proper notice of the transfer (an attornment notice) addressed to the tenant;
- any certificate given under the Retail Leases Act 1994 in relation to the tenancy;
- a copy of any disclosure statement given under the Retail Leases Act 1994;
- a copy of any document served on the tenant under the lease and written details of its service, if the document concerns the rights of the landlord or the tenant after completion; and
- any document served by the tenant under the lease and written details of its service, if the document concerns the rights of the landlord or the tenant after completion;

24.4.4 the vendor must comply with any obligation to the tenant under the lease, to the extent it is to be complied with by completion; and
24.4.5 the purchaser must comply with any obligation to the tenant under the lease, to the extent that the obligation is disclosed in this contract and is to be complied with after completion.

25 Qualified title, limited title and old system title

25.1 This clause applies only if the land (or part of it) –

25.1.2 on completion is to be under one of those titles.
25.2 The vendor must *serve* a proper abstract of title *within* 7 days after the contract date.
25.3 If an abstract of title or part of an abstract of title is attached to this contract or has been lent by the vendor to the purchaser before the contract date, the abstract or part is *served* on the contract date.

25.4 An abstract of title can be or include a list of documents, events and facts arranged (apart from a will or codicil) in date order, if the list in respect of each document –

25.4.1 shows its date, general nature, names of parties and any registration number; and

25.4.2 has attached a legible photocopy of it or of an official or registration copy of it.

25.5 An abstract of title –

25.5.1 must start with a good root of title (if the good root of title must be at least 30 years old, this means 30 years old at the contract date);

25.5.2 in the case of a leasehold interest, must include an abstract of the lease and any higher lease;

25.5.3 *normally*, need not include a Crown grant; and

25.5.4 need not include anything evidenced by the Register kept under the Real Property Act 1900.

25.6 In the case of land under old system title –

25.6.1 in this contract 'transfer' means conveyance;

25.6.2 the purchaser does not have to *serve* the form of transfer until after the vendor has *served* a proper abstract of title; and

25.6.3 each vendor must give proper covenants for title as regards that vendor's interest.

25.7 In the case of land under limited title but not under qualified title –

25.7.1 *normally*, the abstract of title need not include any document which does not show the location, area or dimensions of the land (for example, by including a metes and bounds description or a plan of the land);

25.7.2 clause 25.7.1 does not apply to a document which is the good root of title; and

25.7.3 the vendor does not have to provide an abstract if this contract contains a delimitation plan (whether in registrable form or not).

25.8 The vendor must give a proper covenant to produce where relevant.

25.9 The vendor does not have to produce or covenant to produce a document that is not in the possession of the vendor or a mortgagee.

25.10 If the vendor is unable to produce an original document in the chain of title, the purchaser will accept a photocopy from the Registrar-General of the registration copy of that document.

26 Crown purchase money

26.1 This clause applies only if purchase money is payable to the Crown, whether or not due for payment.

26.2 The vendor is liable for the money, except to the extent this contract says the purchaser is liable for it.

26.3 To the extent the vendor is liable for it, the vendor is liable for any interest until completion.

26.4 To the extent the purchaser is liable for it, the *parties* must adjust any interest under clause 14.1.

27 Consent to transfer

27.1 This clause applies only if the land (or part of it) is restricted title land (land that cannot be transferred without consent under *legislation*).

27.2 The purchaser must properly complete and then *serve* the purchaser's part of an application for consent to transfer of the land (or part of it) *within* 7 days after the contract date.

27.3 The vendor must apply for consent *within* 7 days after *service* of the purchaser's part.

27.4 If consent is refused, either *party* can *rescind*.

27.5 If consent is given subject to one or more conditions that will substantially disadvantage a *party*, then that *party* can *rescind within* 7 days after receipt by or *service* upon the *party* of written notice of the conditions.

27.6 If consent is not given or refused –

27.6.1 *within* 42 days after the purchaser *serves* the purchaser's part of the application, the purchaser can *rescind*; or

27.6.2 *within* 30 days after the application is made, either *party* can *rescind*.

27.7 If the *legislation* is the Western Lands Act 1901 each period in clause 27.6 becomes 90 days.

27.8 If the land or part is described as a lot in an unregistered plan, each time in clause 27.6 becomes the later of the time and 35 days after creation of a separate folio for the lot.

27.9 The date for completion becomes the later of the date for completion and 14 days after *service* of the notice granting consent to transfer.

28 Unregistered plan

28.1 This clause applies only if some of the land is described as a lot in an unregistered plan.

28.2 The vendor must do everything reasonable to have the plan registered *within* 6 months after the contract date, with or without any minor alteration to the plan or any document to be lodged with the plan validly required or made under *legislation*.

28.3 If the plan is not registered *within* that time and in that manner –

28.3.1 the purchaser can *rescind*; and

28.3.2 the vendor can *rescind*, but only if the vendor has complied with clause 28.2 and with any *legislation* governing the rescission.

