Beacon Hill

4 beds 2 baths 2 cars

Holding a commanding hilltop setting with some of the area's finest views over Narrabeen Lake, Long Reef Headland and the ocean all the way to the Central Coast, this original family classic presents a prime blank canvas for transformation. The welcoming interiors reveal multiple living areas across a split-level design, plus a lower-level master that takes in the views. It's ready to be enjoyed with incredible scope to renovate, recreate or completely develop.