28.4 Either *party* can *serve* notice of the registration of the plan and every relevant lot and plan number.

28.5 The date for completion becomes the later of the date for completion and 21 days after *service* of the notice.

28.6 Clauses 28.2 and 28.3 apply to another plan that is to be registered before the plan is registered.

29.1 This clause applies only if a provision says this contract or completion is conditional on an event.

29.2 If the time for the event to happen is not stated, the time is 42 days after the contract date.

29.3 If this contract says the provision is for the benefit of a *party*, then it benefits only that *party*.

29.4 if anything is necessary to make the event happen, each *party* must do whatever is reasonably necessary to cause the event to happen.

29.5 A *party* can *rescind* under this clause only if the *party* has substantially complied with clause 29.4.

29.6 If the event involves an approval and the approval is given subject to a condition that will substantially disadvantage a *party* who has the benefit of the provision, the *party* can *rescind within* 7 days after either *party serves* notice of the condition.

29.7 If the *parties* can lawfully complete without the event happening –

29.7.1 if the event does not happen *within* the time for it to happen, a *party* who has the benefit of the provision can *rescind within* 7 days after the end of that time;

29.7.2 if the event involves an approval and an application for the approval is refused, a *party* who has the benefit of the provision can *rescind within* 7 days after either *party serves* notice of the refusal; and

29.7.3 the date for completion becomes the later of the date for completion and 21 days after the earliest of –

- either *party serving* notice of the event happening;
- every *party* who has the benefit of the provision *serving* notice waiving the provision; or
- the end of the time for the event to happen.

30.1 This *Conveyancing Transaction* is to be conducted as an *electronic transaction* if –

30.1.1 this contract says that it is a proposed *electronic transaction*; and

30.1.2 the purchaser *serves* a notice that it is an *electronic transaction within* 14 days of the contract date.

30.2 However, this *Conveyancing Transaction* is not to be conducted as an *electronic transaction* if, at any time after it has been agreed that it will be conducted as an *electronic transaction*, a *party serves* a notice that it will not be conducted as an *electronic transaction*.

30.3 If, because of clause 30.2, this *Conveyancing Transaction* is not to be conducted as an *electronic transaction* –

30.3.1 each *party* must –

- bear equally any disbursements or fees; and
- otherwise bear that *party*'s own costs;

associated with the agreement under clause 30.1; and

30.3.2 if a *party* has paid all of a disbursement or fee which, by reason of this clause, is to be borne equally by the *parties*, that amount must be adjusted under clause 14.2.

30.4 If this *Conveyancing Transaction* is to be conducted as an *electronic transaction* –

30.4.1 to the extent, but only to the extent, that any other provision of this contract is inconsistent with this clause, the provisions of this clause prevail;

30.4.2 *normally*, words and phrases used in this clause 30 (italicised and in Title Case, such as *Electronic Workspace* and *Lodgment Case*) have the same meaning which they have in the *participation rules*;

30.4.3 the *parties* must conduct the *electronic transaction* in accordance with the *participation rules* and the *ECNL*;

30.4.4 a *party* must pay the fees and charges payable by that *party* to the *ELNO* and the *Land Registry* as a result of this transaction being an *electronic transaction*;

Wilson Street Tempe 2044

30.4.5 any communication from one *party* to another *party* in the *Electronic Workspace* made –
- after receipt of the purchaser's notice under clause 30.1.2; and
- before the receipt of a notice given under clause 30.2;

is taken to have been received by that *party* at the time determined by s13A of the Electronic Transactions Act 2000; and

Important information

Who is protected by a clearance certificate?

A clearance certificate states whether there is any land tax owing on a property.

The clearance certificate protects a purchaser from any outstanding land tax liability by a previous owner. It does not provide any protection to the owner of the land.

Why is the certificate clear from land tax?

The certificate may be issued as 'clear' if:

- the land is not liable or is exempt from land tax
- the tax has been paid
- the Chief Commissioner is satisfied payment of the tax is not at risk, or
- the owner of the land failed to lodge a land tax return when it was due and the liability had not been detected when the certificate was issued.

Note: A clear certificate does not mean that land tax was not payable or that there is no land tax adjustment to be made on settlement, if the contract for sale allows for it.

Why is the certificate not clear from land tax?

Under section 47 of the *Land Tax Management Act 1956*, land tax is a charge on land owned in NSW at midnight on 31 December of each year. The charge applies from the taxing date and does not depend on the issue of a land tax assessment notice. Land tax is an annual tax so a new charge may occur on the taxing date each year.

How do I clear a certificate?

To remove a charge from a clearance certificate the outstanding tax must be paid. To do this the owner should follow the steps shown on the certificate or contact OSR if no instructions are shown.

You should allow 10 working days to process a request.

How do I get an updated certificate?

A certificate can be updated by using our online clearance certificate update service at www.osr.nsw.gov.au/taxes/land/clearance or reprocess the certificate through your Client Service Provider (CSP).

Please ensure you have allowed sufficient time for any payment to be processed prior to requesting a new version of the clearance certificate.

Land value, tax rates and threshold

The taxable land value shown on the clearance certificate is the value that is used by OSR when assessing land tax.

Details on land tax threshold and rates, as well as the land tax calculator and examples are available at www.osr.nsw.gov.au/taxes/land
